Aiden I've spent twelve years loving Freya Bergman and twelve lifetimes won't be enough to give her everything she deserves. She's my wife, my best friend, and all I want is to make her happy. But the one thing that will make her happiest is the one thing I'm not sure I can give her... Freya I love my husband Aiden, but recently he has been quiet and withdrawn. With a growing distance between us, the last thing we need is to be thrown together for an island getaway to celebrate my parents' many years of perfect marriage while ours is on the brink of collapse. Despite my meddling siblings and a week in each other's constant company, this trip somehow gets us working through the trouble in paradise. But when we leave paradise and return to the real world, will trouble find us again? A

marriage-in-crisis romance about a sensitive, fierce-loving woman and her resilient husband who has an anxiety disorder. Praise for Chloe Liese: 'I could curl up in Liese's writing for days, I love it so' Helen Hoang, author of *The Kiss Quotient* 'Absolute romantic perfection'

Libro de Las Preguntas - Pablo Neruda 2001
Pablo Neruda is one of the world's most popular poets, and *The Book of Questions* is Copper Canyon's all-time best-seller. This updated bilingual edition is entirely re-designed and features a new cover, new interior, and an introduction by translator. In *The Book of Questions*, Neruda refuses to be corralled by the rational mind. Composed of 316 unanswerable questions, these poems integrate the wonder of a child with the experiences of an adult. By turns Orphic, comic, surreal, and poignant, Neruda's questions lead the reader beyond reason into realms of intuition and pure imagination. Tell

me, is the rose naked or is that her only dress? Why do trees conceal the splendor of their roots? Is there anything in the world sadder than a train standing in the rain? When Neruda died in 1973, *The Book of Questions* was one of eight unpublished poetry manuscripts that lay on his desk. In it, Neruda achieves a deeper vulnerability and vision than in his earlier work—and this unique book is a testament to everything that made Neruda an artist. "Neruda's questions evoke pictures that make sense on a visual level before the reader can grasp them on a literal one. The effect is mildly dazzling [and] O'Daly's translations achieve a tone that is both meditative and spontaneous." - Publishers Weekly

Pablo Neruda, born in southern Chile, led a life charged with poetic and political activity. We Two Alone: A November Night - Sara Teasdale 2018-11

Our Chemical Hearts - Krystal Sutherland 2016-10-04

John Green meets Rainbow Rowell in this irresistible story of first love, broken hearts, and the golden seams that put them back together again. Henry Page has never been in love. He fancies himself a hopeless romantic, but the slo-mo, heart palpitating, can't-eat-can't-sleep kind of love that he's been hoping for just hasn't been in the cards for him—at least not yet. Instead,

he's been happy to focus on his grades, on getting into a semi-decent college and finally becoming editor of his school newspaper. Then Grace Town walks into his first period class on the third Tuesday of senior year and he knows everything's about to change. Grace isn't who Henry pictured as his dream girl—she walks with a cane, wears oversized boys' clothes, and rarely seems to shower. But when Grace and Henry are both chosen to edit the school paper, he quickly finds himself falling for her. It's obvious there's something broken about Grace, but it seems to make her even more beautiful to Henry, and he wants nothing more than to help her put the pieces back together again. And yet, this isn't your average story of boy meets girl. Krystal Sutherland's brilliant debut is equal parts wit and heartbreak, a potent reminder of the bittersweet bliss that is first love.

Intriguing Lives - Anjali Kakar 2019-07-09

Intriguing Lives is a compilation of short stories that will leave you with the curiosity to discover

more. Drawn from imaginative fictitious characters who can be perceived to be quite dexterous, they are indeed a paradox of being contained and get consumed in the lower worlds, which are dominated by greed, stupidity, and fundamental darkness. Deprecating their existence would be immensely brutal as they uncover the reservoir of potential that lies within them, drawing forth courage compassion, and wisdom. While each of their journeys are entirely different, they are truly inspiring and will fulfill their mission of never being defeated. Ideas can be vast in dimension and so are these stories, which are palatable, thereby serving their inbuilt hidden purpose of infinite potential embedded within a human soul.

Translating Neruda - John Felstiner 1980

What goes into the translating of a poem?

Usually that process gets forgotten once the new poem stands intact in translation. Yet a verse translation derives from historical, biographical, and philosophical research, interpretive analysis

of the original poem, and continuous linguistic and prosodic choices that parallel those the poet made. Taking as a text Pablo Neruda's brilliant prophetic sequence *Alturas de Macchu Picchu* (1945), the author here re-creates the entire process of translation, from his first encounter with the poem to the last shaping of a phrase that may never come right in English. This many-faceted book forms an essay on the theory and practice of literary translation, a study of Neruda's career through 1945, and an interpretation of his major poem, all of which lead to a striking new poem in English, *Heights of Macchu Picchu*, printed along with the original Spanish. This genesis of a verse translation also includes little-known biographical data, hitherto untranslated poems and prose from the years 1920 to 1945, and new translations of key poems from Neruda's *Residence on Earth* and *Spain in My Heart*. Secrets and half-truths. These litter Renia

Baranczka's past, but the city of Paris had offered an escape and the refuge of her dream job. The specialty plant shop kept her busy, but also had brought her to a new friend, Alain. His presence buffered the guilt that kept her up at night, dwelling on the endless replays of what happened to her sister. All too suddenly, the City of Light seems more sinister when Alain turns up dead. His demise threatens every secret Renia holds dear, including the rare plant hidden in the shop's tiny nook. It emits a special fragrance that can erase a person's memory--and perhaps much more than that. As Renia races to figure out the extent of the plant's powers, she's confronted by figures from her past who offer a proposal she can't outright refuse. Bit by bit, she descends into a menacing underworld of black market mobsters, navigating threats and fending off abuse to protect the safe peaceful life she's worked so hard for in Paris. Desperate to outwit her enemies, Renia maneuvers carefully, knows one wrong move will destroy not only the plant,

but the lives of her and her sister.

West Portal - Benjamin Gucciardi 2021-07-30
Winner of the 2020 Agha Shahid Ali Poetry Prize
West Portal is the name of the neighborhood in San Francisco, California, where poet Benjamin Gucciardi grew up. It is also one of the names of the Pillars of Heracles--the entryway to the afterworld. Drawing on William Carlos Williams's assertion that "the local is the only thing that is universal," West Portal investigates the Bay Area's urban and rural landscapes along with the memories and people that reside there. Interweaving the narrative of the death of the poet's sister with the environmental and socioeconomic realities of the current moment, the poems in West Portal illuminate the experience of loss, and the attempt to create meaning in the wake of devastation. Through poems that are prayerful, observant, elegiac, pained, dreamlike, philosophical, and compassionate, the book asks: What do we consider holy? What is virtue? What should any

of us value about our relationship to place or our relationship with each other?

Pablo Neruda - Pablo Neruda 1974
Poems dealing with the soiled aspect of the human condition and the sumptuous appeal of the tactile are presented in Spanish and English
Love Poems - Pablo Neruda 2008-01-17
Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Noble Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or

meteor...." Written on the paradisaal island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.

Full Woman, Fleshly Apple, Hot Moon -
Pablo Neruda 2009-06-30

Full woman, fleshly apple, hot moon, thick smell of seaweed, crushed mud and light, what obscure brilliance opens between your columns? What ancient night does a man touch with his senses? Loving is a journey with water and with stars, with smothered air and abrupt storms of flour: loving is a clash of lightning-bolts and two bodies defeated by a single drop of honey. The poetry of Pablo Neruda is beloved worldwide for its passion, humor, and exceptional accessibility.

The nearly fifty poems selected for this collection and translated by Stephen Mitchell—widely praised for his original and definitive translations of spiritual writings and poetry—focus on Neruda's mature period, when the poet was in his fifties. A bilingual volume, with Neruda's original Spanish text facing Mitchell's English translation, it will bring Neruda's sensuous work to vibrant life for a whole new generation of readers.

Love Letters of Great Men - Ursula Doyle
2008-11-25

Remember the wonderfully romantic book of love letters that Carrie reads aloud to Big in the recent blockbuster film, *Sex and the City*? Fans raced to buy copies of their own, only to find out that the beautiful book didn't actually exist. However, since all of the letters referenced in the film did exist, we decided to publish this gorgeous keepsake ourselves. *Love Letters of Great Men* follows hot on the heels of the film and collects together some of history's most

romantic letters from the private papers of Beethoven, Mark Twain, Mozart, and Lord Byron. For some of these great men, love is "a delicious poison" (William Congreve); for others, "a nice soft wife on a sofa with good fire, & books & music" (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these letters show that perhaps men haven't changed all that much over the last 2,000 years--passion, jealousy, hope and longing still rule their hearts and minds. In an age of e-mail and texted "i luv u"s, this timeless and unique collection reminds us that nothing can compare to the simple joy of sitting down to read a letter from the one you love.

Falling Through Love - Akif Kichloo

2019-11-05

"Beautiful . . . Kichloo speaks to predecessors as diverse as Seamus Heaney and (fellow doctor-poet) Rafael Campo in a series of lovely, compelling poems." —Chaya Bhuvaneswar, author of *White Dancing Elephants* *Falling Through Love* submerges readers into Akif Kichloo's deeply personal yet widely resonant experiences, exploring relationships in their most exposed and honest states. Written in a variety of poetic forms—free verse, rhyme, prose, and visual poetry—*Falling Through Love* takes the reader on a poignant journey with the writer, about charting one's own path in life, investigating failure, family dynamics, and love. Looking at life backward and forward simultaneously, this collection brings forth new perspectives on what it means to be alive, to have made mistakes, to have fought for an identity, to have loved and lost and then loved and lost again. "*Falling Through Love* is a

brilliant and unapologetic exploration of faith, loss, mental illness, and the many facets of love. Kichloo's compelling storytelling will remind you of the push and pull of love." —K.Y. Robinson, author of *Submerge* "Reading *Falling Through Love* felt like what I imagine Alice felt like falling into Wonderland—it's beautiful (almost overwhelmingly so), evokes a remarkable variety and amount of emotions, and ultimately causes you to look inward towards yourself . . . The poems and artwork throughout *Falling Through Love* create an emotional journey that you can't help but relate to." —Juliette Sebock,

Legacy Discovered - Kerry Reis 2013-09-16

A woman learns her husband is not the man she married. Instead of an orphaned foster child like herself, he is the scion of a billionaire. In order to avoid a family legacy, he faked his own death. When they first met sixteen years ago, Ali was convinced Ryan was a man who grew up like she did: as a foster care orphan. They married

quickly and headed for the Midwest to complete college. Sixteen years later, Ryan has an independent law practice, Ali is an ER nurse, and the couple has the perfect life. Yet when Ryan leads a class action suit against a toxic industrial development by billionaire Charles Barnett, all hell breaks loose. During the case discovery, Ali learns that Ryan is really the sole son and namesake of real estate magnate Barnett who faked his death by disappearing off his sailboat near the Massachusetts coast sixteen years ago. His real name is Charles Barnett Jr., and he pulled off his deception in order to avoid the pressure of the family legacy and to marry Ali who came from a lower social status. He took the name Ryan, assuming the legal identity of a college roommate who died young. This searing novel demonstrates the strength of love and the power of class to haunt our lives while serving as a moving meditation on how to redeem the past. As Ryan says to his teenage daughter, Status does not determine

character. Character determines status.

Love - Pablo Neruda 1995-06-16

Poems from the film *Il Postino*. The poems collected in this book are at the heart of the film *Il Postino*, a cinematic fantasy spun from an apocryphal incident in the life of the Chilean poet and Nobel laureate, Pablo Neruda.

Together they show why many consider Neruda to be the finest love poet of the century. Few writers of any age have described the pleasures and torments of erotic love with such un-sentimental directness and sensual precision. Here, too, we find Neruda at his most accessible, the language of his odes and lyrics refined to the

point at which it achieves, in critic Jean Franco's words, "the naturalness of song". This short selection draws on work from throughout his writing life, from the famous early collection *Twenty Love Songs & a Song of Despair* (1924) to the key works of his maturity, *Residence on Earth* (1935), *Elemental Odes* (1954) and the autobiographical *Memorial de Isla Negra* (1964). It offers an enticing glimpse of one of modern poetry's greatest masters.

Love Poems for People with Children - John Kenney 2019-10-15

In the spirit of his wildly popular New Yorker pieces and the New York Times bestseller Love Poems for Married People, Thurber-prize winner John Kenney presents a hilarious new collection of poetry for people with children. With the same brilliant wit and hilarious realism that made Love Poems for Married People such a hit, John

Kenney is back with a brand new collection of poems, this time taking on the greatest "joy" in life: children. Kenney covers it all, from newborns, toddlers, and sleep deprivation, to the terrible twos, terrible tweens, and terrible teens. A parent's love is unconditional, but sometimes that button can't help but be pushed. Between back to school shopping, summer vacations that never end, the awkwardness of puberty, the inevitable post-college moving back in, and more, a parent's job is never done, whether they like it or not.

Neruda - Mark Eisner 2018-03-27

The most definitive biography to date of the poet Pablo Neruda, a moving portrait of one of the

most intriguing and influential figures in Latin American history Few poets have captured the global imagination like Pablo Neruda. In his native Chile, across Latin America, and in many other parts of the world, his name and legacy have become almost synonymous with liberation movements, and with the language of erotic love. Neruda: The Poet's Calling is the product of fifteen years of research by Mark Eisner, writer, translator, and documentary filmmaker. The book vividly depicts Neruda's monumental life, potent verse, and ardent belief in the "poet's obligation" to use poetry for social good. It braids together three major strands of Neruda's life—his world-revered poetry; his political engagement; and his tumultuous, even controversial, personal life—forming a single cohesive narrative of intimacy and breadth. The fascinating events of Neruda's life are interspersed with Eisner's thoughtful examinations of the poems, both as works of art in their own right and as mirrors of Neruda's life

and times. The result is a book that animates Neruda's riveting story in a new way—one that offers a compelling narrative version of Neruda's life and work, undergirded by exhaustive research, yet designed to bring this colossal literary figure to a broader audience.

Passions and Impressions - Pablo Neruda
2001-01-15

Pablo Neruda is known first as a poet, but the prose pieces in this collection reflect the enormous hunger he demonstrated throughout his career for new modes of expression, new adventures, new challenges. Passions and Impressions is both a sequel to and an enlargement of Neruda's Memoirs, recording a lifetime of travel, of friendships and enmities, of exile and homecoming, of loss and discovery, and of history both public and personal. Above all, it is a testament to Neruda's love for Chile—for its citizens, its flora and fauna, its national identity. His abiding devotion pervades these notes on a life fully lived.

delicate wildflowers, and the hot sun and salty scent of the sea to celebrate their love.

The Poetry of Pablo Neruda - René de Costa
2009-06-30

The most comprehensive English-language collection of work ever by "the greatest poet of the twentieth century--in any language" (Gabriel Garcia Marquez) "In his work a continent awakens to consciousness." So wrote the Swedish Academy in awarding the Nobel Prize to Pablo Neruda, the author of more than thirty-five books of poetry and one of Latin America's most revered writers, lionized during his lifetime as "the people's poet." This selection of Neruda's poetry, the most comprehensive single volume

available in English, presents nearly six hundred poems, scores of them in new and sometimes multiple translations, and many accompanied by the Spanish original. In his introduction, Ilan Stavans situates Neruda in his native milieu as well as in a contemporary English-language one, and a group of new translations by leading poets testifies to Neruda's enduring, vibrant legacy among English-speaking writers and readers today.

Selected Prose and Prose-Poems - Gabriela Mistral
2010-01-01

The first Latin American to receive a Nobel Prize for Literature, the Chilean writer Gabriela Mistral (1889-1957) is often characterized as a healing, maternal voice who spoke on behalf of women, indigenous peoples, the disenfranchised, children, and the rural poor. She is that political poet and more: a poet of philosophical meditation, self-consciousness, and daring. This is a book full of surprises and paradoxes. The complexity and structural boldness of these

prose-poems, especially the female-erotic prose pieces of her first book, make them an important moment in the history of literary modernism in a tradition that runs from Baudelaire, the North American moderns, and the South American postmodernistas. It's a book that will be eye-opening and informative to the general reader as well as to students of gender studies, cultural studies, literary history, and poetry. This Spanish-English bilingual volume gathers the most famous and representative prose writings of Gabriela Mistral, which have not been as readily available to English-only readers as her poetry. The pieces are grouped into four sections. "Fables, Elegies, and Things of the Earth" includes fifteen of Mistral's most accessible prose-poems. "Prose and Prose-Poems from *Desolación / Desolation* [1922]" presents all the prose from Mistral's first important book. "Lyrical Biographies" are Mistral's poetic meditations on Saint Francis and Sor Juana de la Cruz. "Literary Essays, Journalism, 'Messages'"

collects pieces that reveal Mistral's opinions on a wide range of subjects, including the practice of teaching; the writers Alfonso Reyes, Alfonsina Storni, Rainer Maria Rilke, and Pablo Neruda; Mistral's own writing practices; and her social beliefs. Editor/translator Stephen Tapscott rounds out the volume with a chronology of Mistral's life and a brief introduction to her career and prose.
