Islamic Art - Luca Mozzati
2010

This Stunning book includes more than four hundred reproductions of treasures of Islamic art that span the world. With its large format, exquisite photographs and extensive research, this is a thorough introduction to an exceptional artistic tradition. This outstanding survey of art from the Islamic world covers three continents and fourteen centuries. The unique objects shown here in the form of magnificent full-colour photographs, include examples of architecture, painting, calligraphy, ceramics, glass and carpets. Each era and region is given a detailed introduction, offering the historical context along with extensive and erudite descriptions of its artefacts. Accompanying essays aid in interpreting the intricate themes that tie these diverse works together

A Concise History of the Baltic States - Andrejs Plakans 2011-02-24

The Baltic region is frequently

neglected in broader histories of Europe and its international significance can be obscured by separate treatments of the various Baltic states. With this wide-ranging survey, Andrejs Plakans presents an integrated history of three Baltic peoples - Estonians, Latvians and Lithuanians - and draws out the common threads to show how it has been shaped by their location in a strategically desirable corner of Europe. Subordinated in turn by Baltic German landholders, the Polish nobility and gentry, and then by Russian and Soviet administrators, the three nations have nevertheless kept their distinctive identities - significantly retaining three separate languages in an ethnically diverse region. The book traces the countries' evolution from their ninth-century tribal beginnings to their present status as three thriving and separate nation states, focusing particularly on the region's complex twentieth-century history, which culminated in the eventual re-establishment of national

sovereignty after 1991.

Religious Pilgrimage Routes and Trails - Daniel H Olsen
2018-05-30

For millennia people have travelled to religious sites for worship, initiatory and leisure purposes. Today there are hundreds, if not thousands, of religious pilgrimage routes and trails around the world that are used by pilgrims as well as tourists. Indeed, many religious pilgrimage routes and trails are today used as themes by tourism marketers in an effort to promote regional economic development. An important resource for those interested in religious tourism and pilgrimage, this book is also an invaluable collection for academics and policy-makers within heritage tourism and regional development.

The World's Must-See Places - DK Eyewitness
2011-10-03

The World's Must-See Places takes you on a tour of over 100 of the world's greatest sights. In true DK Eyewitness Travel Guide style, each page of the book will show you what other books only tell you, with unique 3-D cutaway artworks that let you look inside each building as if you were there. Each featured sight has been selected for its uniqueness, or its historical or architectural importance, and many are included on UNESCO's list of World Heritage Sites. Situated across the five continents, the sights include iconic landmarks, such as Chartres Cathedral and Sydney Opera House, and lesser-known gems, including the Kairouan Mosque in Tunisia and the Toshu-gu Shrine in Japan. In addition to engaging text that describes each sight, sidebars and text

panels cover topics such as the architectural style of the building, the architect and his works, or historic events or people that shaped the building as we know it today. This book will not only inspire readers to visit some, if not all, of the featured sights, but will also appeal to armchair travelers who prefer to view the sights from the comfort of their own home.
