Encyclopedia of Christianity in the United States

- George Thomas Kurian 2016-11-10

From the Founding Fathers through the present, Christianity has exercised powerful influence in America—from its role in shaping politics and social institutions to its hand in art and culture.

The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play. This masterful multi-volume reference includes biographies of major figures in the Christian church in the United States, documents and Supreme Court

decisions, and information on theology and theologians, denominations, faith-based organizations, immigration, art—from decorative arts and film to music and literature—evangelism and crusades, women’s issues, racial issues, civil religion, and more. The Azusa Street Mission and Revival - Cecil M. Robeck 2017-07-25

In *The Azusa Street Mission and Revival*, Cecil M. Robeck, Jr. brings to bear expertise from decades of focused study in church history to reveal the captivating story of the Apostolic Faith Mission in Los Angeles, which became known as the Azusa Street Mission. Sometimes the largest blaze begins with the tiniest spark. At the dawn of the twentieth century, William J. Seymour, the son of Louisiana slaves, began meeting with a tiny congregation in a two-story wooden building in downtown Los Angeles. What began as a spontaneous gathering of believers quickly grew into a passionate revival and renewal of the work of the Holy Spirit. The

movement spread at breathtaking speed. With little more than a printing press, a trolley stop, and a powerful message, the spiritual fire emanating from the Apostolic Faith Mission on Azusa Street rapidly crossed strict cultural and national borders—into Mexico, Canada, Britain, Scandinavia, Africa, India, and China. Led by William J. Seymour, the revival became the catalyst for the modern Pentecostal movement. Today, the more than 500 million Christians who identify as Pentecostal or Charismatic can trace the roots of their faith to this humble beginning at Azusa Street. *The Azusa Street Mission and Revival* tells the full story of how this uniquely diverse and inclusive group grew into a powerful movement that forever changed the landscape of Christianity.

The Dictionary of Pan-African Pentecostalism, Volume One - Estrelida Y. Alexander 2018-06-22

This volume is the first in a series of volumes surveying the important names, movements, and institutions that have been significant in forging black renewal movements in various contexts worldwide. In this volume the entries cover the more than 150 identifiable Holiness, Pentecostal, Charismatic, Neo-Pentecostal, and quasi-Pentecostal bodies within the United States and Canada. In addition, the dictionary contains entries on the important people, places, events, and theological and secular issues that shaped these groups over their histories, some of which go back more than a century. This and subsequent volumes will be invaluable tools for students and scholars of the history of Pentecostalism.

The Labor of Faith - Judith Casselberry
2017-04-14

In *The Labor of Faith* Judith Casselberry examines the material and spiritual labor of the women of the Church of Our Lord Jesus Christ of the Apostolic Faith, Inc., which is based in Harlem and one of the oldest and largest historically Black Pentecostal denominations in the United States. This male-headed church only functions through the work of the church's women, who, despite making up three-quarters of its adult membership, hold no formal positions of power. Casselberry shows how the women negotiate this contradiction by using their work to produce and claim a spiritual authority that provides them with a particular form of power. She also emphasizes how their work in the church is as significant, labor intensive, and critical to their personhood, family, and community as their careers, home and family work, and community service are. Focusing on the circumstances of producing a holy black

female personhood, Casselberry reveals the ways twenty-first-century women's spiritual power operates and resonates with meaning in Pentecostal, female-majority, male-led churches.

The Christian Hymn Book - Alexander Campbell 1866

The Lord's Work - Tim Grass 2017-10-20
The Catholic Apostolic Church combined liturgical worship, charismatic experience, ecumenical vision, and eschatological expectation. Philip Schaff commented that the claims made for its apostles, if true, commanded every Christian's attention. Historians and liturgists alike have been fascinated by the Church, but deterred from researching it because of the notorious difficulty of access to material. This account of the church's growth and decline draws on archival sources from several countries, many not hitherto used for research, and publications in German as well as English. Previous accounts in English have

focused on the Church in the English-speaking world, but this book breaks fresh ground by covering the Church's development in every country where it was active. Surveying Catholic Apostolic history, polity, and ministry, it seeks to tell the story rather than using the Church as a test-case for a preconceived hypothesis. In so doing, it opens up a range of lines of inquiry for future researchers.

The Joy of the Gospel - Pope Francis 2014-10-07
The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the

Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus

Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage Outlook and Independent* - 1895

From Abyssinian to Zion - David W. Dunlap
2004-05-12

From modest chapels to majestic cathedrals, and historic synagogues to modern mosques and Buddhist temples: this photo-filled, pocket-size guidebook presents 1,079 houses of worship in Manhattan and lays to rest the common perception that skyscrapers, bridges, and parks are the only defining moments in the architectural history of New York City. With his exhaustive research of the city's religious buildings, David W. Dunlap has revealed (and at times unearthed) an urban history that reinforces New York as a truly vibrant center of

community and cultural diversity. Published in conjunction with a New-York Historical Society exhibition, *From Abyssinian to Zion* is a sometimes quirky, always intriguing journey of discovery for tourists as well as native New Yorkers. Which popular pizzeria occupies the site of the cradle of the Christian and Missionary Alliance movement, the Gospel Tabernacle? And where can you find the only house of worship in Manhattan built during the reign of Caesar Augustus? Arranged alphabetically, this handy guide chronicles both extant and historical structures and includes 650 original photographs and 250 photographs from rarely seen archives 24 detailed neighborhood maps, pinpointing the location of each building concise listings, with histories of the congregations, descriptions of architecture, and accounts of prominent priests, ministers, rabbis, imams, and leading personalities in many of the congregations
