Around the World in 80 Spiritual Places - Alice Peck 2022-07-12

Discover some of the world's most awe-inspiring and holy places, from Stonehenge to Uluru, and Walden Pond to Angkor Wat. Humans have always searched for and created meaning in the world around them, whether in breathtakingly stunning natural features and phenomena, acknowledging the ancient home of a particular faith or movement, or honouring the location of a significant event. In this beautifully illustrated guide, Alice Peck discusses what makes a place spiritual - whether reaches of time, geography, the provision of sustenance or inspiration, or mystery and magic - and then explores 80 such locations around the globe. Rather than a comprehensive travel guide, the description of each one includes a detail or tip - something beautiful, strange, relatively unknown or unfamiliar - to allow readers to deepen their focus and perhaps experience the place in a different way than they might expect. If you are unable to travel at this time, this book will help you plan your next adventure. And if you are trying to limit your carbon footprint, each destination is accompanied by a related meditation, prayer, practice or quotation to help you connect to the spirit of it from your own home.

Religion and Urbanism - Yamini Narayanan 2015-11-19

Conceptions of 'sustainable cities' in the pluralistic and multireligious urban settlements of developing nations need to develop out of local cultural, religious and historical contexts to be inclusive and accurately respond to the needs of the poor, ethnic and religious minorities, and women. Religion and Urbanism contributes to an expanded understanding of 'sustainable cities' in South Asia by demonstrating the multiple, and often conflicting ways in which religion enables or challenges socially equitable and ecologically sustainable urbanisation in the region. In particular, this collection focuses on two aspects that must inform the sustainable cities discourse in South Asia: the intersections of religion and urban heritage, and religion and various aspects of informality. This book makes a much-needed contribution to the nexus between religion and urban planning for researchers, postgraduate students and policy makers in Sustainable Development, Development Studies, Urban Studies, Religious Studies, Asian Studies, Heritage Studies and Urban and Religious Geography.

Scientists working in different Universities /Institutions and Research Stations have contributed chapter on fruit crops in their respective areas of specialization. The book will be highly beneficial to the graduate and post-graduate students in Fruit Science, fruit growers, scientists and extension workers.

The Oxford Handbook of Sikh Studies - Pashaura Singh 2014-03-27

The Oxford Handbook of Sikh Studies innovatively combines the ways in which scholars from fields as diverse as philosophy, psychology, religious studies, literary studies, history, sociology, anthropology, political science, and economics have integrated the study of Sikhism within a wide range of critical and postcolonial perspectives on the nature of religion, violence, gender, ethno-nationalism, and revisionist historiography. A number of essays within this collection also provide a more practical dimension, written by artists and practitioners of the tradition. The Handbook is divided into eight thematic sections that explore different 'expressions' of Sikhism. Historical, literary, ideological, institutional, and artistic expressions are considered in turn, followed by discussion of Sikhs in the Diaspora, and of caste and gender in the Panth. Each section begins with an essay by a prominent scholar in the field, providing an overview of the topic. Further essays provide detail and further treat the fluid, multivocal nature of both the Sikh past and the present. The Handbook concludes with a section considering future directions in Sikh Studies.

Understanding Sikhism - W. Owen Cole 2004-08-26

One of the worlds major faiths with more than 20 million adherents, Sikhism is a religion which most people, including academics, seem to ignore. This introduction assumes no prior knowledge on the part of the reader. At the centre of the religion is the scripture, the Guru Granth Sahib, it is the focus of Sikh theology and practice to the extent that no one is allowed to come between it and the believer. There is no priesthood. A particular aspect of Sikhism is its relationship with and attitude to other religions, something of particular significance in our multi-religious society.

Patriotic Pilgrimage Of India - Rishi Raj 2018-01-01

This book is an attempt to make our present generation aware of those great people; who sacrificed their lives to protect our Motherland; thereby facilitated us to breathe in the free environment. This book is an account to their acts of valour and places associated with them. With a firm view that every Indian is indebted to contributions of all such warriors; freedom fighters; revolutionaries whose debts cannot be repaid

by any means; the author believes that we can lessen the debts by visiting those sacred places; by meeting their families and also by passing these virtues to our younger generation. More than a research in history; this book is a result of the author's aspirations to visit historical places of our illustrious country. Through this book; the author has connected these shrines of martyrdom with history and importance in the present times. This book consist details of about 50 such places associated with the martyrs and patriots. The book is intended to act as a bridge which may help our older generation connect with the younger generation.

Dukh Bhanjani Sahib : Translation & Transliteration - Manmohan Singh Sethi 2015-08-26

"Take the first step towards God, and The Lord shall take a million steps towards you." Prayer is the first step one can take on the path to 'God Realization', which is the true purpose of human life. Pain and Pleasure are the two sides of the same coin that act as the primary driving force of all human actions. Everybody wants to avoid suffering and yearns for peace and happiness. While all prayers are good and bring about peace and happiness, Sikhism offers two special prayers that address peace and suffering. The first one is Sukhmani Sahib which brings about peace and contentment, and the second one is Dukh Bhanjani Sahib which focuses on removing pain and suffering. Only The Lord's Name can bring about peace, and can shield one from suffering. The verses in each prayer guide the mortal to attempt to understand and live life in tune with the Will of The Immortal, thereby removing all hardship and suffering. The word 'Dukh' means a hardship or ailment, or suffering, causing a pain. The word 'Bhanjani' means destroyer or crusher; hence the phrase "Dukh Bhanjani" means "Destroyer of Pain". All the shabads in this composition are composed by Guru Arjan Dev Ji. Dukh Bhanjani is a composition of sacred hymns put together in three Raags(musical measures) - Raga Gauri,Raga Bilaval and Raga Sorath. This prayer is done in order to alleviate any form of ailments ("Dukh") or hardship experienced. Presented in this book is the Translation and Transliteration in English for those who cannot, or are not well versed in the Gurmukhi script. While every effort has been made to simplify the transliteration, I encourage the reader to read the prayers while listening to them in audio format a couple of times. This will help them grasp the correct pronunciation. There is a link to the prayer in YouTube. This will help to get the correct pronunciation, or if you wish to just listen to the prayers. After doing prayers regularly, one can look for translation books to assist in helping understand the Bani. Suitable to gift friends and family too. The gift of 'Dhamma', or 'Gian', is the ultimate gift that brings joy and peace to the giver and the receiver. There should be no hindrance on your part towards making the first step to God. PRAY!

Sacred Plants of India - Nanditha Krishna 2014-05-15

Plants personify the divine— The Rig Veda (X.97) Trees and plants have long been held sacred to communities the world over. In India, we have a whole variety of flora that feature in our myths, our epics, our rituals, our worship and our daily life. There is the pipal, under which the Buddha meditated on the path to enlightenment; the banyan, in whose branches hide spirits; the ashoka, in a grove of which Sita sheltered when she was Ravana's prisoner; the tulsi, without which no Hindu house is considered complete; the bilva, with whose leaves it is possible to inadvertently worship Shiva. Before temples were constructed, trees were open-air shrines sheltering the deity, and many were symbolic of the Buddha himself. Sacred Plants of India systematically lays out the sociocultural roots of the various plants found in the Indian subcontinent, while also asserting their ecological importance to our survival. Informative, thought-provoking and meticulously researched, this book draws on mythology and botany and the ancient religious traditions of India to assemble a detailed and fascinating account of India's flora.

History of Sikh Gurus Retold: 1469-1606 C.E - Surjit Singh Gandhi 2007
The Impulse Behind The Study In Hand Was The Longing To Find Adequate Answers To Certain Vital Questions What Exactly Does Sikhism Stand For? Why Was It Originated And Developed By Guru Nanak And His Nine Successors? How Did It Strike Roots Among People? What Institutions And Structures The Gurus Evolved To Highlight And Escalate It? What Type Of Praxis Of Man And Society Gurus Visualized? How Was It Different From Contemporary Religious Systems Islam, Hinduism, Sahajyana, Buddhism, Nathism, Bhakti System Etc.? Was It A Synthesis Of Different Traits Of Different Religions? Was It A Syncretism Of Hindu And Muslim Cultures Or Was It An Independent System? Did Sikhism

Purport To Design To Raise Itself On Premises Different From The Ones Which Formed The Foundations Of Hindu Or Other Societies? Was It Merely Reformist Movement Aiming At Certain Targets Within Time And Space Or A Distinct Spirito-Social Process To Urge The People To March Towards Integrated Development Both At Micro And Macro Levels? What Was The True Nature Of Supreme Reality As Conceived By The Gurus? How Is This Related With The Universe Including Man And How Does It Permeate, Pervade And Operate The Whole Universe? What Type Of Society Conforms To God S Will And How Was Its Consummation Possible? Which Models Of Polity And Social Edifice Were Recommended By The Gurus? Is Sikhism A Life-Affirming Dispensation Or Life-Negating Philosophy? Why Was Structural Bonding Of Religion And Politics Effected And Institutionalised? What Is The Place Of Sikhism In The Comity Of Religions And How It Is Relevant To Challenges Of The Present-Day World? Such Questions And A Lot More Being Vital And Crucial For The Understanding Of The Role Of Gurus And Their Dispensation, Have Been Fully Taken Cognizance Of In The Present Study.

Temple of Sprituality Or Golden Temple of Amritsar - Jagjit Singh 1935

Early Nineteenth-Century Panjab - J. S. Grewal 2015-12-22

The Chār Bāgh-i-Panjāb, written by Ganesh Das Wadera immediately after the annexation of the Lahore kingdom by the British in 1849, is a classic Persian text. Its long descriptive part is the only surviving account of the social, religious, and cultural life of the peoples of the Punjab, especially during the late-eighteenth and the early-nineteenth century. Ganesh Das writes about traditional learning, literature, folklore, urban centres, and women with a rare catholicity as an Indian, an orthodox Hindu, a Punjabi, and a Khatri. Himself a hereditary qanungo of Gujrat in the Sikh kingdom, he also provides valuable insights into the structure of revenue administration at lower rungs. This volume presents an authoritative English translation of this primary descriptive section of Chār Bāgh-i-Panjāb, with a detailed Introduction, critical commentary, glossary, map, and a classified index. Indispensable for researchers, it will interest historians of medieval and modern India, especially those concerned with the pre-Independence Punjab region.

Faith Traditions and Practices in the Workplace Volume I - Mai Chi Vu 2022-11-10

This two volume work examines the role of spiritual and religious traditions as a balancing force during times of crisis in organizational settings. Elucidating the varied ways in which spiritual/religious traditions provide new ways of coping in unprecedented times, the chapters provide an integrative review and critical analysis of recent research in the field. Bringing together an extraordinary compendium of religious/ spiritual traditions through a combination of Eastern and Western approaches, this comprehensive work provides a new perspective and highlights alternative mechanisms to deal with current socio-economic dilemmas and workplace crisis facing humanity. Weaving together various strands in a systematic manner, Volume 1 focuses on the faith traditions and practices including Hinduism Sikhism, Quakerism, Catholicism, Presbyterianism, Abraham religions, while Volume 2 focuses on spiritual traditions including Buddhism and Confucianism. Within the chapters of Volume 1, the authors offer critical explorations of a wide range of topics ranging from crisis management, community responses to Covid-19, environmental degradation and inclusive economic growth.

The World's Must-See Places - DK Eyewitness 2011-10-03

The World's Must-See Places takes you on a tour of over 100 of the world's greatest sights. In true DK Eyewitness Travel Guide style, each

page of the book will show you what other books only tell you, with unique 3-D cutaway artworks that let you look inside each building as if you were there. Each featured sight has been selected for its uniqueness, or its historical or architectural importance, and many are included on UNESCO's list of World Heritage Sites. Situated across the five continents, the sights include iconic landmarks, such as Chartres Cathedral and Sydney Opera House, and lesser-known gems, including the Kairouan Mosque in Tunisia and the Toshu-gu Shrine in Japan. In addition to engaging text that describes each sight, sidebars and text panels cover topics such as the architectural style of the building, the architect and his works, or historic events or people that shaped the building as we know it today. This book will not only inspire readers to visit some, if not all, of the featured sights, but will also appeal to armchair travelers who prefer to view the sights from the comfort of their own home.

Golden Temple - S. S. Bhatti 2013

Golden Temple: Marvel of Sikh Architecture by Dr SS Bhatti is based on the author's doctoral thesis for his third PhD from Panjab University, Chandigarh. This work on the Golden Temple is the first one of its kind in that it has been done by a professional whose research and creative contribution in the three fields of Architecture, Engineering, and Aesthetics is quite well known. The author has developed a new method of studying historical monuments, and of establishing their distinct styles on the basis of illustrated analysis of the three fundamental elements of building design: space, structure, and form. Dr Bhatti has convincingly shown how Sikh Architecture is an independent style of building design, which has produced the Golden Temple, Amritsar: a marvel of Sikh Architecture with its characteristic ebullience and aesthetic charm. This book is a definitive work on the theory and practice of building design with a befitting research methodology, which should benefit students, teachers, practitioners, and scholars alike worldwide.
