101 Questions and Answers on the Eucharist - Giles Dimock 2006

In this book Giles Dimock answers some the most commonly asked questions about the Eucharist that have been posed to him in his preaching and teaching. He starts off with questions on the Jewish background of Eucharist and then examines the Last Supper and its theology in the light of the Paschal Mystery. Some of the other questions deal with transubstantiation, sacrifice, Real Presence, communion, and intercommunion. Fr. Dimock's answers are both practical and ecumenical. The questions range from the straightforward Why is the Eucharist called Holy Communion, What is Forty Hours, to the more involved What is said about the Eucharist in the Code of Canon Law? Father Dimock places the teaching of the Church on the Eucharist in conciliar and papal documentation. Here is a book, appropriately appearing at the culmination of the Year of the Eucharist, that will satisfy the spiritual as well as theological curiosity of college students and seminarians studying the Eucharist, as well as probing, informed lay people. +

Forming Deacons - William T. Ditewig 2010
Forming Deacons: Ministers of Soul and Leaven consists of essays by recognized leaders in diaconate formation, many of whom contributed to the preparation of the National Directory for the Formation, Ministry, and Life of Permanent Deacons in the United States, promulgated by the United States Conference of Catholic Bishops in 2004. While not a commentary on it, these essays take the National Directory as their reference point and foundation. Written from the multifaceted perspectives of pastors, deacons,

academics, and church officials--all of whom are directly involved in the formation of deacons--Forming Deacons offers valuable insights on the process of implementing in practical terms the theories presented in the National Directory. This book will be a valuable resource for bishops, their staffs, all those involved in the formation of deacons, and diaconate aspirants and candidates. +

101 Questions and Answers on the Four Last Things - Joseph T. Kelley 2006
Joseph Kelley has written a short, accessible, thorough introduction to, and overview of, Christian teaching on death, judgment, hell and heaven, called in theology the four last things. Presented in the popular 101 Questions format, this book shows how these four topics, also referred to as Christian eschatology, have their ancient roots in the sacred books of the Hebrew Scriptures, especially in the later writings known as apocalyptic literature. The New Testament receives and builds upon Jewish thought and piety, finding in Jesus Christ a new revelation about the meaning of death, the nature of judgment, and God's desire that all be saved and united through Christ in heaven. Kelley clearly presents the major theological ideas about the four last things that have emerged in Christian history, as well as the sacramental and pastoral practices surrounding death. Questions range from the simple What makes a cemetery Catholic? to Does the Church believe in reincarnation? to What do other religions say about judgment? and What does it mean to say that Jesus sits at God's right hand in heaven? This one-step guide to Catholic teaching on death, judgment, heaven, and hell is a one-of-

a-kind book and will make informative, fascinating reading for high school, college, and graduate courses in theology, religion, psychology, social work, counseling, and ministry, especially death and dying courses. Also, adult education and parish study groups on death and dying as well as Christian support groups for bereavement. +

Our Life of Service - Deacon Harold Burke-Sivers 2021-12-03

Whether you are seasoned from years of ministry or are just getting started living out the vows you made at ordination, this essential handbook will provide the spiritual and practical support you need as a Catholic deacon in the Church today. In *Our Life of Service*, international speaker and bestselling author Deacon Harold Burke-Sivers will inspire and uplift you as he and his brother deacons—including Greg Kandra, Larry Oney, Dominic Cerrato, and Thomas J. Fox—share their testimonies and insights about how to serve God with determination, faith, and vision. Burke-Sivers explains the gift of the diaconate as a living image of Christ the Servant in the world, a source of comfort and hope at a time when both are in short supply. Burke-Sivers explores the daily realities of life to answer important questions about the diaconate such as: What does the Church teach about the purpose of this ministry both within the parish and the world? How are the three key responsibilities of teaching, sanctifying, and leading entrusted to a deacon at ordination practiced in daily life? How does his commitment to his wife help a married deacon balance his duties to his family and ministry? What are practical strategies and solutions for the challenges deacons face, especially when conflicts arise within ministry? Burke-Sivers also calls for younger, more diverse groups of men who reflect on the face of the Church to become permanent deacons in order to bridge the gap between the Church and the world and to reach the unchurched. Each chapter contains questions for reflection, action steps, and prayers to help deacons strengthen their own commitment to their calling. Drawing from the writings of St. John Paul II and other ecclesial writings about the purpose and gift of the permanent diaconate, Burke-Sivers educates and inspires us to more fully appreciate this gift

and enriches and encourages those who have themselves answered this call. Written for deacons in active ministry, *Our Life of Service* is also inspiring reading for Catholics in the pew who are considering a call or who simply want to understand the purpose and gift of the permanent diaconate.

One Hundred One Questions and Answers on the Crusades and the Inquisition - John Vidmar 2013

The Crusades and the Inquisition, two separate historical events, are more closely related than most people realize. It is no accident that the Inquisition followed quickly on the heels of the Crusades, just as it is no coincidence that the Crusades as well as the Inquisition have been greatly misunderstood over the centuries, with popular historians focusing on and, indeed, exaggerating the "atrocities" committed by Christian armies and Inquisitors. Recent research has reversed many of these misconceptions, and the results will be enlightening to anyone curious about this much-disputed period in Christian history. In this unique book, which combines discussion of both events and shows how they are related, Fr. John Vidmar, OP, offers a magisterial synthesis of the latest research and brings his own extensive knowledge as a historian of this era to provide an accessible, eminently readable book that will be indispensable to students and average readers alike.

The deacon's exercise of charity and justice extends the loving hand of God's constant love and mercy to all who are in need. The Vatican's Congregation for Catholic Education has called this work "the ministry most characteristic of the deacon." In *The Deacon's Ministry of Charity and Justice*, Deacon William Ditewig focuses on this ministry as a constitutive element of the nature of the Church itself—always flowing from the ministries of Word and Sacrament and leading back to them, never apart from them. Along with a rich exploration of the scriptural, historical, and theological foundation of the deacon's practice of charity and justice, Deacon Ditewig—one of today's foremost experts on the permanent diaconate—develops specific and

concrete principles for exercising these ministries faithfully, authentically, and effectively. The Deacon's Ministry series explores the three fundamental diaconal ministries identified in the teaching of Vatican II: those of the liturgy, of the word, and of charity to the people of God (Lumen Gentium 29). This series, written by three highly regarded permanent deacons, offers a rich combination of theology, spirituality, and practical and effective guidance. Deacons and those in diaconal formation, their families, the bishops and priests they work with, and the people they serve will welcome it.

Father Joe - Tony Hendra 2005-05-31

A key comic writer of the past three decades has created his most heartfelt and hard-hitting book. Father Joe is Tony Hendra's inspiring true story of finding faith, friendship, and family through the decades-long influence of a surpassingly wise Benedictine monk named Father Joseph Warrillow. Like everything human, it started with sex. In 1955, fourteen-year-old Tony found himself entangled with a married Catholic woman. In Cold War England, where Catholicism was the subject of news stories and Graham Greene bestsellers, Tony was whisked off by the woman's husband to see a priest and be saved. Yet what he found was a far cry from the priests he'd known at Catholic school, where boys were beaten with belts or set upon by dogs. Instead, he met Father Joe, a gentle, stammering, ungainly Benedictine who never used the words "wrong" or "guilt," who believed that God was in everyone and that "the only sin was selfishness." During the next forty years, as his life and career drastically ebbed and flowed, Tony discovered that his visits to Father Joe remained the one constant in his life—the relationship that, in the most serious sense, saved it. From the fifties and his adolescent desire to join an abbey himself; to the sixties, when attending Cambridge and seeing the satire of *Beyond the Fringe* convinced him to change the world with laughter, not prayer; to the seventies and successful stints as an original editor of *National Lampoon* and a writer of *Lemmings*, the off-Broadway smash that introduced John Belushi and Chevy Chase; to professional disaster after co-creating the legendary English series *Spitting Image*; from drinking to drugs, from a failed first marriage to a successful second and the miracle of parenthood—the years only deepened Tony's need for the wisdom of his other and more real father, creating a bond that could not be broken, even by death. A startling departure for this acclaimed satirist, Father Joe is a sincere account of how Tony Hendra learned to love. It's the story of a whole generation looking for a way back from mockery and irony, looking for its own Father Joe, and a testament to one of the most

charismatic mentors in modern literature.

The Church in the Making - Richard R. Gaillardetz 2006

Vatican II has become a place-marker in the ecclesiastical and ideological geography of contemporary Catholicism. Yet forty years later, few who refer to the council and its teachings, whether with approval or criticism, demonstrate a solid grasp of those teachings. Even fewer are aware of the important debates that have taken place in the past four decades regarding the council's authentic reception and implementation of its documents.

Understanding the Diaconate - W. Shawn McKnight 2018-07-13

What is a deacon? More than fifty years since the restoration of the permanent diaconate by the Second Vatican Council, the office of deacon is still in need of greater specificity about its purpose and place within the mission and organizational structure of the Church. While the Church is more than a social reality, the Church nonetheless has a social reality. Our understanding of the diaconate therefore benefits from a theological discussion of the divine element of the Church and a sociological examination of the human element.

Understanding the Diaconate adds the resources of sociology and anthropology to the theological

sources of scripture, liturgy, patristic era texts, theologians, and magisterial teachings to conclude that the deacon can be understood as "social intermediary and symbol of *communitas*" who serves the participation of the laity in the life and mission of the Church. This research proposes the deacon as a servant of the bond of communion within the Church (facilitating the relationship between the bishop/priest and his people), and between the People of God and the individual in need. Thus authentic diaconal ministry includes a vast array of many concrete contexts of pastoral importance where one does more than simply serve at Mass.
