The Ride of My Life - Mat Hoffman 2010-09-14

I had seriously reached a point in my life where I wasn't scared of anything. Panic was replaced by awww, shit, how can I fix this before I hit the ground? Childhood for Mat Hoffman was packed with hazardous behavior and a constant searching for a new rush: sliding down the laundry chute, blatantly misusing a trampoline, leaping off the roof holding an umbrella, executing a two-story bomb drop into a swimming pool on a bike, and more. After experimenting with his bike on a plywood ramp at age eleven, Mat found his true calling. He became addicted to aerials. By the time he was fourteen years old, Mat had earned national notoriety with his ramp skills and landed a factory sponsorship from Skyway Recreation. He was consumed by a love of bike riding, a passion that took him around the globe and beyond the limits of what people said was possible. Always pushing for more height or another way to turn air into art, he's shattered world records, conventional wisdom, and his own body in a quest to experience all that life has to offer. The price? More than a dozen major surgeries, fifty broken bones, countless concussions and knockouts -- Mat's sacrifices are evident in a medical file that's 400 pages thick. When the boom years of BMX freestyle bottomed out during a bike industry recession in the late 1980s, Mat's enthusiasm never wavered. To save his sport, he bought a semi truck when he was seventeen and became his own sponsor, spreading the word one demo at a time. He and his friends formed Hoffman Bikes and began running bike stunt contests. It was an era of progress for Mat as a rider, as he unveiled jawdropping tricks like the no-handed 540, backflip fakie, and flair, and became the first rider in action sports to pull a 900. In *The Ride of My Life*, Mat takes readers on his humorous, hardcore, harrowing journey to the top as a bike stunt pioneer, ten-time world champion, video game superstar, X Games ambassador, recreational ninja, and the most innovative rider to ever hit a ramp. He shares stories of the wild experiences he's had while touring with some of the best riders around -- Dennis McCoy, Dave Mirra, Rick Thorne, Kevin Robinson, Mike "Rooftop" Escamilla, and many others. Spanning two decades of action sports history, as Mat crosses paths with high-risk heroes like Tony Hawk, Johnny Knoxville, and Evel Knievel, *The Ride of My Life* is the insane, true story of Mat

Hoffman, the greatest bike rider of all time.

Tunnels and Underground Cities: Engineering and Innovation Meet Archaeology, Architecture and Art - Daniele Peila 2020-07-07

Tunnels and Underground Cities: Engineering and Innovation meet Archaeology, Architecture and Art. Volume 10: Strategic use of underground space for resilient cities contains the contributions presented in the eponymous Technical Session during the World Tunnel Congress 2019 (Naples, Italy, 3-9 May 2019). The use of underground space is continuing to grow, due to global urbanization, public demand for efficient transportation, and energy saving, production and distribution. The growing need for space at ground level, along with its continuous value increase and the challenges of energy saving and achieving sustainable development objectives, demand greater and better use of the underground space to ensure that it supports sustainable, resilient and more liveable cities. The contributions cover a wide range of topics, from investing in urban underground space, via effective use of underground space for sustainable cities, and the use of new energy carriers to the compound use of underground space for integrated campus-urban development. The book is a valuable reference text for tunnelling specialists, owners, engineers, archaeologists, architects, artists and others involved in underground planning, design and building around the world, and for academics who are interested in underground constructions and geotechnics.

Age/Sex edits identify codes for use only with patients of a specific age or sex.

Disciple IV - Abingdon Press 2005-05

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.
