Don't Drown a Dead Duck - Nicole Gommers 2020-07-23

Leading Dutch lawyer Marry de Gaay Fortman shares her experiences as a woman at the top of a man's world, and her advice on how to make connections in order to be more successful, decisive and innovative. In this book, Marry warns us not to 'drown a dead duck'. In other words: don't waste energy on a negative situation. Drawing on her time in boardrooms and courtrooms, Marry describes with panache how she has learned to avoid 'dead ducks' by learning the art of gentle effectiveness. Hers is a personal story that will inspire any reader who is reaching for their professional goals. With a foreword by Russell Shorto, bestselling author of Amsterdam.

Not Yet Drown'd: A Novel - Peg Kingman 2010-03-01

"Mysterious, intriguing, and just downright absorbing ... smart and full of atmosphere."—Boston Globe Catherine MacDonald is astonished to receive from her twin brother—who had apparently drowned a year earlier in the monsoon floods of 1821—a kashmiri shawl, a caddy of unusual tea, and a sheaf of traditional bagpipe music in his handwriting. When had he sent it? And why had he retitled a certain tune "Not Yet Drown'd"? Irresistibly, she is drawn to India to search for answers. With her stepdaughter and their two maids—one an enigmatic Hindu, the other a runaway American slave—she follows an obscure trail of tea, opium, and bagpipe music, discovering unsuspected truths about the man she is seeking. Reading group guide included.

Learning Not to Drown - Anna Shinoda 2019-05-07

"Anna Shinoda's deeply informed story is not to be missed." —Dr. Drew Pinsky, *Celebrity Rehab* and *Teen Mom* Family secrets cut to the bone in this mesmerizing debut novel about a teen whose drug-addicted brother is the prodigal son one time too many. There is a pecking order to every family. Seventeen-year-old Clare is the overprotected baby; Peter is the typical, rebellious middle child; and Luke is the can't-do-wrong favorite. In their eyes, they are a normal, happy family. But sometimes it's the people who are closest to us who are the hardest to see. Clare loves her older brother, Luke—it's not his fault that he's always in the wrong place at the wrong time. Life as Luke's sister hasn't been easy—their community hasn't been nearly as forgiving of his transgressions as she and her parents are—but he's done his time and is on his way home again, and she has to believe this time will be different. But when the truths behind his arrests begin to surface, everything Clare's always known is shaken to its core. Clare has to decide if sticking up for herself and her future means selfishly turning her back on family...or if it's the only way to keep herself from drowning along with them.

Drown - Junot Díaz 1997-07-01

From the beloved and award-winning author Junot Díaz, a spellbinding saga of a family's journey through the New World. A coming-of-age story of unparalleled power, *Drown* introduced the world to Junot Díaz's exhilarating talents. It also introduced an unforgettable narrator—Yunior, the haunted, brilliant young man who tracks his family's precarious journey from the barrios of Santo Domingo to the tenements of industrial New Jersey, and their epic passage from hope to loss to something like love. Here is the soulful, unsparing book that made Díaz a literary sensation.

Drowned - Therese Bohman 2012-05-22

Drowned, set in the idyllic countryside during a short-lived Swedish summer, gets under one's skin from the first page, creating an atmosphere of foreboding in which even the perfume of freshly picked vegetables

roasting in the kitchen becomes ominous. Marina has left behind her stalled relationship and floundering career in Stockholm to visit her sister in rural Skåne, where she lives in a house full of books, gorgeous flowers and, as Marina soon learns, many secrets. Nothing is as it seems in this spellbinding novel of psychological suspense that combines hothouse sensuality with ice-cold fear on every page. More than a mere thriller, this debut novel delves deep into the feminine soul and at the same time exposes the continuing oppression of women in Sweden's supposedly enlightened society. Mixing hothouse sensuality with ice-cold fear on every page, *Drowned* heralds the emergence of a major new talent on the international scene.

He Drown She in the Sea - Shani Mootoo 2006-06-09

"A classic Romeo and Juliet love story" spanning decades from the World War II Caribbean to modern-day Vancouver (The Washington Post Book World). At the dawn of the Second World War on the island of Guanagaspar, Harry, the son of a widowed maid, and Rose, the daughter of his mother's well-to-do employer, are inseparable as children. Blissfully unaware, they form a connection that knows nothing of race or class hierarchies defining their society. Then one night, after American troops occupy Guanagaspar, their deep friendship is exposed and severed. When Harry and Rose meet again in Canada years later, the gulf separating them is not so apparent. As a passion long repressed is rekindled, Rose takes it upon herself to reroute their destinies. A "transcendent tale of souls wounded by circumstance and rehabilitated by love" (Booklist, starred review), *He Drown She in the Sea* is a lyrical, sensuous, and suspenseful story about the origins of desire and the sacrifice and euphoria that come with defying the life one is born into. With a "narrative pacing verg[ing] on genius . . . The worlds revealed are lush and brilliant. The journey is delightful" (Edmonton Journal).

The Drowning Season - Alice Hoffman 2002-07-02

The New York Times bestselling author of *The Rules of Magic* presents a "stunning and hypnotic" novel that "interweaves past and present with piercing images and unfailing energy" (Publishers Weekly). On a secluded waterfront estate on the North Shore of Long Island, a matriarch named Esther rules over her clan. But in spite of her sharp tongue and manipulative ways, she cannot quite keep control over her charges. Her son, Philip, routinely tries to drown himself each summer; her granddaughter sneaks cigarettes and dreams of escape. Esther has hired Cohen, a Russian landscaper, to watch over the family as well as the grounds. But Cohen has been watching Esther as well. And his love for her is growing wild enough to uproot them all...

What if we Drown - Sarah Sprinz 2020-10-30

The Pathophysiology and Treatment of Drowning and Near-drowning - Jerome H. Modell 1971

Drown Her Sorrows - Melinda Leigh 2021-03-16

A Wall Street Journal bestseller. Sheriff Bree Taggart is blindsided by a killer's devious plan in number one Amazon Charts and Wall Street Journal bestselling author Melinda Leigh's novel of escalating shock and suspense. When Sheriff Bree Taggart discovers the body of a young woman floating near the bank of the Scarlet River, a note in her abandoned car suggests suicide. The autopsy reveals a different story. Holly Thorpe was dead long before she dropped off the bridge and hit the water. As Bree and her investigator

Matt Flynn delve into the case, secrets in Holly's personal life complicate their efforts to solve the murder. Holly left behind a volatile marriage, an equally divisive relationship with her sister, and an employer whose intimate involvement with Holly was no secret. Each one has a motive for murder. When Holly's sister is terrorized by a stalker's sick prank, and the prime suspect turns up dead, everything Bree was sure of is upended and her case goes off the rails. When the killer strikes close to home, Bree and Matt must race to solve the murders before one of their own becomes the next victim.

[Saving Fish from Drowning](#) - Amy Tan 2006-09-26

"A rollicking, adventure-filled story . . . packed [with] the human capacity for love." -USA Today "A superbly executed, good-hearted farce that is part romance and part mystery . . . With Tan's many talents on display, it's her idiosyncratic wit and sly observations . . . that make this book pure pleasure." -San Francisco Chronicle San Francisco art patron Bibi Chen has planned a journey of the senses along the famed Burma Road for eleven lucky friends. But after her mysterious death, Bibi watches aghast from her ghostly perch as the travelers veer off her itinerary and embark on a trail paved with cultural gaffes and tribal curses, Buddhist illusions and romantic desires. On Christmas morning, the tourists cruise across a misty lake and disappear. With picaresque characters and mesmerizing imagery, *Saving Fish from Drowning* gives us a voice as idiosyncratic, sharp, and affectionate as the mothers of *The Joy Luck Club*. Bibi is the observant eye of human nature—the witness of good intentions and bad outcomes, of desperate souls and those who wish to save them. In the end, Tan takes her readers to that place in their own heart where hope is found. "Amy Tan is among our great storytellers." -The New York Times Book Review "Amy Tan has created an almost magical adventure that, page by page, becomes a metaphor for human relationships." -Isabel Allende "With humor, ruthlessness, and wild imagination, Tan has reaped [a] fantastic tale of human longings and (of course) their consequences." -Elle "A book that's easy to read and hard to forget." -Newsweek

God's Revenge Against Murder, Or, The Drown'd Wife - Mason Locke Weems 1823

Land of Love and Drowning - Tiphonie Yanique 2015-07-21

A critically acclaimed debut from an award-winning writer—an epic family saga set against the magic and the rhythms of the Virgin Islands. In the early 1900s, the Virgin Islands are transferred from Danish to American rule, and an important ship sinks into the Caribbean Sea. Orphaned by the shipwreck are two sisters and their half brother, now faced with an uncertain identity and future. Each of them is unusually beautiful, and each is in possession of a particular magic that will either sink or save them. Chronicling three generations of an island family from 1916 to the 1970s, *Land of Love and Drowning* is a novel of love and magic, set against the emergence of Saint Thomas into the modern world. Uniquely imagined, with echoes of Toni Morrison, Gabriel García Márquez, and the author's own Caribbean family history, the story is told in a language and rhythm that evoke an entire world and way of life and love. Following the Bradshaw family through sixty years of fathers and daughters, mothers and sons, love affairs, curses, magical gifts, loyalties, births, deaths, and triumphs, *Land of Love and Drowning* is a gorgeous, vibrant debut by an exciting, prizewinning young writer.

[The Drowning House](#) - Elizabeth Black 2013-10-08

Mourning for her daughter and her crumbling marriage, photographer Clare Porterfield returns to her childhood home in Galveston, Texas, hoping to find distraction in mounting an exhibition featuring the island's vivid history. Things haven't changed much during her decade away: her relationship with her mother and older sister is still fraught and competitive, and their neighbors, the Carradays, wield the same moneyed influence they have for generations. But Clare finds that she is now an outsider, out of step with the unique rhythms of Galveston life. As she copes with her grief by digging deeper into the past, she discovers secrets that have grown and multiplied like the wildflowers that climb up Island walls and fences—secrets that will give her a new understanding of her own history.

The Drowned Book - Coleman Barks 2009-10-13

The Lost Words of the Sufi Master and Father of Rumi Bahauddin, Rumi's father, was not only a major force in the development of Islamic spirituality, but also a deeply influential force in his son's life. In this, the first ever substantial English version of a wonderful but virtually unknown book, Bahauddin proves to be a

daring, spiritual genius. His voice comes through the delightful, passionate craft of Coleman Barks, who transforms the Persian translations of John Moyné into fresh spiritual literature.

[If You Don't Make Waves, You'll Drown](#) - Dave Anderson 2013-05-21

This is not your typical business book. You won't find academic remedies to your business challenges or exhortations to create a warmer and fuzzier workplace. In fact, you'll find the opposite—tips on how to be a tougher, take-no-prisoners-style manager. It's time to stop letting workplace political correctness push you around and get serious about your business. In *If You Don't Make Waves, You'll Drown*, Dave Anderson doesn't pull any punches. Offering simple wisdom and politically incorrect solutions that really work, he's not here to inspire you, but to taunt you into action. He shows you how to be more direct without being disrespectful; how to give honest feedback even when it hurts; and how to hold employees accountable for results. In short, you'll learn how to get the most out of your business. Want more politically incorrect wisdom? Tenure is a license for laziness. Diversity without competence is worthless. Don't trade your values for valuables. Political correctness is a disease that destroys the workplace. It's time to fight back!

[Drowned](#) - Nichola Reilly 2014

Struggling with a physical disability on a harsh and unwelcoming island that is subject to strong tides, Coe is unexpectedly invited into the privileged circle of royal aides attending a dying king who is keeping secret that will change their world forever. *Simultaneous eBook*.

The Drowned Vault (Ashtown Burials #2) - N. D. Wilson 2013-08-06

Fans of both Percy Jackson and Indiana Jones will be captivated by the lost civilizations, ancient secrets, and buried treasure found in the second book of the *Ashtown Burials* series, action-packed adventure by N. D. Wilson, the author of *Leepike Ridge* and the *100 Cupboards* trilogy. It's been almost a year since Cyrus and Antigone Smith earned their places as Journeymen at Ashtown, home of an ancient order of explorers that has long guarded the world's secrets and treasures. While their studies go well, Cy and Tigs are not well liked since losing the Dragon's Tooth to the nefarious Dr. Phoenix. The Tooth is the only object in the world capable of killing the long-lived transmortals, and Phoenix has been tracking them down one-by-one, and murdering them. The surviving transmortals, led by legendary warrior Gilgamesh of Uruk, descend on Ashtown in force, demanding justice. Cy and Tigs find themselves on the run in a desperate search to locate Phoenix and regain the Tooth. In the process, they uncover an evil even more dangerous than Phoenix, one that has been waiting for centuries to emerge.

Men Who Wish to Drown - Elizabeth Fama 2012-08-28

From the Falmouth Historical Society Collection Cited as the only extant firsthand record of a mermaid encounter in New England waters, this deathbed letter from a great-grandfather to his great-grandson is more likely an instructive fiction—a parable of regret. Supposedly corroborating the mermaid story, a ship's log (in the collections of the Provincetown Historical Museum) of the schooner *Hannah*, which plucked Mr. Stanton from South Weepecket in 1788, indicates that the crew saw two figures on the island prior to his rescue, but failed to locate a second victim. However, regarding accuracy and reliability, this is the same crew, under Captain John Merriweather, that reported sightings of a ghost ship and not one, but two sea monsters. ~~James S. Rucker, Archivist, Family Collections, Falmouth Historical Society, 1924 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Drowned Maiden's Hair - Laura Amy Schlitz 2010-03-02

"People throw the word 'classic' about a lot, but *A Drowned Maiden's Hair* genuinely deserves to become one." — Wall Street Journal Maud Flynn is known at the orphanage for her impertinence, so when the charming Miss Hyacinth and her sister choose Maud to take home with them, the girl is as baffled as anyone. It seems the sisters need Maud to help stage elaborate séances for bereaved, wealthy patrons. As Maud is drawn deeper into the deception, playing her role as a "secret child," she is torn between her need to please and her growing conscience -- until a shocking betrayal makes clear just how heartless her so-called guardians are. Filled with tantalizing details of turn-of-the-century spiritualism and page-turning suspense, this lively historical novel features a winning heroine whom readers will not soon forget.

Into this River I Drown - TJ Klune 2019

Five years ago, Benji Green lost his beloved father, Big Eddie, who drowned when his truck crashed into a river. All called it an accident, but Benji thought it more. However, even years later, he is buried deep in his grief, throwing himself into taking over Big Eddie's convenience store in the small town of Roseland, Oregon. Surrounded by his mother and three aunts, he lives day by day, struggling to keep his head above water. But Roseland is no ordinary place. With ever-increasing dreams of his father's death and waking visions of feathers on the surface of a river, Benji's definition of reality is starting to bend. He thinks himself haunted, but whether by ghosts or memories, he can no longer tell. It's not until the impossible happens and a man falls from the sky and leaves the burning imprint of wings on the ground that he begins to understand that the world around him is more mysterious than he could have possibly imagined. It's also more dangerous, as forces beyond anyone's control are descending on Roseland, revealing long hidden truths about friends, family, and the man named Calliel who Benji is finding he can no longer live without. The Drowned and the Saved - Primo Levi 2017-06-20

In his final book before his death, Primo Levi returns once more to his time at Auschwitz in a moving meditation on memory, resiliency, and the struggle to comprehend unimaginable tragedy. Drawing on history, philosophy, and his own personal experiences, Levi asks if we have already begun to forget about the Holocaust. His last book before his death, Levi returns to the subject that would define his reputation as a writer and a witness. Levi breaks his book into eight essays, ranging from topics like the unreliability of memory to how violence twists both the victim and the victimizer. He shares how difficult it is for him to tell his experiences with his children and friends. He also debunks the myth that most of the Germans were in the dark about the Final Solution or that Jews never attempted to escape the camps. As the Holocaust recedes into the past and fewer and fewer survivors are left to tell their stories, *The Drowned and the Saved* is a vital first-person testament. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.

A Woman Named Drown - Padgett Powell 2013-09-10

Hailed by Time as an "extravagantly comic" novel, *A Woman Named Drown* is a wild and strange journey through America's South that follows a young PhD dropout who falls in with an amateur actress-cum-pool shark. On the brink of earning his doctorate in chemistry, the unnamed narrator decides to chuck it all away in favor of real life. So begins an odd pilgrimage through the American South. In Tennessee, our hero is bewitched by an older, gin-swilling, pool-playing sometimes-actress who claims to have recently starred in a theatrical production about a "woman named Drown." He moves in with her and just as quickly begins encountering her strange compatriots. Before he knows it, they're heading farther south together—to Florida—where the data that the dropout scientist is collecting from life's laboratory is about to get quite contradictory. Richly influenced by offbeat literary giant Donald Barthelme, Padgett Powell's *A Woman Named Drown* offers readers a smorgasbord of literary strangeness—a surreal series of adventures in which nothing much—and yet everything—happens at once.

God Will Save a Sinner - While Allowing a Saint to Drown - Ronald Shirley 2012-08

God Will Save A Sinner - While Allowing A Saint To Drown is a collection of religious poems combing the

lives of men and women within and outside the walk with God. For this is how life will always flow until life will be no more. That's why in God Jehovah and Jesus Christ I have belief. Because after I am taken away, I know with them there is another way.

Drowning by Accident - Elizabeth Meinhard 2022-02-15

Drowning By Accident explains why it is so easy to drown, where accidents happen, and how to save lives by early rescue and resuscitation. More than 600 people die by drowning in Britain every year. Swimming is promoted as a particularly safe form of exercise, so that swimmers forget or ignore the dangers of frigid lakes, swollen rivers, incoming tides or outgoing rip currents. Drowning accidents take place because we don't recognise water as a hostile environment. We overestimate the strength and endurance of our bodies and underestimate the power and deceptiveness of water. Year after year, victims lose their lives in typical drowning accidents, often sinking so quickly and silently that nearby family, friends and onlookers fail to notice the tragedy taking place close beside them. Babies drown in baths. Toddlers drown in garden ponds. School children fall off rafts. Teenagers strike too far from the shore. Pensioners wade into rivers to save their dogs. Victims often die within minutes of sinking beneath the surface. A quarter of those who reach hospital alive will also die, while others survive with severe permanent brain damage. This means that it is vitally important for parents, grandparents, teachers, lifeguards and lawmakers to recognise the risks and prevent drowning accidents before they take place.

How Not to Drown in a Glass of Water - Angie Cruz 2022-09-13

From GMA BOOK CLUB PICK and WOMEN'S PRIZE FINALIST Angie Cruz, author of *Dominicana*, an electrifying new novel about a woman who has lost everything but the chance to finally tell her story. A MOST ANTICIPATED BOOK (The Washington Post, The TODAY Show, Real Simple, The Millions, LitHub, PopSugar, Ms. Magazine, and more) "One of my FAVORITE BOOKS I have read in years." —Quiara Alegria Hudes, Pulitzer Prize-winning playwright and screenwriter of *In the Heights* "An endearing portrait of a FIERCE, FUNNY woman." —The Washington Post Write this down: Cara Romero wants to work. Cara Romero thought she would work at the factory of little lamps for the rest of her life. But when, in her mid-50s, she loses her job in the Great Recession, she is forced back into the job market for the first time in decades. Set up with a job counselor, Cara instead begins to narrate the story of her life. Over the course of twelve sessions, Cara recounts her tempestuous love affairs, her alternately biting and loving relationships with her neighbor Lulu and her sister Angela, her struggles with debt, gentrification and loss, and, eventually, what really happened between her and her estranged son, Fernando. As Cara confronts her darkest secrets and regrets, we see a woman buffeted by life but still full of fight. Structurally inventive and emotionally kaleidoscopic, *How Not to Drown in a Glass of Water* is Angie Cruz's most ambitious and moving novel yet, and Cara is a heroine for the ages.

Drowning Ruth - Christina Schwarz 2001-07-31

"POWERFUL . . . SUSPENSEFUL . . . RICHLY TEXTURED . . . [A] CHILLING, PRECOCIOUSLY GOOD START TO A BRIGHT NEW NOVELIST'S CAREER." —The New York Times "[A] gripping psychological thriller . . . In the winter of 1919, a young mother named Mathilda Neumann drowns beneath the ice of a rural Wisconsin lake. The shock of her death dramatically changes the lives of her daughter, troubled sister, and husband. . . . Told in the voices of several of the main characters and skipping back and forth in time, the narrative gradually and tantalizingly reveals the dark family secrets and the unsettling discoveries that lead to the truth of what actually happened the night of the drowning. . . . Schwarz certainly succeeds at keeping the reader engrossed." —FRANCINE PROSE *Us Weekly* "DEFT AND ASSURED . . . [WITH] STRONG CHARACTERS AND A PLOT LONG ON TENSION AND SURPRISES." —Time "A strong sense of portent and unusually vivid characters distinguish this mesmerizing first novel about horrifying family secrets and nearly annihilating guilt. *Drowning Ruth* is a complex and rewarding debut." —ANITA SHREVE Author of *The Pilot's Wife* "RIVETING . . . A VERY SUSPENSEFUL TALE, ONE THAT WILL KEEP READERS UP SHIVERING IN THE NIGHT." —USA Today

Strangers Drowning - Larissa MacFarquhar 2016-09-27

What does it mean to devote yourself wholly to helping others? In *Strangers Drowning*, Larissa MacFarquhar seeks out people living lives of extreme ethical commitment and tells their deeply intimate stories; their stubborn integrity and their compromises; their bravery and their recklessness; their joys and defeats and wrenching dilemmas. A couple adopts two children in distress. But then they think: If they can change two lives, why not four? Or ten? They adopt twenty. But how do they weigh the needs of unknown children in distress against the needs of the children they already have? Another couple founds a leprosy colony in the wilderness in India, living in huts with no walls, knowing that their two small children may contract leprosy or be eaten by panthers. The children survive. But what if they hadn't? How would their parents' risk have been judged? A woman believes that if she spends money on herself, rather than donate it to buy life-saving medicine, then she's responsible for the deaths that result. She lives on a fraction of her income, but wonders: when is compromise self-indulgence and when is it essential? We honor such generosity and high ideals; but when we call people do-gooders there is skepticism in it, even hostility. Why do moral people make us uneasy? Between her stories, MacFarquhar threads a lively history of the literature, philosophy, social science, and self-help that have contributed to a deep suspicion of do-gooders in Western culture. Through its sympathetic and beautifully vivid storytelling, *Strangers Drowning* confronts us with fundamental questions about what it means to be human. In a world of strangers drowning in need, how much should we help, and how much can we help? Is it right to care for strangers even at the expense of those we are closest to? Moving and provocative, *Strangers Drowning* challenges us to think about what we value most, and why.

How Not to Drown - Jaimee Wriston 2021-05-11

From WILLA Literary Award-winning author Jaimee Wriston comes a novel for fans of Jami Attenberg and Elizabeth Strout about a former model whose undisciplined granddaughter turns her fastidious, controlled life upside down, forcing her to confront what she values. Amelia MacQueen has lost her favorite son, Gavin, to a suspicious drowning, for which her daughter-in-law has been convicted. She's been awarded temporary custody of Gavin and Cassie's twelve-year-old daughter, Heaven, a name that makes Amelia cringe. Reluctantly, she takes Heaven in, but asks the girl to call her Grandmelia instead of Grandma, a name that doesn't make Amelia feel quite so old. The daughter of drug addicts, who has long been left to her own devices, Heaven does not appreciate her grandmother's constant ministrations, and the pair quickly butt heads. She instead bonds with Uncle Daniel, Amelia's older, agoraphobic son, who never leaves his bedroom. Through the wall between their rooms, Daniel spins Celtic tales for Heaven from the Isle of Skye, where the family's ancestors lived, including fifteen-year-old Maggie, who mysteriously disappeared crossing the Atlantic many years ago. Heaven decides that the best way to deal with bullying at school is to become a siren from one of Uncle Daniel's stories. She sings "drowning songs" in the swim team pool, luring mean girl Bethany Harrison under at the deep end. Then, Amelia comes home one day to find her granddaughter serving Oreos to the cops who picked her up for "snaking" junk food from the neighborhood. As much as Amelia loved Gavin, Heaven is the last thing Amelia would have asked for, but

when Heaven goes missing during a dangerous storm one night, Amelia is forced to reexamine her outlook on family. In vivid prose, Jaimee Wriston tells a wry multi-generational tale of redemption, exploring the bonds that make and break a family and the transformative power of storytelling.

Turn Around Don't Drown - Carolyn O'Brien**The Drowning Eyes** - Emily Foster 2016-01-12

When the Dragon Ships began to tear through the trade lanes and ravage coastal towns, the hopes of the archipelago turned to the Windspeakers on Tash. The solemn weather-shapers with their eyes of stone can steal the breeze from raiders' sails and save the islands from their wrath. But the Windspeakers' magic has been stolen, and only their young apprentice Shina can bring their power back and save her people. Tazir has seen more than her share of storms and pirates in her many years as captain, and she's not much interested in getting involved in the affairs of Windspeakers and Dragon Ships. Shina's caught her eye, but that might not be enough to convince the grizzled sailor to risk her ship, her crew, and her neck. PRAISE FOR THE DROWNING EYES "The Drowning Eyes is a magic- and wind-filled adventure, peopled with excellent and strong characters. The story made me want to sail the coastline on a boat of my own and see if I could call up a storm. In Emily Foster's debut novella, apprentice Windspeaker Shina must return her people's power to them before the Dragon Ships destroy everything . . . unless Shina destroys it by accident first. So vividly rendered, you'll be tempted to wash the salt-spray from your clothing after reading *The Drowning Eyes*." - Fran Wilde, author of *Updraft* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Drown - Daryl Leonardo 2020-12-04

A story told from two perspectives: Erik is a religious boy who begins to question his sexuality and beliefs after he is propositioned by a male classmate. Nicholas is an attractive, though somewhat self-absorbed, young man whose life is uprooted when his mother announces her bitter divorce from his father. When the two boys meet, things become increasingly complicated as they strike up a friendship, which quickly develops into something neither party can be certain of.

We, the Drowned - Carsten Jensen 2011

Follows a century in the port town of Marstal on an island off the coast of Denmark, whose citizens' lives are indelibly shaped by forces ranging from wars and shipwrecks to taboo survival practices and forbidden passions.

Summary: If You Don't Make Waves You'll Drown - BusinessNews Publishing 2013-02-15

The must-read summary of Dave Anderson's book: "If You Don't Make Waves You'll Drown: 10 Hard-Charging Strategies for Leading in Politically Correct Times". This complete summary of the ideas from Dave Anderson's book "If You Don't Make Waves You'll Drown" shows that political correctness is draining the health and vitality out of many businesses because it encourages managers to patronise weak performers, thus dis-incentivising employees to achieve more. It also praises conformity rather than

innovation. Instead, companies should create an environment where high-performance is celebrated and exceptional results are applauded. This summary puts forward a radical program to get the full potential of every employee. It suggests that executives stop trying to make everyone happy: always treat people with respect, but give them expectations and celebrate those who meet those expectations. Always be honest with people, and be specific in your feedback. Never give across the board bonuses: they should be performance-based. Think about your own role as a thermostat rather than a thermometer - you should be controlling the business environment, not passively standing by. Ideally, business processes should be

structured to avoid burnout, so that you don't sacrifice long-term productivity for short-term speed. This summary sets out a manifesto for improving company performance and increasing morale. By following this plan, employees will be motivated to perform better and will reap benefits themselves. Added-value of this summary: • Save time • Understand the key concepts • Increase your business knowledge To learn more, read "If You Don't Make Waves You'll Drown" and motivate your employees to increase the performance of your business.
