Dragonwatch - Brandon Mull 2018-03-13
The dragons that have been kept in sanctuaries want their freedom—and their revenge—and the world's only hope is the reformation of the ancient order of Dragonwatch in this New York Times bestselling first novel of a new sequel series to Fablehaven from author Brandon Mull.

In the hidden dragon sanctuary of Wyrmoost, Celebrant the Just, King of the Dragons, plots his revenge. He has long seen the sanctuaries as prisons, and he wants nothing more than to overthrow his captors and return the world to the Age of Dragons, when he and his kind ruled and reigned without borders. The time has come

to break free and reclaim his power. No one person is capable of stopping Celebrant and his dragon horde. It will take the ancient order of Dragonwatch to gather again if there is any chance of saving the world from destruction. In ancient times, Dragonwatch was a group of wizards, enchantresses, dragon slayers, and others who originally confined the majority of dragons into sanctuaries. But nearly all of the original Dragonwatch members are gone, and so the wizard Agad reaches out to Grandpa Sorenson for help. As Kendra and Seth confront this new danger, they must draw upon all their skills, talents, and knowledge as only they have the ability to function together as a powerful dragon tamer. Together they must battle against forces with superior supernatural powers and breathtaking magical abilities. How will the epic dragon showdown end? Will dragons overthrow humans and change the world as we know it?

Mary, Called Magdalene - Margaret George

2003-05-27

The New York Times bestselling author of *The Splendor Before the Dark* reveals the untold story of Mary Magdalene—a disciple of Jesus Christ and the most mysterious woman in the Bible. Was Mary Magdalene a prostitute, a female divinity figure, a church leader, or all of those? Biblical references to her are tantalizingly brief, but we do know that she was the first person to whom the risen Christ appeared—and the one commissioned to tell others the good news, earning her the ancient honorific, “Apostle to the Apostles.” Today, Mary continues to spark controversy, curiosity, and veneration. In a vivid re-creation of Mary Magdalene's life story, Margaret George convincingly captures this renowned woman's voice as she moves from girlhood to womanhood, becomes part of the circle of disciples, and comes to grips with the divine. While grounded

in biblical scholarship and secular research, *Mary, Called Magdalene* ultimately transcends both history and fiction to become a “diary of a soul.”

published dragon slayer genealogy, a detailed map of the Kingdom of Selona, and more than fifty full-color illustrations. In ancient times dragons were the ultimate threat to the rest of the mythical world. At the height of the Age of Dragons, it appeared that dragons might not only gain dominion over the magical races, but could potentially overrun the nonmagical world as well. A group of specially-trained dragon slayers called Dragonwatch banded together to stand against the dragons. Together, these dragon slayers confined the majority of them to dragon sanctuaries. Legend of the Dragon Slayer is the illustrated story of the very first dragon slayer who took to battle. This epic legend comes to life with imaginatively rendered full-

color illustrations. Powerful monsters have surrounded the Kingdom of Selona. A naïve and unlikely hero named Konrad, the cobbler's son, accepts the king's challenge to defeat the monsters: fierce yeti, a merciless vampire, a dangerous gorgon, and a deadly phoenix. Even still, Selona's biggest threat will come from the Dragon, and it will take every ounce of wit and experience that Konrad's acquired to stand a chance against such a formidable foe. Legend of the Dragon Slayer is a stand-alone tale of valor, destiny, and magic sure to reward fantasy lovers.
