Long Walk to Freedom - Nelson Mandela 2008-03-11
The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Grammar for English Language Teachers - Martin Parrott 2010-01-14

An invaluable resource helping teachers at all levels of experience to develop their understanding of English grammar. Grammar for English Language Teachers is designed to help practising and trainee teachers to develop their knowledge of English grammar systems. It encourages teachers to appreciate factors that affect grammatical choices, and evaluates the 'rules of thumb' presented to learners in course materials. Consolidation exercises provide an opportunity for teachers to test these rules against real language use and to evaluate classroom and reference materials.

Constitution of the Earth's Interior - J. Leliwa-Kopystynski 2016-07-29

Constitution of the Earth's Interior discusses the physical and evolutionary principles connecting various elements of the knowledge about structure and dynamics of the Earth's interior. This work is divided into eight chapters that primarily focus on the physical, chemical, and petrological state. This text contains general data on a general stationary model, which is described by equations of state combining the basic parameters, including pressure, temperature, density, gravity acceleration, and mineral composition within the Earth's interior. Considerable chapters concern the chemical and petrological composition of the matter in the Earth's interior. The remaining chapters describe models containing inhomogeneities used to illustrate processes connected with phase transitions. This book will be of great value to geologists, physicists, and researchers.

Don't Judge a Book by Its Cover - Denise Fleck 2015-04-09

Awarded the Maxwell Medallion and Voted "Best Children's Book" by the Dog Writers Association of America. Mary-Alice and her friends like pretty clothes and hanging with the in-crowd, but when she requests a puppy for her birthday, her parents decide the fluffy one with the pink bow in the pet store window may not be the best choice. Instead, Mary-Alice ends up at the local Animal Shelter where she not only saves the life of a loving older dog, but learns that once you look beyond the plain cover of things, you can be treated to the true joys that lie underneath! Looking beyond the cover is truly canine in that dogs do not judge others based on their income, beauty or status. They live in the moment, rejoicing in every kindness they are shown. Humans, young and not-so-young, can learn pawmazing lessons from our four-legged friends when
