Imperial Leather - Anne McClintock 2013-10-01

Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling.

Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

Fire in the Minds of Men - James H. Billington 1999

This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century.

Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg.

Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared The New Republic hailed it as "remarkable, learned and lively," while The New Yorker noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life.

Writing for Immortality - Anne E. Boyd 2010-01-01

Although these women were encouraged by the democratic ideals implicit in such concepts, they were equally discouraged by lingering prejudices about their applicability to women.

Hawaii's Story - Liliuokalani (Queen of Hawaii) 1898

Never Married - Amy M. Froide 2005-02-24

Never Married: Singlewomen in Early Modern England investigates a paradox in the history of early modern England: although one third of adult women were never married, these women have remained largely absent from historical scholarship. Amy Froide reintroduces us to the category of difference called marital status and to the significant ways it shaped the life experiences of early modern women. By de-centring marriage as the norm in social, economic, and cultural terms, her book critically refines our current understanding of people's lives in the past and adds to a recent line of scholarship that questions just how common 'traditional' families really were. This book is both a social-economic study of singlewomen and a cultural study of the meanings of singleness in early modern England. It focuses on never-married women in England's provincial towns, and on singlewomen from a broad social spectrum. Covering the entire early modern era, it reveals that this was a time of transition in the history of never-married women. During the sixteenth century life-long singlewomen were largely absent from popular culture, but by the eighteenth century they had become a central concern of English society. As the first book of original research to focus on singlewomen on the period, it also illuminates other areas of early modern history. Froide reveals the importance of kinship in the past to women without husbands and children, as well as to widows, widowers, single men, and orphans. Examining the contributions of working and propertied singlewomen, she is able to illustrate the importance of gender and marital status to urban economies and to notions of urban citizenship in the early modern era. Tracing the origins of the spinster and old maid stereotypes she reveals how singlewomen were marginalized as first the victims and then the villains of Protestant English society.

Work: A Story Of Experience - Louisa May Alcott 2020-11-06

This story relates, in many of its most important features and incidents, to actual experiences of its author; and in "Christie" we find the views and ideas of Miss Alcott herself expressed in such a way as to make them most interesting and valuable.

Women, Race, & Class - Angela Y. Davis 2011-06-29

From one of our most important scholars and civil rights activist icon, a powerful study of the women's liberation movement and the tangled knot of oppression facing Black women. "Angela Davis is herself a woman of undeniable courage. She should be heard."—The New York Times Angela Davis provides a powerful history of the social and political influence of whiteness and elitism in feminism, from abolitionist days to the present, and demonstrates how the racist and classist biases of its leaders inevitably hampered any collective ambitions. While Black women were aided by some activists like Sarah and Angelina Grimke and the suffrage cause found unwavering support in Frederick Douglass, many women played on the fears of white supremacists for political gain rather than take an intersectional approach to liberation. Here, Davis not only contextualizes the legacy and pitfalls of civil and women's rights activists, but also discusses Communist women, the murder of Emmitt Till, and Margaret Sanger's racism. Davis shows readers how the

inequalities between Black and white women influence the contemporary issues of rape, reproductive freedom, housework and child care in this bold and indispensable work.

Sentenced to the Punishment Clinic - Carole Archer 2016-08-31

As the world has struggled in the wake of an economic crisis that brought much of society to its knees, twenty-five-year-old Maria Davis has grown adept at living on the streets and stealing from the homes of the rich and powerful, but her luck runs out when she is caught in the act of robbing the home of a high-ranking government official. Sentenced to a day in the Punishment Clinic, she faces what will be by far the most humiliating experience of her life. She will be stripped naked, intimately examined, thoroughly cleaned both inside and out, and spanked long and hard, and that will only be the beginning. Helplessly aroused and completely on display, she will learn what it truly means to blush as she is brought to one quivering climax after another, and before her sentence is complete she will beg to be taken long and hard in the most shameful way possible. Publisher's Note: *Sentenced to the Punishment Clinic* is not a romantic story and it is not for the faint of heart. It is pure erotica that includes sexual scenes and sexual punishments, extensive medical play, spankings, anal play and punishments, exhibitionism, elements of BDSM, and more. If such material offends you, please don't buy this book.

The History of Rasselas, Prince of Abyssinia - Samuel Johnson 1831

History of the Arabic Written Tradition Supplement Volume 3 - i

Carl Brockelmann 2018-07-10

The present English translation reproduces the original German of Carl Brockelmann's *Geschichte der Arabischen Litteratur* (GAL) as accurately as possible. In the interest of user-friendliness the following emendations have been made in the translation: Personal names are written out in full, except b. for ibn; Brockelmann's transliteration of Arabic has been adapted to comply with modern standards for English-language publications; modern English equivalents are given for place names, e.g. Damascus, Cairo, Jerusalem, etc.; several erroneous dates have been corrected, and the page references to the two German editions have been retained in the margin, except in the Supplement volumes, where new references to the first two English volumes have been inserted.

Of Human Bondage - William Somerset Maugham 2012-12-10

Of Human Bondage is a novel by W. Somerset Maugham. It is generally agreed to be his masterpiece and to be strongly autobiographical in nature, although Maugham stated, "This is a novel, not an autobiography, though much in it is autobiographical, more is pure invention." Maugham, who had originally planned to call his novel *Beauty from Ashes*, finally settled on a title taken from Spinoza's *Ethics*.

The Education of Ivy Leavold - Sierra Simone 2015-02-09

I knew I was taking a risk loving a man like Julian Markham. But I thought that love was enough to cover over his darkness. I thought wrong. — Ivy Leavold came to Markham Hall looking for a home and a new start, and instead she found the enigmatic Julian Markham—along with a love that threatened to consume them both. Now Mr. Markham is offering her a new life as his bride, as the mistress of Markham Hall, and Ivy wants nothing more than to say yes. But Ivy knows that the closer she binds herself to Mr. Markham, the closer she binds herself to danger. And the deeper their love grows, the closer she gets to discovering the truth surrounding her cousin's death. Once she does, the explosive secret will rip them apart...possibly forever.

A Gentleman of Pleasure - Brian John Busby 2011

Venus in the Country - Anonymous 2016-08-17

Now that Pamela has turned 18, the couple that have fostered her since 15 require her to seek employment. Before she departs however Mr

Rumpole takes it upon himself to intimately inspect the young woman for who he has harboured a particularly lascivious desire. Naive in the ways of the flesh, Pamela soon loses herself in the dizzying heights of ecstasy. When all her assets are fully explored, she is left with a wanton urge to pass on her training to everyone she becomes so acquainted, man, woman, young, and old alike. In her new position as Governess, this libertine will also find new satisfaction in applying the birch and rod to her mischievous charges. Written anonymously in 1895 and in the same graphically licentious vein as *Flossie and First Training*, *Venus in the Country* is a deliciously fine example of Victorian erotica.

Hysteria Beyond Freud - Sander L. Gilman 2022-03-25

"She's hysterical." For centuries, the term "hysteria" has been used by physicians and laymen to diagnose and dismiss the extreme emotionality and mysterious physical disorders presumed to bedevil others—especially women. How did this medical concept assume its power? What cultural purposes does it serve? Why do different centuries and different circumstances produce different kinds of hysteria? These are among the questions pursued in this absorbing, erudite reevaluation of the history of hysteria. The widely respected authors draw upon the insights of social and cultural history, rather than Freudian psychoanalysis, to examine the ways in which hysteria has been conceived by doctors and patients, writers and artists, in Europe and North America, from antiquity to the early years of the twentieth century. In so doing, they show that a history of hysteria is a history of how we understand the mind. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1993.

My Early Life - Winston Churchill 1989

This memoir was first published in 1930 and describes the author's school days, his time in the Army, his experiences as a war correspondent and his first years as a member of Parliament.

The Well of Loneliness - Radclyffe Hall 2015-04-23

This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of *John O'London's Weekly*. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

Constructing Nineteenth-Century Religion - Joshua King 2022-04-02

Examines the ways in which religion was constructed as a category and region of experience in nineteenth-century literature and culture.

The Punishment of Ivy Leavold - Sierra Simone 2015-03-09

I ran as far as I could, but I knew he would find me. In fact, I counted on it. I counted on him punishing me too. — When Ivy Leavold ran away from Markham Hall on her wedding day, she knew that it wasn't the end. But what she didn't count on were the surprises, betrayals and horrors that awaited her outside of Mr. Markham's world. As for Julian Markham, he is determined to find his bride and win her back, but when the sins of his past return with a vengeance, can he keep her safe from the most dangerous thing of all...himself? *The Punishment of Ivy Leavold* is the third story in the Markham Hall series. The ebook edition now includes the bonus novella *The Reclaiming of Ivy Leavold*.

The American Slave Narrative and the Victorian Novel - Julia Sun-Joo Lee 2010-04-09

This title explores the influence of the American slave narrative on the Victorian novel. The book argues that Charlotte Bronte, Charles Dickens, and Robert Louis Stevenson integrated into their works elements of the slave narrative.

Lord Barclay's Seduction - Em Brown 2015-09-30

A young man attempts to prevent his beautiful wife from falling into bed with a handsome and seductive rake.

The Subjection of Women - John Stuart Mill 1869

Woman's Inhumanity to Woman - Phyllis Chesler 2009-05-01

Drawing on the most important studies in psychology, human aggression,

anthropology, and primatology, and on hundreds of original interviews conducted over a period of more than 20 years, this groundbreaking treatise urges women to look within and to consider other women realistically, ethically, and kindly and to forge bold and compassionate alliances. Without this necessary next step, women will never be liberated. Detailing how women's aggression may not take the same form as men's, this investigation reveals--through myths, plays, memoir, theories of revolutionary liberation movements, evolution, psychoanalysis, and childhood development--that girls and women are indeed aggressive, often indirectly and mainly toward one another. This fascinating work concludes by showing that women depend upon one another for emotional intimacy and bonding, and exclusionary and sexist behavior enforces female conformity and discourages independence and psychological growth.

He was too surprised to draw back and when he tried, she had already placed her unexpectedly strong arms around his neck and he lacked the strength to pry them away. In fact, he felt strangely helpless, like it was someone else who acted instead of him, as he kissed her back. His hands involuntarily reached her waist and pulled her closer." - From the short story "View of a cemetery" "This, this is not really happening, is it?" Agnes whispered, breathless as Catherine started to undo her corset. "No, of course it is not," Catherine agreed, suppressing a small moan of delight as she pulled down the upper part of the linen undergarment and very attentively and experimentally kissed Agnes' soft round breasts. - From the short story "Wildflowers" "No, no, none of that..." he said teasingly, but reluctantly, as he moved her hands away. "Not yet," he added and smiled roguish at her disappointed sigh. I stayed petrified in front of the window as the scene continued before me. I felt feverish and out of breath myself, wishing with all my heart that someone would make love to me like that, but also keenly aware of that I was watching something entirely private and that it was both wicked and wrong of me to stay and look. - From the short story "Booklover" Product details: #9 on the Top 10 list of Victorian Erotica Romance (Amazon US) #86 on the Top 100 list of Erotica Fiction (Amazon UK) Category: Victorian Romance and Erotica Format: Kindle eBook Written and published: 2011 Length: ~ 20800 words (each story is short and sweet ~2500 words) Proofread by Nicolas Ambrose Publisher: My Secret Quill About the author: Lady T. The Conquest of Happiness - Bertrand Russell 2018-04-20

Bertrand Arthur William Russell, 18 May 1872–2 February 1970) was a British philosopher, logician, mathematician, historian, writer, social critic and political activist. At various points in his life he considered himself a liberal, a socialist, and a pacifist. In the early 20th century, Russell led the British "revolt against idealism". He is considered one of the founders of analytic philosophy along with his predecessor Gottlob Frege, colleague G. E. Moore, and his protégé Ludwig Wittgenstein. He is widely held to be one of the 20th century's premier logicians. With A. N. Whitehead he wrote *Principia Mathematica*, an attempt to create a logical basis for mathematics. His philosophical essay "On Denoting" has been considered a "paradigm of philosophy". His work has had a considerable influence on logic, mathematics, set theory, linguistics, artificial intelligence, cognitive science, and philosophy, especially the philosophy of language, epistemology, and metaphysics.

The New Machiavelli - Herbert George Wells 1911

Zuleika Dobson or An oxford Love Story - Max Beerbohm 1911

The Woman Reader, 1837-1914 - Kate Flint 1995

This book is an original and fascinating look at the topos of the woman reader and its functioning in cultural debate between the accession of Queen Victoria and the First World War. The issue of women and reading--what they should read; what they should be protected from; how, what, and when they should read--was the focus of lively discussion in the nineteenth century in a wide range of media. Flint uses recent feminist analyses of how women read as a context for her detailed and readable study of these debates, exploring in a variety of texts--from magazines like *Woman's World* and *My Lady's Novelette* to works of literature like *Jane Eyre* and *The Portrait of a Lady*--the range of stereotypes and directives addressed to women readers, and their influence on the writing of fiction. She also looks at how women readers of all classes understood their own reading experiences.

The Sex Goddess - William Woolfolk 2001-04-01

This novel deals with the woman who by common consent was considered the most beautiful actress ever to appear on a movie screen. The facts of her life are on record and so are her major love affairs with the leading figures of her day. You won't have to read very far to

recognize who she is. Some names have been changed to spare the feelings of those still alive who might find some of the graphic sexual descriptions here offensive, but these are all based on published and reliable accounts from many sources. This is "factual-fiction" at its exciting and daring best.

A Vindication of the Rights of Woman - Mary Wollstonecraft 1891

No feminism or feminist philosophy without "A Vindication of the Rights of Woman". Wollstonecraft argues not only that women ought to have the education of a woman should fit her position and role in society, but also that they are human beings and thus deserve the same fundamental rights as men.
