I Am a Fugitive from a Georgia Chain Gang! - Robert E. Burns 2011-08-15

I Am a Fugitive from a Georgia Chain Gang! is the amazing true story of one man's search for meaning, fall from grace, and eventual victory over injustice. In 1921, Robert E. Burns was a shell-shocked and penniless veteran who found himself at the mercy of Georgia's barbaric penal system when he fell in with a gang of petty thieves. Sentenced to six to ten years' hard labor for his part in a robbery that netted less than \$6.00, Burns was shackled to a county chain gang. After four months of backbreaking work, he made a daring escape, dodging shotgun blasts, racing through swamps, and eluding bloodhounds on his way north. For seven years Burns lived as a free man. He married and became a prosperous Chicago businessman and publisher. When he fell in love with another woman, however, his jealous wife turned him in to the police, who arrested him as a fugitive from justice. Although he was promised lenient treatment and a quick pardon, he was back on a chain gang within a month. Undaunted, Burns did the impossible and escaped a second time, this time to New Jersey. He was still a hunted man living in hiding when this book was first published in 1932. The book and its movie version, nominated for a Best Picture Oscar in 1933, shocked the world by exposing Georgia's brutal treatment of prisoners. *I Am a Fugitive from a Georgia Chain Gang!* is a daring and heartbreaking book, an odyssey of misfortune, love, betrayal, adventure, and, above all, the unshakable courage and inner strength of the fugitive himself.

The Escape Artist - Jonathan Freedland 2022-10-18

"A brilliant and heart-wrenching book, with universal and timely lessons about the power of information — and misinformation. Is it possible to stop mass murder by telling the truth?" — Yuval Noah Harari, bestselling author of *Sapiens: A Brief History of Humankind* and *Homo Deus: A Brief History of Tomorrow* A complex hero. A forgotten story. The first

witness to reveal the full truth of the Holocaust . . . Award-winning journalist and bestselling novelist Jonathan Freedland tells the incredible story of Rudolf Vrba—the first Jew to break out of Auschwitz, a man determined to warn the world and pass on a truth too few were willing to hear—elevating him to his rightful place in the annals of World War II alongside Anne Frank, Primo Levi, and Oskar Schindler and casting a new light on the Holocaust and its aftermath. People won't believe what they can't imagine . . . In April 1944, Rudolf Vrba became the first Jew to break out of Auschwitz—one of only four who ever pulled off that near-impossible feat. He did it to reveal the truth of the death camp to the world—and to warn the last Jews of Europe what fate awaited them at the end of the railway line. Against all odds, he and his fellow escapee, Fred Wetzler, climbed mountains, crossed rivers and narrowly missed German bullets until they had smuggled out the first full account of Auschwitz the world had ever seen—a forensically detailed report that would eventually reach Franklin Roosevelt, Winston Churchill and the Pope. And yet too few heeded the warning that Vrba—then just nineteen years old—had risked everything to deliver. Some could not believe it. Others thought it easier to keep quiet. Vrba helped save 200,000 Jewish lives—but he never stopped believing it could have been so many more. This is the story of a brilliant yet troubled man—a gifted “escape artist” who even as a teenager understand that the difference between truth and lies can be the difference between life and death, a man who deserves to take his place alongside Anne Frank, Oskar Schindler and Primo Levi as one of the handful of individuals whose stories define our understanding of the Holocaust.

One Man Escaped - Steven F. Meeker
2015-05-27

Close your eyes and picture September 16, 1914. A family member is murdered. What do you remember about the murder that day? This novel is about Alva C. "Tenil" Horr, who murdered his wife, Ida on that day in Danville, Illinois. Mr. Horr was arrested in August of the following year and swiftly tried the following month. He was sentence to Southern Illinois Penitentiary in Chester, Illinois for 25 years. He escaped from there in March of 1919. This novel is a time line of events before and after the murder. A great deal of effort has been taken to verify the sequence of events. The conversations that are illustrated in this novel are fictional. Some names have been changed. my family names have not. I do not mean to imply that I have written a novel about fictional characters. I have written a novel about real people who happen to live at a time somewhat removed from the present. Ida was my great aunt. She was born, Ida Meeker, October 10, 1879 in Bismark, Illinois. The pictures and documents illustrated in this novel help tell the story. This is Alva's and Ida's story, and also the story of a great many other individuals and families. There are many

beginnings to Ida's story. Born in one era, maturing in another, watching the century transform into the next, she was unaware of the changes it would bring to her life and the lives of many local residents in Danville, Illinois. Steven F. Meeker

Escape from Corregidor - Edgar D. Whitcomb
2012-08-30

At a crucial moment, Ed Whitcomb, a B-17 navigator, made a split-second decision and thereby set off a hair-raising, spine-tingling sequence of narrow escapes, captures, unexpected breaks and bitter betrayals that culminated in his final extrication from enemy territory. Whitcomb reached Clark Field just before its demolition by the Japanese. He then evaded capture at the fall of Bataan by fleeing in a row boat to the bastion of Corregidor, where he was caught. Escaping under cover of darkness, he swam for eight hours to get to the mainland. After weeks of struggle in a snake-infested jungle, he sailed by moonlight down the heavily patrolled coast, only to fall, once again, into the clutches of the enemy. Facing captors, Ed Whitcomb took a desperate chance for freedom. Clenching his fists, he said: My name is Robert Fred Johnson, mining employee. This is the story of a man who vowed never to give up. He assumed the identity of a civilian and lived another mans life for almost two years. Neither hunger, nor beatings, nor the long gray hopelessness of prison life could shake Ed Whitcombs determination to escape the enemy and return home to Indiana. Ed Whitcomb is the epitome of the American fighting man. He has the courage and fortitude needed to defy all odds in order to bring honor and respect to his state and country. Escape from Corregidor is the story, told with simplicity and fearlessness, of his dedication to the principles of devotion to his fellow man and his country.

Escape from Camp 14 - Blaine Harden
2013-03-26

With a New Foreword The heartwrenching New York Times bestseller about the only known person born inside a North Korean prison camp to have escaped. North Korea's political prison camps have existed twice as long as Stalin's Soviet gulags and twelve times as long as the Nazi concentration camps. No one born and raised in these camps is known to have escaped. No one, that is, except Shin Dong-hyuk. In *Escape From Camp 14*, Blaine Harden unlocks the secrets of the world's most repressive totalitarian state through the story of Shin's shocking imprisonment and his astounding getaway. Shin knew nothing of civilized existence—he saw his mother as a competitor for food, guards raised him to be a snitch, and he witnessed the execution of his mother and brother. The late “Dear Leader” Kim Jong Il was recognized throughout the world, but his country remains sealed as his third son and chosen heir, Kim Jong Eun, consolidates power. Few foreigners are allowed in, and few North Koreans are able to leave. North Korea is hungry, bankrupt, and armed with nuclear weapons. It is also a human rights catastrophe. Between 150,000 and 200,000 people work as slaves in its political prison camps. These camps are clearly visible in satellite photographs, yet North Korea's government denies they exist. Harden's harrowing narrative exposes this hidden dystopia, focusing on an extraordinary young man who came of age inside the highest security prison in the highest security state. *Escape from Camp 14* offers an unequalled inside account of one of the world's darkest nations. It is a tale of endurance and courage, survival and hope.

Shantaram - Gregory David Roberts 2004-10-13
Based on his own extraordinary life, Gregory David Roberts' *Shantaram* is a mesmerizing novel about a man on the run who becomes entangled within the underworld of contemporary Bombay—the basis for the Apple + TV series starring Charlie Hunnam. “It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured.” An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter the city's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas—this huge novel has the world of human experience in its

reach, and a passionate love for India at its heart.

The Man Who Broke Out of the Bank and Went for a Walk across France - Miles Morland

2017-01-10

After twenty-two years spent "shouting down a phone," Miles Morland gave up his highly paid city job and walked across France with his wife. With no plans for the future, and accustomed to walking no further than the distance between a restaurant and a waiting taxi, they set off to walk from the Mediterranean to the Atlantic, through the foothills of the Pyrenees. *The Man Who Broke Out of the Bank* is an enormously entertaining account of the pleasures and frequent agonies of walking twenty miles a day in search of a long lunch in the shade of a plane tree. Looking back with relief and hilarity on the life he has escaped, Miles Morland wonders whether his recent remarriage to Guislaine will survive the abrupt change of lifestyle and a 350-mile walk . . . Many people dream of doing what Miles Morland did. His book, first published by Bloomsbury in 1992, shows not only that it is possible but that the rewards can be immeasurable.

American Guerrilla - Mike Guardia 2015-11-24

A main selection of the Military Book Club and a selection of the History Book Club With his parting words, "I shall return," General Douglas MacArthur sealed the fate of the last American forces on Bataan. Yet one young Army Captain named Russell Volckmann refused to surrender. He disappeared into the jungles of north Luzon where he raised a Filipino army of more than 22,000 men. For the next three years he led a guerrilla war against the Japanese, killing more than 50,000 enemy soldiers. At the same time he established radio contact with MacArthur's headquarters in Australia and directed Allied forces to key enemy positions. When General Yamashita finally surrendered, he made his initial overtures not to MacArthur, but to

Volckmann. This book establishes how Volckmann's leadership was critical to the outcome of the war in the Philippines. His ability to synthesize the realities and potential of guerrilla warfare led to a campaign that rendered Yamashita's forces incapable of repelling the Allied invasion. Had it not been for Volckmann, the Americans would have gone in "blind" during their counter-invasion, reducing their efforts to a trial-and-error campaign that would undoubtedly have cost more lives, materiel, and potentially stalled the pace of the entire Pacific War. Second, this book establishes Volckmann as the progenitor of modern counterinsurgency doctrine and the true "Father" of Army Special Forces—a title that history has erroneously awarded to Colonel Aaron Bank of the European Theater of Operations. In 1950, Volckmann wrote two army field manuals: *Operations Against Guerrilla Forces and Organization and Conduct of Guerrilla Warfare*, though today few realize he was their author. Together, they became the US Army's first handbooks outlining the precepts for both special warfare and counter-guerrilla operations. Taking his argument directly to the army chief of staff, Volckmann outlined the concept for Army Special Forces. At a time when US military doctrine was conventional in outlook, he marketed the ideas of guerrilla warfare as a critical force multiplier for any future conflict, ultimately securing the establishment of the Army's first special operations unit—the 10th Special Forces Group. Volckmann himself remains a shadowy figure in modern military history, his name absent from every major biography on MacArthur, and in much of the Army Special Forces literature. Yet as modest, even secretive, as Volckmann was during his career, it is difficult to imagine a man whose heroic initiative had more impact on World War II. This long overdue book not only chronicles the dramatic military exploits of Russell Volckmann, but analyzes how his leadership paved the way for modern special warfare doctrine. Mike Guardia, currently an officer in the US 1st Armored Division is also author of *Shadow Commander*, about the career of Donald Blackburn, and an upcoming biography of Hal Moore.

FINALIST FOR THE EDGAR® AWARD • ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR • “Fox unspools Jones and Hill’s delightfully elaborate scheme in nail-biting episodes that advance like a narrative Rube Goldberg machine.”—The New York Times Book Review Imprisoned in a remote Turkish POW camp during World War I, having survived a two-month forced march and a terrifying shootout in the desert, two British officers, Harry Jones and Cedric Hill, join forces to bamboozle their iron-fisted captors. To stave off despair and boredom, Jones takes a handmade Ouija board and fakes elaborate séances for his fellow prisoners. Word gets around, and one day an Ottoman official approaches Jones with a query: Could Jones contact the spirit world to find a vast treasure rumored to be buried nearby? No Wall Too High - Xu Hongci 2017-01-17
"A masterpiece." —The Washington Post "It was impossible. All of China was a prison in those days." Mao Zedong's labor reform camps, known as the laogai, were notoriously brutal. Modeled on the Soviet Gulag, they subjected their inmates to backbreaking labor, malnutrition, and vindictive wardens. They were thought to be impossible to escape—but one man did. Xu Hongci was a bright young student at the Shanghai No. 1 Medical College, spending his days studying to be a professor and going to the movies with his girlfriend. He was also an idealistic and loyal member of the Communist Party and was generally liked and well respected. But when Mao delivered his famous February 1957 speech inviting "a hundred schools of thought [to] contend," an earnest Xu Hongci responded by posting a criticism of the party—a near-fatal misstep. He soon found himself a victim of the Anti-Rightist Campaign, condemned to spend the next fourteen years in the laogai. Xu Hongci became one of the roughly 550,000 Chinese unjustly imprisoned after the spring of 1957, and despite the horrific conditions and terrible odds, he was determined to escape. He failed three times before finally succeeding, in 1972, in what was an amazing and arduous triumph. Originally published in Hong Kong, Xu Hongci's remarkable memoir recounts his life from childhood through his final prison break. After discovering his story in a Hong Kong library, the journalist Erling Hoh tracked down the original manuscript and compiled this condensed translation, which includes background on this turbulent period, an epilogue that follows Xu Hongci up to his death, and Xu Hongci's own drawings and maps. Both a historical narrative and an exhilarating prison-break thriller, *No Wall Too High* tells the unique story of a man who insisted on freedom—even under the most treacherous circumstances.

The Underground Railroad - Colson Whitehead 2018-01-30
Winner of the Pulitzer Prize and the National Book Award, this #1 New York Times bestseller chronicles a young slave's adventures as she makes a desperate bid for freedom in the antebellum South. The basis for the acclaimed original Amazon Prime Video series directed by Barry Jenkins. Cora is a slave on a cotton

plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood—where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage—and a powerful meditation on the history we all share. Look for Colson Whitehead's bestselling new novel, *Harlem Shuffle!*

I Escaped from Auschwitz - Rudolf Vrba 2020-04-21

The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners from one of the most heavily-guarded and notorious concentration camps of Nazi Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic and detailed descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, *I Escaped from Auschwitz* is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the "unknown destination" of Jewish deportees all across Europe. This first-hand report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. *I Escaped from Auschwitz* is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba's memoir will leave readers reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an astounding story of heroism and courage in the face of seemingly hopeless circumstances.

Death March Escape - Jack J. Hersch 2018-10-30

"Blending elements of memoir, history, and biography," the son of a Holocaust survivor "portrays the horrifying reality of the . . . concentration camps" (Midwest Book Review).

In June 1944, the Nazis locked eighteen-year-old Dave Hersch into a railroad boxcar and shipped him from his hometown of Dej, Hungary, to Mauthausen Concentration Camp, the harshest, cruelest camp in the Reich. After ten months in the granite mines of Mauthausen's nearby sub-camp, Gusen, he weighed less than 80lbs, nothing but skin and bones. Somehow surviving

the relentless horrors of these two brutal camps, as Allied forces drew near Dave was forced to join a death march to Gunskirchen

Concentration Camp, over thirty miles away.

Soon after the start of the march, and more dead than alive, Dave summoned a burst of energy he did not know he had and escaped. Quickly recaptured, he managed to avoid being killed by the guards. Put on another death march a few days later, he achieved the impossible: he escaped again. Using only his father's words for guidance, Jack Hersch takes us along as he flies to Europe to learn the secrets his father never told of his time in the camps. Beginning in the verdant hills of his father's Hungarian hometown, we accompany Jack's every step as he describes the unimaginable: what his father must have seen and felt while struggling to survive in the most abominable places on earth.

"This deeply personal and extremely informative portrait of a man of indomitable will to live, as Hersch emphasizes, reminds us of why we must never forget nor trivialize the full, shocking truth about the Holocaust."—Booklist
