Japanese American Incarceration - Stephanie Hinnershitz 2021-10

"Japanese American Incarceration argues that the incarceration of Japanese Americans created a massive system of prison labor that blurred the lines between free and forced work during World War II"--*Twelve Years a Slave* - Solomon Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Embrace the Suck - Brent Gleeson 2020-12-22

Get into the Navy SEAL mindset with this raw, brutally honest, in-your-face self-help guide that will teach you how to thrive on adversity. During the brutal crucible of Navy SEAL training, instructors often tell students to "embrace the suck." This phrase conveys the one lesson that is vital for any SEAL hopeful to learn: lean into the suffering and get comfortable being very uncomfortable. In this powerful, no-nonsense guide, Navy SEAL combat veteran turned leadership expert Brent Gleeson teaches you how to transform every area of your life—the Navy SEAL way. Can anyone develop this level of resilience? Gleeson breaks it down to a Challenge-Commitment-Control mindset. He reveals how resilient people view difficulties as a Challenge, where obstacles and failures are opportunities for growth. Next, they have a strong emotional Commitment to their goals and are not easily distracted or deterred. Finally, resilient people focus their energy on the things within their Control, rather than fixating on factors they can't impact. Embrace the Suck provides an actionable roadmap that empowers you to expand your comfort zone to live a more fulfilling, purpose-driven life. Through candid storytelling, behavioral science research, and plenty of self-deprecating humor, Gleeson shows you how to use pain as a pathway, reassess your values, remove temptation, build discipline, suffer with purpose, fail successfully, transform your mind, and achieve more of the goals you set

Good Neighbors - Sarah Langan 2021-02-02

"A modern-day Crucible....Beneath the surface of a suburban utopia, madness lurks." —Liv Constantine, bestselling author of *The Last Mrs. Parrish* "Sarah Langan is a phenomenal talent with a wicked sense of wry humor. *Good Neighbors* knocked me out. Like Shirley Jackson, Langan's work blends a bleak streak with an underlying sense of the humane that wrung my heart." —Victor LaValle, author of *The Changeling* Celeste Ng's enthralling dissection of suburbia meets Shirley Jackson's creeping dread in this propulsive literary noir, when a sudden tragedy exposes the depths of deception and damage in a Long Island suburb—pitting neighbor against neighbor and putting one family in terrible danger. Welcome to Maple Street, a picture-perfect slice of suburban Long Island, its residents bound by their children, their work, and their illusion of safety in a rapidly changing world. Arlo Wilde, a gruff has-been rock star who's got nothing to show for his fame but track marks, is always two steps behind the other dads. His wife, beautiful ex-pagant queen Gertie, feels socially ostracized and adrift. Spunky preteen Julie curses like a sailor and her kid brother Larry is called "Robot Boy" by the kids on the block. Their next-door neighbor and Maple Street's Queen Bee, Rhea Schroeder—a lonely community college professor repressing her own dark past—welcomes Gertie and family into the fold. Then, during one spritzer-fueled summer evening, the new best friends share too much, too soon. As tensions mount, a sinkhole opens in a nearby park, and Rhea's daughter Shelly falls inside. The search for Shelly brings a shocking accusation against the Wildes that spins out of control. Suddenly, it is one mom's word against the other's in a court of

public opinion that can end only in blood. A riveting and ruthless portrayal of American suburbia, *Good Neighbors* excavates the perils and betrayals of motherhood and friendships and the dangerous clash between social hierarchy, childhood trauma, and fear.

Reshaping Family Relationships - Gary Connell 1999

For examining, organizing, & utilizing the central ideas & theoretical tenets of Dr. Whitaker's many contributions to the field. Building on his previous works, *Reshaping Family Relationships* presents a more rigorous analysis & integrated conceptualization of symbolic-experiential therapy.

The Family Crucible - Augustus Y. Napier, PhD 2011-10-18

"If you have a troubled marriage, a troubled child, a troubled self, if you're in therapy or think that there's no help for your predicament, *The Family Crucible* will give you insights . . . that are remarkably fresh and helpful."—New York Times Book Review The classic groundbreaking book on family therapy by acclaimed experts Augustus Y. Napier, Ph.D., and Carl Whitaker, M.D. This extraordinary book presents scenarios of one family's therapy experience and explains what underlies each encounter. You will discover the general patterns that are common to all families—stress, polarization and escalation, scapegoating, triangulation, blaming, and the diffusion of identity—and you will gain a vivid understanding of the intriguing field of family therapy.

The Book Thief - Markus Zusak 2007-12-18

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Workshop Stories - Elizabeth Opalenik 2021-04-15

Workshop Stories: Changed Through Photography is an exquisite cloth-bound volume with dust jacket, containing stories, essays, and beautiful photography by over 100 of the world's finest photographic workshop teachers.

Object Relations Family Therapy - David E. Scharff 1977-07-07

Offers an indepth and thoughtful exploration of the relevance of psychoanalysis to family therapy.

Family Therapy: An Overview - Herbert Goldenberg 2012-01-01

This current, engaging, and practice-oriented text is your complete resource for mastering the many facets of family therapy. In this eighth edition, the authors provide practice-oriented content that will help you become an empathic and effective family therapist. The new edition includes the latest references and contemporary thinking on central issues such as family resiliency, alternative forms of family life today, gender, culture, and ethnic considerations. A new feature, Thinking like a Clinician, helps students to reflect on practice issues related to each chapter. This edition also contains the American Association for Marriage and Family Therapy Code of Ethics—a great reference that will

help you understand the importance of ethical practices. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

They Called Us Enemy - Expanded Edition - George Takei 2020-08-26
The New York Times bestselling graphic memoir from

actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. *THEY CALLED US ENEMY* is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

Constructing the Sexual Crucible - David M Schnarch 1991-03-05

This book challenges the fundamental paradigms in sexual-marital therapies, and provides a fresh look at the nature of intimacy and the diverse barriers to eroticism in many marriages. By integrating individual, sexual and marital therapies, this study attempts to provide a fresh look at the nature of intimacy and the diverse barriers to eroticism in marriage. The author refutes the common focus on sexual technique, calling instead for an emphasis on sexual potential.

One of Us Is Lying (TV Series Tie-In Edition) - Karen M. McManus 2021-11-30

All the secrets of the Bayview Four will be revealed in the TV series now streaming on Peacock! **THE #1 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY • BUZZFEED • POPCRUSH** "Pretty Little Liars meets The Breakfast Club" (Entertainment Weekly) in this addictive mystery about what happens when five strangers walk into detention and only four walk out alive. Pay close attention and you might solve this. On Monday afternoon, five students at Bayview High walk into detention. Bronwyn, the brain, is Yale-bound and never breaks a rule. Addy, the beauty, is the picture-perfect homecoming princess. Nate, the criminal, is already on probation for dealing. Cooper, the athlete, is the all-star baseball pitcher. And Simon, the outcast, is the creator of Bayview High's notorious gossip app. Only, Simon never makes it out of that classroom. Before the end of detention Simon's dead. And according to investigators, his death wasn't an accident. On Monday, he died. But on Tuesday, he'd planned to post juicy reveals about all four of his high-profile classmates, which makes all four of them suspects in his murder. Or are they the perfect patsies for a killer who's still on the loose? Everyone has secrets, right? What really matters is how far you would go to protect them. And don't miss the #1 New York Times bestselling sequel, *One of Us is Next!*

Advancing Family Theories - James M. White 2005

How can the study of families be scientific? What is the difference between postmodern and positivistic approaches? What is the role of models and metaphors in constructing our theoretical knowledge? In *Advancing Family Theories*, author James M. White addresses such difficult questions that have been longstanding issues within the field of family studies and examines these matters from a social science perspective. *Advancing Family Theories* explores two contemporary theories of the family-rational choice theory and transition theory. These diametrically different approaches illuminate what differing theories reveal about families. The book also discusses how meta-theories can assist in building and refining theory and offers insight on the understanding versus explanation debate. *Advancing Family Theories* gives students a precise notion of what a theory is and how theories work in research. The book not only looks at philosophical realms but also examines particular substantive theory to explain and predict family behaviors.

The Craft of Family Therapy - Salvador Minuchin 2021-04-15

This cutting-edge second edition of *The Craft of Family Therapy* revisits some of Salvador Minuchin's most famous cases, guiding trainee

therapists through basic techniques and ideas while illuminating the unique voice of Minuchin as the founder of Structural Family Therapy. The book begins by teaching readers the fundamentals of family therapy through the lens of rich commentary from Salvador Minuchin on some of his most interesting cases. It then moves on to three detailed supervision transcripts from Minuchin's former students, illustrating the struggles, fears, and insecurities that new family therapists face and how they can overcome them. In a new, ground-breaking third section, Reiter and Borda share their own lessons from Minuchin as well as expand his influential ideas, emphasizing a strength-based family therapy approach. Written in an accessible, practical style, *The Craft of Family Therapy*, 2nd edition draws on a wealth of fascinating case examples to bring Minuchin's theory and experience to today's family therapists and psychotherapists in practice and training.

Economics Does Not Lie - Guy Sorman 2011-02

In 2005, *The Woman at the Washington Zoo* was published to major critical acclaim. The late Marjorie Williams possessed "a special voice, one capable not just of canny political observations but of tenderness and bracing intimacy," observed the New York Times Book Review. Now, in a collection of profiles with the richness of short fiction, Williams limns the personalities that dominated politics and the media during the final years of the twentieth century. In these pages, Clark Clifford grieves "in his laborious baritone" a bank scandal's blow to his re-pu-taaaaay-shun. Lee Atwater likens himself to Ulysses and pleads, "tah me to the mast!" Patricia Duff sheds "precipitous tears" over her divorce from Ronald Perelman, resembling afterwards "a garden refreshed by spring rain." *Reputation* illuminates our recent past through expertly drawn portraits of powerful - and messily human - figures.

Fallen Angels - Walter Dean Myers 2013-11-07

Fallen Angels by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and is sent to fight in the Vietnam War. Perry and his platoon—Peewee, Lobel, Johnson, and Brunner—come face-to-face with the Vietcong, the harsh realities of war, and some dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Perry learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he'll never forget: the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, *Fallen Angels* has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, *Fallen Angels* "reaches deep into the minds of soldiers" and makes "readers feel they are there, deep in the heart of war." *Fallen Angels* has won numerous awards and honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. *Fallen Angels* was #16 on the American Library Association's list of the most frequently challenged books of 1990-2000 for its realistic depiction of war and those who fight in wars.

Genograms - Monica McGoldrick 1999

Widely used by both family therapists and family physicians, the genogram is a graphic way of organizing the mass of information gathered during a family assessment and finding patterns in the family system. This popular text, now updated and expanded, provides a standard method for constructing a genogram, doing a genogram interview, and interpreting the results. Both entertaining and instructive, *Genograms* is an ideal way to introduce all those involved in family treatment - family therapists, physicians, nurses, social workers, pastoral counselors, and trainees in these fields - to this essential assessment and intervention tool.

The Fragile Bond - Augustus Y. Napier, PhD 1990-03-14

Focusing on the author's own marriage and on a group of case studies, this book vividly illustrates the obstacles married couples face today and offers help in overcoming them.

The Crucible - Arthur Miller 2012-03-19

"*The Crucible*" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others

present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: * "Tragedy And The Common Man", an essay by Arthur Miller. * Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. * A few selected quotes of Arthur Miller.

The SAGE Encyclopedia of Marriage, Family, and Couples Counseling - Jon Carlson 2016-09-15

The SAGE Encyclopedia of Marriage, Family and Couples Counseling is a new, all-encompassing, landmark work for researchers seeking to broaden their knowledge of this vast and diffuse field. Marriage and family counseling programs are established at institutions worldwide, yet there is no current work focused specifically on family therapy. While other works have discussed various methodologies, cases, niche aspects of the field and some broader views of counseling in general, this authoritative Encyclopedia provides readers with a fully comprehensive and accessible reference to aid in understanding the full scope and diversity of theories, approaches, and techniques and how they address various life events within the unique dynamics of families, couples, and related interpersonal relationships. Key topics include: Assessment Communication Coping Diversity Interventions and Techniques Life Events/Transitions Sexuality Work/Life Issues, and more Key features include: More than 500 signed articles written by key figures in the field span four comprehensive volumes Front matter includes a Reader's Guide that groups related entries thematically Back matter includes a history of the development of the field, a Resource Guide to key associations, websites, and journals, a selected Bibliography of classic publications, and a detailed Index All entries conclude with Further Readings and Cross References to related entries to aid the reader in their research journey

Mastering Family Therapy - Salvador Minuchin 2006-10-13

A master class in family therapy--now updated with an additional ten years' case experience Few people have had as profound an impact on the theory and practice of family therapy as Salvador Minuchin. As one commentator put it, "Memories of his classic sessions have become the standard against which therapists judge their own best work." This new edition of the classic, Mastering Family Therapy, offers beginners and experienced practitioners alike the opportunity to learn the art and science of family therapy under this pioneering clinician and teacher. In elegant clinical interplays, Minuchin, his colleagues Wai-Yung Lee and George Simon, and eight advanced students provide answers to such critical questions as: * What does it take to master the art of family therapy? * How do I create an effective personal style? * How can I become an instrument for growth for troubled families? This updated Second Edition features: * An overview and critique of new models of treatment in the field, especially evidence-based models of family treatment * New case material highlighting the impact of societal context on families * Minuchin's conceptualization of a four-step process of family assessment, including how history can impact current family functioning A new and thoroughly revised version of the classic text, Mastering Family Therapy, Second Edition is essential reading for all those who practice, study, or teach family therapy.

The Saffron Kitchen - Yasmin Crowther 2007-08-28

In a powerful debut novel that moves between the crowded streets of London and the desolate mountains of Iran, Yasmin Crowther paints a stirring portrait of a family shaken by events from decades ago and worlds away. On a rainy day in London the dark secrets and troubled past of Maryam Mazar surface violently, with tragic consequences for her daughter, Sara, and her newly orphaned nephew. Maryam leaves her English husband and family and returns to the remote Iranian village where her story began. In a quest to piece their life back together, Sara follows her mother and finally learns the terrible price Maryam once had to pay for her freedom, and of the love she left behind. Set against the breathtaking beauty of two very different places, this stunning family drama transcends culture and is, at its core, a rich and haunting narrative about mothers and daughters.

Community - Peter Block 2009-09

This inspiring work explores various ways communities can emerge from the fragmentation that plagues modern society. Block examines a way of

thinking that creates an opening for authentic communities to exist, and details what each individual can do to make that happen.

The Family Interpreted - Deborah Anna Luepnitz 2002

This brilliantly argued, beautifully written book--now with a new introduction by the author--uses theories of feminist psychotherapy to present a new model of clinical psychotherapy.

Marriage and Family Therapy, Second Edition - Linda Metcalf, PhD, LPC-S, LMFT-S 2018-12-27

This text provides students of family therapy with a unique opportunity to understand and compare the inner workings of 14 traditional and non-traditional family therapy models. The book demonstrates, through innovative "guiding templates," how the different therapeutic models are applied in an actual family therapy situation. The second edition features a new chapter on neuroscience, new interviews with master therapists on topics such as LGBT families, EMDR and research, and coverage of ethical issues concerning electronic safety and telephonic therapy. Overviews of every model include history, views of change, views of the family, and the role of the therapist. Chapters on every model also provide responses to one, realistic case study with commentary and analysis by master therapists to illustrate how each one addresses the same scenario. Interviews with master therapists illustrate how each mode of therapy actually "works" and how therapists "do it." Print version of the book includes free, searchable, digital access to the entire contents! New to the Second Edition: Examines neuroscience and its role in family therapy New chapter on solution focused narrative therapy with families Includes enhanced coverage of self-care and mindfulness for the therapist Contains educator resources including instructor's manual, PowerPoint slides, and a test bank Updated references provide current developments in the field of marriage and family therapy Provides insight on submitting research articles for publication through an interview with a current journal editor Reports on current, revised ethical guidelines from the AAMFT Key Features: Provides a guiding template for each family therapy model from assessment through termination Describes a practice-oriented approach to family therapy Uses a single case study throughout the book where different approaches to therapy are applied by master therapists Introduces the theory, history, theoretical assumptions, techniques, and components of each model Includes numerous interviews, case study commentary, and analyses by master therapists

Generation to Generation - Edwin Friedman 2011-06-17

An acclaimed, influential work now available in paper for the first time, this bestselling book applies the concepts of systemic family therapy to the emotional life of congregations. Edwin H. Friedman shows how the same understanding of family process that can aid clergy in their pastoral role also has important ramifications for negotiating congregational dynamics and functioning as an effective leader. Clergy from diverse denominations, as well as family therapists and counselors, have found that this book directly addresses the dilemmas and crises they encounter daily. It is widely used as a text in courses on pastoral care, leadership, and family systems.

Family Therapy - Samuel T. Gladding 2014-09-18

For courses in Marriage and Family Counseling, Marital Therapy, and Family Therapy. Inviting, well-illustrated, and developmental in approach--a comprehensive look at the theory and practice of working with families. Considered the most thorough, well-written text in the field, Samuel T. Gladding's, Family Therapy: History, Theory, and Practice, give readers clear coverage of all aspects of working with couples and families from proven, evidence-based theories. In a user-friendly organization and writing style, it covers important background information on healthy and functional families and different types of families, and includes an overview of how individual and family life cycles intertwine. The basic processes involved in treating couples and families are made clear, before delving into a dozen theoretical ways of treating families. Thoroughly updated, the Sixth Edition of Family Therapy, includes an abundance of examples and case studies, new illustrations, more than 175 new references, helpful learning objectives at the beginning of each chapter, a new chart comparing the different therapies, and more.*User-friendly and well illustrated, this book is developmental in its approach to working therapeutically with families. *The practitioner-oriented focus shows how to work with different types of families. *Illustrations, diagrams, summaries, examples, case studies, and a glossary help readers understand and retain the main points in the text. *NEW Realigned chapters put new emphasis on some of the materials in former chapters.

The Family Crucible - Augustus Y. Napier 1987

Theory and Practice of Couples and Family Counseling - James Robert Bitter 2020-09-08

This introduction to couples and family counseling lays the foundation for student skill-building by encouraging the development of personal, professional, and ethical standards of practice. This third edition has been expanded to include couples counseling and updated to reflect recent research and current practice. Primary text features include a genogram delineating the history of the field; a comprehensive discussion of 13 widely used theories with real-life examples of quality work for each approach; a single, bicultural couple/family system case for comparison across models; and strategies for the integration and application of the models into clinical practice with diverse clients. To help readers apply the concepts they have learned, Dr. Bitter provides numerous illustrative examples, case studies, sample client dialogues, and exercises for personal and professional growth. *Requests for digital versions from ACA can be found on www.wiley.com. *To purchase print copies, please visit the ACA website here *Reproduction requests for material from books published by ACA should be directed to permissions@counseling.org

The Family Crucible - Augustus Y. Napier 1988-05-25

This extraordinary book presents scenarios of one family's therapy experience and explains what underlies each encounter. You will discover the general patterns that are common to all families—stress, polarization and escalation, scapegoating, triangulation, blaming, and the diffusion of identity—and you will gain a vivid understanding of the intriguing field of family therapy.

Children with Hearing Loss - David Luterman 2006-01

Written for parents, siblings and extended family members who want a better understanding of the impact hearing loss can have in their young loved one. Hearing loss in children can have more devastating effects than in adults because it can impair the ability to learn vocabulary, grammar, word order, idiomatic expressions and other aspects of verbal communication. This is a guide on how to address the most important educational issues and processes through the school years, including legal rights and legislation. It also addresses the profound emotional impact hearing loss can have on a child and how it can affect the entire family dynamic. Readers can even prevent some of the pitfalls common among families new to a child with hearing loss. This book also covers the latest technology available to these children, especially in the classroom, including assistive listening devices, hearing aids and cochlear implants and dispels myths associated with wearing amplified.

Family Crucible - Anthony J. Headley 2010-01-01

This book explores the life and ministry of John Wesley from the perspective of Murray Bowen's Extended Family Systems Theory and to a lesser extent from Alfred Adler's concept of family constellation. Throughout the book, the author uses concepts drawn from these theories to explore significant historical and pivotal events in the life of John Wesley. Beginning with family events prior to his birth, the author also explores his early family constellation, influential themes, factors shaping his ministry, and various relational issues, including his relationships with Sophy Hopkey, Grace Murray, and his marriage to Mary Vazeille. It concludes by drawing lessons from Wesley's life pertinent to today's ministers.

The Most Dangerous Game - Richard Connell 2020-04-21

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale "has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill" (*The Telegraph*).

"[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted." —*Criterion*

The Essentials of Family Therapy - Michael P. Nichols 2013-01-07

Illustrates family therapy techniques. With its clinical focus and extremely practical presentation, *The Essentials of Family Therapy*, 6/e examines the rich history, classic schools, and latest developments in family therapy. The sixth edition is edited to focus more on the contemporary clinical practice and case studies illustrating family therapy techniques. Written by a leading family therapist, descriptions of the various models are based on actual experience. Learning Goals Upon completing this book, readers will be able to: Utilize various family therapy techniques. Recognize the techniques of successful contemporaries in the field. Understand why research has failed to influence clinical practice.

Socioculturally Attuned Family Therapy - Teresa McDowell 2017-11-23

Socioculturally Attuned Family Therapy addresses the need for socially responsible couple, marriage, and family therapy that infuses diversity, equity, and inclusion throughout theory and clinical practice. The text begins with a discussion of societal systems, diversity, and socially just practice. The authors then integrate principles of societal context, power, and equity into the core concepts of ten major family therapy models, paying close attention to the "how to's" of change processes through a highly diverse range of case examples. The text concludes with descriptions of integrative, equity-based family therapy guidelines that clinicians can apply to their practice.

Beloved - Toni Morrison 2006-10-17

Winner of the Pulitzer Prize, Toni Morrison's *Beloved* is a spellbinding and dazzlingly innovative portrait of a woman haunted by the past. Sethe was born a slave and escaped to Ohio, but eighteen years later she is still not free. She has borne the unthinkable and not gone mad, yet she is still held captive by memories of Sweet Home, the beautiful farm where so many hideous things happened. Meanwhile Sethe's house has long been troubled by the angry, destructive ghost of her baby, who died nameless and whose tombstone is engraved with a single word: *Beloved*. Sethe works at beating back the past, but it makes itself heard and felt incessantly in her memory and in the lives of those around her. When a mysterious teenage girl arrives, calling herself *Beloved*, Sethe's terrible secret explodes into the present. Combining the visionary power of legend with the unassailable truth of history, Morrison's unforgettable novel is one of the great and enduring works of American literature.

Midnight Musings of a Family Therapist - Carl A. Whitaker 1989-01-01

Discusses the author's experiences over forty years of being a family psychotherapist

Johnny Tremain - Esther Forbes 1998

After injuring his hand, a silversmith's apprentice in Boston becomes a messenger for the Sons of Liberty in the days before the American Revolution.

Roots Of Psychotherapy - Carl A. Whitaker 2014-05-12

First published in 1994. This monograph proposes a scientific formulation of the art of psychotherapy. The recent recognition of this treatment process as a separate discipline makes imperative the understanding of its nature and the comprehension of those features common to all forms of psychotherapy, regardless of differences in technique or in school orientation. The book is divided into three sections: (1) *Foundation* deals with the relationship of psychotherapy to general biology, especially to growth and adaptation, and with the common features as well as the differences in the major approaches to psychotherapy; (2) *Process* presents a formulation of the essential phases and the dynamics of any psychotherapeutic relationship; and (3) *Techniques* presents some techniques which the authors have found useful in their own work as psychotherapists.
