The Race - Clive Cussler 2012-09-04

20th century detective Isaac Bell protects a promising aviator from her jealous husband in this remarkable adventure from #1 New York Times bestselling author Clive Cussler. It is 1910, the age of flying machines is still in its infancy, and newspaper publisher Preston Whiteway is offering \$50,000 for the first daring aviator to cross America in less than fifty days. He is even sponsoring one of the prime candidates-an intrepid woman named Josephine Frost-and that's where Bell, chief investigator for the Van Dorn Detective Agency, comes in. Frost's violent-tempered husband has just killed her lover and tried to kill her, and he is bound to make another attempt. Bell has tangled with Harry Frost before; he knows that the man has made his millions leading gangs of thieves, murderers, and thugs in every city across the country. He also knows Frost won't be after just his wife, but after Whiteway as well. And if Bell takes the case . . . Frost will be after him, too.

The Kingdom - Clive Cussler 2012-05-29

Husband-and-wife team Sam and Remi Fargo must use their instinct for treasure-hunting to find a missing person in this novel in the #1 New York Times bestselling series. The Fargos are used to hunting for fortune, not people. But then a Texas oil baron contacts them with a personal plea: an investigator friend of the Fargos' was on a mission to find the oil baron's missing father-and now the investigator is missing, too. Would Sam and Remi be willing to look for them both? Though something about the situation doesn't quite add up, the Fargos agree to go on the search. What they find will be beyond anything they could have imagined. On a journey that will take them to Tibet, Nepal, Bulgaria, India, and China, the Fargos will find themselves embroiled with black-market fossils, a centuries-old puzzle chest, the ancient Tibetan kingdom of Mustang, a balloon aircraft from a century before its time...and a skeleton that could turn the history of human evolution on its head. Packed with the endless imagination and breathtaking suspense that are his hallmarks, The Kingdom once again proves that Clive Cussler is "just about the best storyteller in the business" (New York Post).
