Old Mortality & Ivanhoe (Illustrated Edition) - Walter Scott 2017-12-06

Old Mortality is a novel set in the period 1679–89 in south west Scotland. It forms, along with *The Black Dwarf*, the 1st series of Scott's *Tales of My Landlord*. The two novels were published together in 1816. Its central character, Henry Morton, joins the rebels in order to fight Scotland's royalist oppressors, little as he shares the Covenanters' extreme religious beliefs. He is torn between his love for a royalist's granddaughter and his loyalty to his downtrodden countrymen. *Ivanhoe* is a novel by Sir Walter Scott, published in 1820. Set in late 12 century England and in Palestine, follows the fortunes of the son of a noble Saxon family in Norman England. Sir Walter Scott (1771-1832) was a prolific Scottish novelist, poet, historian, and biographer who is often considered both the inventor and the greatest practitioner of the historical novel.

Bloom - Kenneth Oppel 2020-03-10

"The perfect book right now for young readers searching for hope, strength, inspiration — and just a little horticultural havoc."—New York Times The first book in a can't-put-it-down, can't-read-it-fast-enough action-thriller trilogy that's part *Hatchet*, part *Alien!* The invasion begins—but not as you'd expect. It begins with rain. Rain that carries seeds. Seeds that sprout—overnight, everywhere. These new plants take over crop fields, twine up houses, and burrow below streets. They bloom—and release toxic pollens. They bloom—and form Venus flytrap-like pods that swallow animals and people. They bloom—everywhere, unstoppable. Or are they? Three kids on a remote island seem immune to the toxic plants.

Anaya, Petra, Seth. They each have strange allergies—and yet not to these plants. What's their secret? Can they somehow be the key to beating back this invasion? They'd better figure it out fast, because it's starting to rain again....

Odin's Ravens - K. L. Armstrong 2014-05-13

Seven kids, Thor's hammer, and a whole lot of Valkyries are the only things standing against the end of the world. When thirteen-year-olds Matt Thorsen and Fen and Laurie Brekke, modern-day descendants of Thor and Loki, discovered they were fated to take the places of the Norse gods in an epic battle against the apocalypse, they thought they knew how things would play out. Gather the descendants standing in for the gods, defeat a giant serpent, and save the world. No problem, right? But the descendants' journey grinds to a halt when their friend and descendant Baldwin is poisoned and killed and Matt, Fen, and Laurie must travel to the Underworld in the hopes of saving him. That's only

their first stop on their journey to reunite the challengers, find Thor's hammer, and save humanity--a journey filled with enough tooth-and-nail battles and colossal monsters to make Matt and his friends a legend in their own right. Perfect for fans of ancient myths and filled with young heroes, monstrous beasts, and godly enemies, this fast-paced adventure is impossible to put down.

Thrive - Kenneth Oppel 2021-05-04

The. Aliens. Are. Here. The heart-pounding conclusion to The Overthrow trilogy that began with Bloom and Hatch. The alien invasion of Earth is imminent. But maybe not all the aliens are united. A rebel faction has reached out to Anaya, saying there's a way to stop the larger invasion--a way for humans and hybrids and cryptogens to work together. Can they be trusted? Or is this a trap? It's not even clear if Anaya, Petra, and Seth are united--some of the hybrids think they'd be better off if the aliens won... With everything on the line, these three teens will have to decide who they are at their core--alien or human, enemy or friend.

Max Tilt: 80 Days or Die - Peter Lerangis 2018-07-24

The New York Times bestselling author of the Seven Wonders series and of books in the 39 Clues series, Peter Lerangis, brings us the hair-raising, edge-of-your-seat second installment of the Max Tilt trilogy. When thirteen-year-old Max Tilt stumbled across his great-great-great-grandfather Jules Verne's unfinished, unpublished manuscript, The Lost Treasures, he thought he had the answer to all his problems, but nothing in life is ever that easy. With his mom's illness getting worse again, Max needs to figure out a way to save his family—now more than ever. So Max and his cousin Alex revisit The Lost Treasures, and they find a clue that just might be the key to a cure. It's the story of Verne's seemingly impossible recovery from a near-fatal gunshot wound. Somehow, after being shot, Verne didn't just survive, he thrived. And the book hints that he was only able to do so after collecting magical healing elements that he'd saved from a race around the world. Piecing together hints from Verne's Around the World in 80 Days and his lost manuscript, Max and Alex realize there's a way to save Max's mom if they're daring enough to try. It's a race against time in the second installment of the action-

packed adventure series from master storyteller and New York Times bestselling author Peter Lerangis.

From the team that brought you *The 39 Clues* and *Spirit Animals* comes a brand new epic Egyptian adventure! Nothing can save Alex Sennefer's life. That's what all the doctors say, but his mother knows it's not true. She knows that the Lost Spells of the Egyptian Book of the Dead can crack open a door to the afterlife and pull her son back from the brink. But when she uses the spells, five evil ancients—the Death Walkers—are also brought back to life. An ancient evil has been unleashed. Mummies are awakening. New York is overrun with scorpions. And worst of all for Alex, his mom and the Lost Spells have both disappeared. He and his best friend, Ren, will do anything to find his mom and save the world ... even if that means going head-to-head with a Death Walker who has been plotting his revenge for 3,000 years. Read the book, then continue the adventure online! Build an Egyptian tomb of your own, hide treasure and protect it with traps, then challenge your friends to play through!

Hatch - Kenneth Oppel 2020-12-01

Fans left desperate for more at the end of *Bloom* will dive into this second book of the *Overthrow* trilogy—where the danger mounts and alien creatures begin to hatch. First the rain brought seeds. Seeds that grew into alien plants that burrowed and strangled and fed. Seth, Anaya, and Petra are strangely immune to the plants' toxins and found a way to combat them. But just as they have their first success, the rain begins again. This rain brings eggs. That hatch into insects. Not small insects.

Bird-sized mosquitos that carry disease. Borer worms that can eat through the foundation of a house. Boat-sized water striders that carry away their prey. But our heroes aren't able to help this time—they've been locked away in a government lab with other kids who are also immune. What is their secret? Could they be...part alien themselves? Whose side are they on? Kenneth Oppel expertly escalates the threats and ratchets up the tension in this can't-read-it-fast-enough adventure with an alien twist. Readers will be gasping for the next book as soon as they turn the last page...
