Hemlock - Kathleen Peacock 2012-05-08

Fans of Maggie Stiefvater and the hit television show True Blood will flock to this first book in the supernatural mystery series set in a town where werewolves live in plain sight. Mackenzie

Dobson's life has been turned upside down since she vowed to hunt her best friend Amy's killer: a white werewolf. Lupine syndrome—also known as the werewolf virus—is on the rise across the country, and bloodlust is not easy to control. But it soon becomes clear that dangerous secrets are lurking in the shadows of Hemlock, Mac's hometown—and she is thrown into a maelstrom of violence and betrayal that puts her in grave danger. Kathleen Peacock's thrilling debut novel provides readers with a mystery that Kimberly Derting, author of *The Body Finder*, calls "clever and frightening," while Sophie Jordan, New York Times bestselling author of *Firelight*, raves: "Forget every werewolf book you've ever read. This one breaks the mold."

The Patient Assassin - Anita Anand 2019-06-25
The dramatic true story of a celebrated young survivor of a 1919 British massacre in India, and his ferocious twenty-year campaign of revenge that made him a hero to hundreds of millions—and spawned a classic legend. When

Sir Michael O'Dwyer, the Lieutenant Governor of Punjab, ordered Brigadier General Reginald Dyer to Amritsar, he wanted Dyer to bring the troublesome city to heel. Sir Michael had become increasingly alarmed at the effect Gandhi was having on his province, as well as recent demonstrations, strikes, and shows of Hindu-Muslim unity. All these things, to Sir Michael, were a precursor to a second Indian revolt. What happened next shocked the world. An unauthorized gathering in the Jallianwallah Bagh in Amritsar in April 1919 became the focal point for Sir Michael's law enforcers. Dyer marched his soldiers into the walled garden, blocking the only exit. Then, without issuing any order to disperse, he instructed his men to open fire, turning their guns on the thickest parts of the crowd, filled with over a thousand unarmed men, women, and children. For ten minutes, the soldiers continued firing, stopping only when they ran out of ammunition. According to legend, eighteen-year-old Sikh orphan Udham

Singh was injured in the attack, and remained surrounded by the dead and dying until he was able to move the next morning. Then, he supposedly picked up a handful of blood-soaked earth, smeared it across his forehead, and vowed to kill the men responsible. The truth, as the author has discovered, is more complex—but no less dramatic. Award-winning journalist Anita Anand traced Singh's journey through Africa, the United States, and across Europe until, in March 1940, he finally arrived in front of O'Dwyer himself in a London hall ready to shoot him down. *The Patient Assassin* shines a devastating light on one of history's most horrific events, but it reads like a taut thriller and reveals the incredible but true story behind a legend that still endures today.

Dreams that Don't Let You Sleep - DR.

RAMESH POKHRIYAL 'NISHANK' 2016-04-08

Everyone wishes to have their dreams get cherished, but one has to endure many sleepless nights to fulfill them, and must have passion to achieve them. It's a bitter truth that everyone has to face problems, hurdles, and adversities in their life. Many people are worried even to walk

on the tailor-made and an easy going path of life, whereas, few are very brave and confident who make their own way and walk on for a successful life. To accomplish any task in a different way and having great strength fighting any difficulty proves one's own determination towards success. One who has learned to fight against all the adversities, hurdles and difficulties in life gets all doors open for his success. Anyhow, one should possess a strong will power and determination. Dr. Kalam's journey from a simple lad, born in a poor family, to being the President of India, gained him huge popularity. It all happened due to his strategic planning, unique working style, and life management skills. Dr. Ramesh Pokhriyal 'Nishank' was highly influenced with the 'life management skills' of Dr. Kalam, which motivated him to pen down a book on Dr. Kalam's life experiences and his life management skills. This book is going to inspire our younger generation and others too who are facing lot many troubles and hurdles to

fulfill their dreams. This book also belongs to the same genre and you all are going to be enriched with high energy and enthusiasm. A must read book for everyone who wish to fulfill his dreams. Blood Noir - Laurell K. Hamilton 2010

"Jason is a werewolf. He's one of my best friends and sometimes a lover. And right now he needs me, Anita Blake - not to be a vampire hunter, or a Federal Marshall, or a necromancer, but because his father is dying. I can help make him look like an everyday guy, help him say goodbye to the abusive father he's never loved. How hard can it be?" "Really, by now, you'd think I'd know better..."--Back cover.

The Rules of Engagement - Anita Brookner
2007-12-18

Elizabeth and Betsy had been school friends in 1950s London. Elizabeth, prudent and introspective, values social propriety. Betsy, raised by a spinster aunt, is open, trusting, and desperate for affection. After growing up and going their separate ways, the two women

reconnect later in life. Elizabeth has married kind but tedious Digby, while Betsy is still searching for love and belonging. In this deeply perceptive story, Anita Brookner brilliantly charts the resilience of a friendship tested by alienation and by jealousy over a man who seems to offer the promise of escape.

Hotel Du Lac - Anita Brookner 2012-07-25

In the novel that won her the Booker Prize and established her international reputation, Anita Brookner finds a new vocabulary for framing the eternal question "Why love?" It tells the story of Edith Hope, who writes romance novels under a pseudonym. When her life begins to resemble the plots of her own novels, however, Edith flees to Switzerland, where the quiet luxury of the Hotel du Lac promises to restore her to her senses. But instead of peace and rest, Edith finds herself sequestered at the hotel with an assortment of love's casualties and exiles. She also attracts the attention of a worldly man determined to release her unused capacity for mischief and pleasure.

Beautifully observed, witheringly funny, Hotel du Lac is Brookner at her most stylish and potently subversive.

Innovative Extension Approaches in Technology Transfer - B. S. Hansra 2005

The National Seminar on Alternative Extension Approaches in Technology Transfer held at Mitraniketan KVK on 21- 22, February 2004 was one of the most successful scientific deliberations in the recent past. Most of the successful alternative extension approaches in technology transfer were presented and highlighted. There was a tremendous response from various R & D institutions to present their approaches for sharing at a common platform without any prejudice. The business of technology transfer is the secret of success to every R & D institutions, but this was a platform envisaged to share experiences. We take the opportunity to thank the entire authors for the contribution of their articles to this book.

Sembawang: A Novel - Kamaladevi Aravindan
2020-09-24

Singapore, 1960s: Sembawang is home away from home for a tightly-knit community of bachelors and families who work at Her Majesty's Naval Base. Behind closed doors, a matriarch controls her daughters-in-law's movements. A bachelor from Kerala pines by his window for his forbidden lover. A maid from a rubber estate across the border aches to hold her young son once more. An inter-racial love between a conservative Tamil woman and a worldly Chinese man wreaks havoc in the life of

an innocent bystander. The idyllic village life is shaken when two midwives are viciously attacked at the maternity clinic, and again when one of their own beloved residents meets with an unnatural death. As catastrophes strike, the village comes together as one. A dramatic, sweeping saga of Sembawang families across five decades.

The Billionaire's Apprentice - Anita Raghavan
2013-06-04

Just as WASPs, Irish-Catholics and Our Crowd Jews once made the ascent from immigrants to powerbrokers, it is now the Indian-American's turn. Citigroup, PepsiCo and Mastercard are just a handful of the Fortune 500 companies led by a group known as the "Twice Blessed." Yet little is known about how these Indian emigres (and children of emigres) rose through the ranks. Until now... The collapse of the Galleon Group--a hedge fund that managed more than \$7 billion in assets--from criminal charges of insider trading was a sensational case that pitted prosecutor

Preet Bharara, himself the son of Indian immigrants, against the best and brightest of the South Asian business community. At the center of the case was self-described King of Kings, Galleon's founder Raj Rajaratnam, a Sri-Lankan-born, Wharton-educated billionaire. But the most shocking allegation was that the éminence grise of Indian business, Rajat Gupta, was Rajaratnam's accomplice and mole. If not for Gupta's nose-to-the-grindstone rise to head up McKinsey & Co and a position on the Goldman Sachs board, men like Rajaratnam would have never made it to the top of America's moneyed elite. Author Anita Raghavan criss-crosses the globe from Wall Street boardrooms to Delhi's Indian Institute of Technology as she uncovers the secrets of this subculture--an incredible tale of triumph, temptation and tragedy.

Dying to Be Me - Anita Moorjani 2022-03-08
THE NEW YORK TIMES BESTSELLER! "I had the choice to come back ... or not. I chose to return when I realized that 'heaven' is a state,

not a place" In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within this enhanced e-book, Anita recounts—in words and on video—stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. In "Dying to Be Me," Anita Freely shares all she has learned about illness, healing, fear, "being love," and the true magnificence of each and every human being!

Ultimate Price - Howard Steven Friedman
2021-05-05

How much is a human life worth? Individuals, families, companies, and governments routinely place a price on human life. The calculations that underlie these price tags are often buried in technical language, yet they influence our economy, laws, behaviors, policies, health, and safety. These price tags are often unfair, infused as they are with gender, racial, national, and cultural biases that often result in valuing the lives of the young more than the old, the rich more than the poor, whites more than blacks, Americans more than foreigners, and relatives more than strangers. This is critical since undervalued lives are left less-protected and more exposed to risk. Howard Steven Friedman explains in simple terms how economists and data scientists at corporations, regulatory agencies, and insurance companies develop and use these price tags and points a spotlight at their logical flaws and limitations. He then

forcefully argues against the rampant unfairness in the system. Readers will be enlightened, shocked, and, ultimately, empowered to confront the price tags we assign to human lives and understand why such calculations matter.

Ruling Dynasties of Independent India - Volume 1 - RAVINDRA PADALKAR 2021-01-16

This book is written to give an overall idea of dynastic politics in India, keeping in mind that a citizen of India should know more about the politicians who are in the government and form policies and so on to take the country in the proper direction. Even if there are two related members, it is considered as dynasty and is included in this book. Wherever possible, family trees, as well as the assets of our politicians, are

shown. It was natural to start with the Nehru Gandhi family, being one of the largest and longest-ruling families at the helm of all affairs. Then state wise, the families are chosen and the account is presented. As the content is extensive, the book is published in two volumes. States are chosen alphabetically. So even if Nehru Gandhi family is in Volume 1, Tamilnadu, Telangana, Uttar Pradesh are in Volume 2. Early rulers in Indian history used to hand over the throne to their sons and then to the next generations for generations till some significant event upset the process, mostly conspiracies by persons like very close aides of the king or a revolt. Similar lines were followed even during our democracy, passing on the rule to the next generation, which gave rise to dynastic rule. Indian politics has witnessed a large spectrum of politicians from various fields. Initially, it consisted mainly of leaders from the field of law. Now, we find that we have eminent personalities from sports fields, actors, actresses, superstars

from the silver screen. The literary field is no exception; we have writers, poets, and so on. Economists find a special place in the political arena. Politics does not shun even criminals or a few dacoits who then turned to politics after surrendering. Businessmen, kings or princes from princely states, as the British decided to call them, are also found here. We have learned people in politics as also the illiterate people (angutha chhaap) who learned to sign only after assuming the office on being elected. People are interested in knowing the assets of politicians. This point is covered by using the asset declaration given by the politicians at the time of the election.

Dr. Gopal S Formal Method Is Not A Closed Universe But Cross Refers To The Social Structure Within Which The Situations Manipulate Characters

And Their Destinies.

Testimony - Anita Shreve 2008-10-21

At a New England boarding school, a sex scandal is about to break. Even more shocking than the sexual acts themselves is the fact that they were caught on videotape. A Pandora's box of revelations, the tape triggers a chorus of voices - those of the men, women, teenagers, and parents involved in the scandal -- that details the ways in which lives can be derailed or destroyed in one foolish moment. Writing with a pace and intensity surpassing even her own greatest work, Anita Shreve delivers in *Testimony* a gripping emotional drama with the impact of a thriller. No one more compellingly explores the dark impulses that sway the lives of seeming innocents, the needs and fears that drive ordinary men and women into intolerable dilemmas, and the ways in which our best intentions can lead to our worst transgressions.

Confessions of a Hungry Woman - Sam Woulidge 2013-04-01

Confessions of a Hungry Woman began as a monthly column for Woolworths' Taste magazine, and gradually grew into what Sam Woulidge describes as a 'love letter', to food and foreign places, but ultimately to South Africa. After four years of travelling the world, sampling every delicacy the globe could offer, the tastes of home drew Sam and her husband back to Cape Town. But returning home meant domesticity and culinary challenges, and, by her own admission, Sam had always been wary of both: 'I don't want to work too hard in the kitchen and I would really rather share a glass of wine with my guests than worry over fussy, higher-grade-science-required recipes.' And so she asked some friends to share their fail-proof recipes with her, recipes with the guarantee that if she could make them, anybody could. Confessions of a Hungry Woman is a cookbook of two parts. Firstly, it is a compilation of 45 columns previously published in Taste, in which Sam takes the reader on a personal journey as she

discovers the exotic flavours of foreign places, reminisces about the carefree tastes of childhood and recreates the nostalgic aromas of home. Secondly, it is a celebration of 14 of Sam's foodie friends. Each was charged with producing a menu for 6 people featuring relatively effortless, but nonetheless impressive, dishes. Contributors include Adi Badenhorst, Cara Brink, Mariana Esterhuizen, Ruben Riffel, Giorgio Nava, Callie Maritz and Mari-Louis Guy, and Karen Dudley.

Forced Marriage - Aisha Gill 2012-09-13

Forced Marriage: Introducing a social justice and human rights perspective brings together leading practitioners and researchers from the disciplines of criminology, sociology and law. Together the contributors provide an international, multi-disciplinary perspective that offers a compelling alternative to prevailing conceptualisations of the problem of forced marriage. The volume examines advances in theoretical debates, analyses existing research

and presents new evidence that challenges the cultural essentialism that often characterises efforts to explain, and even justify, this violation of women's rights. By locating forced marriage within broader debates on violence against women, social justice and human rights, the authors offer an intersectional perspective that can be used to inform both theory and practical efforts to address violence against diverse groups of women. This unique book, which is informed by practitioner insights and academic research, is essential reading for practitioners and students of sociology, criminology, gender studies and law.

Caste and Equality - Stephanie Stocker

2017-05-31

Caste hierarchy has frequently been singled out as the overriding principle of Indian society. This book examines its significance among the highly-educated middle class in the Tamil town of Madurai. As part of their distinctive status as 'educated persons', young graduates form

egalitarian constellations by ostensibly subverting the boundaries inscribed by caste hierarchy. Stephanie Stocker explores how these friendships are maintained in wider social contexts, finding that the actors engage in supportive networks throughout career and marriage events. Instead of assuming these relationships to be of an entirely different, 'alternative category', however, Stocker's study proposes a dynamic character of friendship which in fact remains in conjunction with Indian values of hierarchy.

Sensitive Is the New Strong - Anita Moorjani
2022-03

A View of Stars: Stories of Love - Anitha Devi Pillai 2020-11-15
Especially for fans of love stories comes a collection written by established and new authors. This anthology is partly inspired by true

stories and partly by well-known epic tales. A young woman of Peranakan descent in Singapore, a Malayalee woman thousands of miles away from Singapore at the brink of WWII and an interracial couple in current times, all face a similar predicament - Do they break free from conventions and follow their beckoning hearts? A young man with no future nor prospects pines for his one true love in his kampong, a May-December couple's plans for their second chance is threatened, a young impressionable woman falls for a man-child - Will fate give them a helping hand? What if Cinderella's evil stepmother had loved her? What if the hundred nights of pursuit of the 10th-century Japanese court lady Ono Komachi took place in Singapore? What if a single decision, one moment or an unspoken wish

changed your life forever?

Becoming Goddess - Dr.Indhu Nagaih

2021-09-16

This book is for that woman who desperately wants to achieve financial freedom, i.e., not depending on a husband, family, or anyone other than herself. To be financially independent, she needs to discipline herself and her financial life. The strategies that worked for our previous generations don't work for us anymore, hence, financial literacy is mandatory for every woman of this decade more than a man. this book is from my personal experiences where I went from craving money to creating financial security by turning the stumbling blocks into steppingstones. So, if financial freedom is your goal, then I hope this book is the best solution for you. Cheers to you becoming goddess!
