The 48 Laws of Power - Robert Greene
2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of The Laws of Human Nature. In the book that People magazine proclaimed "beguiling" and

"fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Outsiders - S. E. Hinton 2012-05-15

50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. Cover may vary. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on "greasers" like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. Homie - Danez Smith 2020-01-21

Danez Smith is our president Homie is Danez

Smith's magnificent anthem about the saving grace of friendship. Rooted in the loss of one of Smith's close friends, this book comes out of the search for joy and intimacy within a nation where both can seem scarce and getting scarcer. In poems of rare power and generosity, Smith acknowledges that in a country overrun by violence, xenophobia, and disparity, and in a body defined by race, queerness, and diagnosis, it can be hard to survive, even harder to remember reasons for living. But then the phone lights up, or a shout comes up to the window, and family—blood and chosen—arrives with just the right food and some redemption. Part friendship diary, part bright elegy, part war cry, *Homie* is the exuberant new book written for Danez and for Danez's friends and for you and for yours.

The White Card - Claudia Rankine 2019-03-19

A play about the imagined fault line between black and white lives by Claudia Rankine, the author of *Citizen* *The White Card* stages a conversation that is both informed and derailed by the black/white American drama. The scenes in this one-act play, for all the characters' disagreements, stalemates, and seeming impasses, explore what happens if one is willing to stay in the room when it is painful to bear the pressure to listen and the obligation to respond. —from the introduction by Claudia Rankine *Claudia Rankine's* first published play, *The White Card*, poses the essential question: Can American society progress if whiteness remains invisible? Composed of two scenes, the play opens with a dinner party thrown by Virginia and Charles, an influential Manhattan couple, for the up-and-coming artist Charlotte. Their conversation about art and representations of race spirals toward the devastation of Virginia and Charles's intentions. One year later, the second scene brings Charlotte and Charles into the artist's studio, and their confrontation raises both the stakes and the questions of what—and who—is actually on display. Rankine's *The White Card* is a moving and revelatory distillation of racial divisions as experienced in the white spaces of the living room, the art gallery, the theater, and the imagination itself.

The Raven - Edgar Allan Poe 1898

The Lonely American - Jacqueline Olds

2009-02-01

In today's world, it is more acceptable to be depressed than to be lonely-yet loneliness appears to be the inevitable byproduct of our frenetic contemporary lifestyle. According to the 2004 General Social Survey, one out of four Americans talked to no one about something of importance to them during the last six months. Another remarkable fact emerged from the 2000 U.S. Census: more people are living alone today than at any point in the country's history—fully 25 percent of households consist of one person only. In this crucial look at one of America's few remaining taboo subjects—loneliness—Drs. Jacqueline Olds and Richard S. Schwartz set out to understand the cultural imperatives, psychological dynamics, and physical mechanisms underlying social isolation. In *The Lonely American*, cutting-edge research on the physiological and cognitive effects of social exclusion and emerging work in the neurobiology of attachment uncover startling, sobering ripple effects of loneliness in areas as varied as physical health, children's emotional problems, substance abuse, and even global warming. Surprising new studies tell a grim truth about social isolation: being disconnected diminishes happiness, health, and longevity; increases aggression; and correlates with increasing rates of violent crime. Loneliness doesn't apply simply to single people, either—today's busy parents "cocoon" themselves by devoting most of their non-work hours to children, leaving little time for friends, and other forms of social contact, and unhealthily relying on the marriage to fulfill all social needs. As a core population of socially isolated individuals and families continues to balloon in size, it is more important than ever to understand the effects of a culture that idealizes busyness and self-reliance. It's time to bring loneliness—a very real and little-discussed social epidemic with frightening consequences—out into the open, and find a way to navigate the tension between freedom and connection in our lives.

Erasure - Percival Everett 2011-10-25

Percival Everett's *Erasure* is a blistering satire about race and writing Thelonious "Monk" Ellison's writing career has bottomed out: his latest manuscript has been rejected by seventeen publishers, which stings all the more because his previous novels have been "critically acclaimed." He seethes on the sidelines of the literary establishment as he watches the meteoric success of *We's Lives in Da Ghetto*, a first novel by a woman who once visited "some relatives in Harlem for a couple of days."

Meanwhile, Monk struggles with real family tragedies—his aged mother is fast succumbing to Alzheimer's, and he still grapples with the reverberations of his father's suicide seven years before. In his rage and despair, Monk dashes off a novel meant to be an indictment of Juanita Mae Jenkins's bestseller. He doesn't intend for *My Pafology* to be published, let alone taken seriously, but it is—under the pseudonym Staggy R. Leigh—and soon it becomes the Next Big Thing. How Monk deals with the personal and professional fallout galvanizes this audacious, hysterical, and quietly devastating novel.

The House of Rust - Khadija Abdalla Bajaber 2021-10-19

The first Graywolf Press African Fiction Prize winner, a story of a girl's fantastical sea voyage to rescue her father *The House of Rust* is an enchanting novel about a Hadhrami girl in Mombasa. When her fisherman father goes missing, Aisha takes to the sea on a magical boat made of a skeleton to rescue him. She is guided by a talking scholar's cat (and soon crows, goats, and other animals all have their say, too). On this journey Aisha meets three terrifying sea monsters. After she survives a final confrontation with Baba wa Papa, the father of all sharks, she rescues her own father, and hopes that life will return to normal. But at home, things only grow stranger. Khadija Abdalla Bajaber's debut is a magical realist coming-of-age tale told through the lens of the Swahili and diasporic Hadhrami culture in Mombasa, Kenya. Richly descriptive and written

with an imaginative hand and sharp eye for unusual detail, *The House of Rust* is a memorable novel by a thrilling new voice.

The Lonely City - Olivia Laing 2016-03

There is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. This roving cultural history of urban loneliness centers on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Laing travels deep into the work and lives of some of the century's most original artists in a celebration of the state of loneliness.

Nothing in Nature is Private - Claudia Rankine 1994

Poetry. African American Studies. "Claudia Rankine is a fiercely gifted young poet. Intelligence, a curiosity and hunger for understanding like some worrying, interior, physical pain, a gift for being alert in the world. She knows when to bless and to curse, to wonder and to judge, and she doesn't flinch. NOTHING IN NATURE IS PRIVATE is an arrival.

It's the kind of book that makes you hopeful for American poetry."—Robert Hass "I am excited by Claudia Rankine's poems, their elegance, their emotional force, their scrupulous intimation of multiple identities. Representing brilliantly the prismatic vision of a Jamaican, middle class, intellectual black woman living in America, they address the widest constituency of readers. This is a richly rewarding collection."—Mervyn Morris

American Women Poets in the 21st Century - Claudia Rankine 2013-10-01

Poetry in America is flourishing in this new millennium and asking serious questions of itself: Is writing marked by gender and if so, how? What does it mean to be experimental? How can lyric forms be authentic? This volume builds on the energetic tensions inherent in these questions, focusing on ten major American women poets whose collective work shows an incredible range of poetic practice. Each section of the book is devoted to a single poet and contains new poems; a brief "statement of poetics" by the poet herself in which she explores the forces — personal, aesthetic, political — informing her creative work; a critical essay on the poet's work; a biographical statement; and a bibliography listing works by and about the poet. Underscoring the dynamic give and take between poets and the culture at large, this anthology is indispensable for anyone interested in poetry, gender and the creative process. Postcolonial Love Poem - Natalie Diaz 2020-03-03

Natalie Diaz's highly anticipated follow-up to *When My Brother Was an Aztec*, winner of an American Book Award *Postcolonial Love Poem* is an anthem of desire against erasure. Natalie Diaz's brilliant second collection demands that every body carried in its pages—bodies of language, land, rivers, suffering brothers, enemies, and lovers—be touched and held as beloveds. Through these poems, the wounds inflicted by America onto an indigenous people are allowed to bloom pleasure and tenderness: "Let me call my anxiety, desire, then. / Let me

call it, a garden." In this new lyrical landscape, the bodies of indigenous, Latinx, black, and brown women are simultaneously the body politic and the body ecstatic. In claiming this autonomy of desire, language is pushed to its dark edges, the astonishing dunefields and forests where pleasure and love are both grief and joy, violence and sensuality. Diaz defies the conditions from which she writes, a nation whose creation predicated the diminishment and ultimate erasure of bodies like hers and the people she loves: "I am doing my best to not become a museum / of myself. I am doing my best to breathe in and out. // I am begging: Let me be lonely but not invisible." *Postcolonial Love Poem* unravels notions of American goodness and creates something more powerful than hope—in it, a future is built, future being a matrix of the choices we make now, and in these poems, Diaz chooses love.

Yellow Rain - Mai Der Vang 2021-09-21

A reinvestigation of chemical biological weapons dropped on the Hmong people in the fallout of the Vietnam War In this staggering work of documentary, poetry, and collage, Mai Der Vang reopens a wrongdoing that deserves a new reckoning. As the United States abandoned them at the end of the Vietnam War, many Hmong refugees recounted stories of a mysterious substance that fell from planes during their escape from Laos starting in the mid-1970s. This substance, known as "yellow rain," caused severe illnesses and thousands of deaths. These reports prompted an investigation into allegations that a chemical biological weapon had been used against the Hmong in breach of international treaties. A Cold War scandal erupted, wrapped in partisan debate around chemical arms development versus control. And then, to the world's astonishment, American scientists argued that yellow rain was the feces of honeybees defecating en masse—still held as the widely accepted explanation. The truth of what happened to the Hmong, to those who experienced and suffered yellow rain, has been ignored and discredited. Integrating archival research and declassified documents, *Yellow Rain* calls out the erasure of a history, the silencing of a people who at the time lacked the capacity and resources to defend and represent themselves. In poems that sing and lament, that

contend and question, Vang restores a vital narrative in danger of being lost, and brilliantly explores what it means to have access to the truth and how marginalized groups are often forbidden that access.

Just Give Me a Cool Drink of Water 'fore I Diie - Maya Angelou 2013-04-10

Another remarkable collection of poetry from one of America's masters of the medium. The first part gathers together poems of love and nostalgic memory, while Part II portrays confrontations inherent in a racist society.

Don't Let Me Be Lonely - Claudia Rankine 2004-09

In this powerful sequence of TV images and essay, Claudia Rankine explores the personal and political unrest of our volatile new century. I forget things too. It makes me sad. Or it makes me the saddest. The sadness is not really about George W. or our American optimism; the sadness lives in the recognition that a life can not matter. The award-winning poet Claudia Rankine, well known for her experimental multigenre writing, fuses the lyric, the essay, and the visual in this politically and morally fierce examination of solitude in the rapacious and media-driven assault on selfhood that is contemporary America. With wit and intelligence, Rankine strives toward an unprecedented clarity-of thought, imagination, and sentence-making-while arguing that recognition of others is the only salvation for ourselves, our art, and our government. Don't Let Me Be Lonely is an important new confrontation with our culture, with a voice at its heart bewildered by its inadequacy in the face of race riots, terrorist attacks, medicated depression, and the antagonism of the television that won't leave us alone.

Don't Let Me Be Lonely - Claudia Rankine 2017-02-02

"Here, available for the first time in the UK, is the book in which Claudia Rankine first developed the 'American Lyric' form which makes her Forward Prize-winning collection Citizenso distinctive- an original combination of poetry, lyric essay, photography and visual art, virtuosically deployed. Don't Let Me Be Lonely is Rankine's meditation on the self bewildered by race riots, terrorism, medicated depression and television's ubiquitous influence. Written during George W. Bush's presidency in an America still reeling from the 9/11 attacks and charging headlong into war in Iraq, this is an early 21st-century work of great wit, intelligence and depth of feeling, with urgent lessons for the present."

Penguin Modern Poets 6 - Claudia Rankine 2017-10-26

Volume 6, Dark Looks, features the work of Maggie Nelson and Claudia Rankine, the two American poets who, in hybrid books bridging the divide between poetry, lyric prose, life-writing and theory such as Bluets, The Argonauts, Don't Let Me Be Lonely and Citizen, have transformed the literary landscape over the last 15 years, alongside that of Denise Riley, who for decades has been exploring closely related concerns - motherhood; identity and oppression; loss; the language and words that build, or assault, our selves - as one of the best-kept secrets of British poetry, now fittingly recognized by a string of shortlistings and awards. These are writers who combine deep thought with deep feeling to illuminate our world, how we suffer in it, how we resist it, and how we can live with and love it.

Norwegian Wood - Haruki Murakami

2010-08-11

A magnificent coming-of-age story steeped in nostalgia, *Norwegian Wood* blends the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, *Norwegian Wood* first propelled Haruki Murakami into the forefront of the literary scene.

Just Us - Claudia Rankine 2020-09-08

FINALIST FOR THE 2021 ANDREW CARNEGIE MEDAL FOR EXCELLENCE IN NONFICTION

Claudia Rankine's *Citizen* changed the conversation—*Just Us* urges all of us into it As everyday white supremacy becomes increasingly vocalized with no clear answers at hand, how best might we approach one another? Claudia Rankine, without telling us what to do, urges us to begin the discussions that might open pathways through this divisive and stuck moment in American history. *Just Us* is an invitation to discover what it takes to stay in the room together, even and especially in breaching the silence, guilt, and violence that follow direct addresses of whiteness. Rankine's questions disrupt the false comfort of our culture's liminal and private spaces—the airport, the theater, the dinner party, the voting booth—where neutrality and politeness live on the surface of differing commitments, beliefs, and prejudices as our public and private lives intersect. This brilliant arrangement of essays, poems, and images includes the voices and rebuttals of others: white men in first class responding to, and with, their white male privilege; a friend's explanation of her infuriating behavior at a play; and women confronting the political currency of dying their

hair blond, all running alongside fact-checked notes and commentary that complements Rankine's own text, complicating notions of authority and who gets the last word. Sometimes wry, often vulnerable, and always prescient, *Just Us* is Rankine's most intimate work, less interested in being right than in being true, being together.

Love and Other Words - Christina Lauren

2018-04-10

After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching, romantic novel *Love and Other Words*...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.

The End of the Alphabet - Claudia Rankine
2007-12-01

A "harrowing and hallucinogenic" collection of poems from author of the New York Times bestselling National Book Award-finalist *Citizen: An American Lyric* (Library Journal). Claudia Rankine's book-length poem about rising racial tensions in America, *Citizen: An American Lyric*, won numerous prizes, including the The National Book Critic's Circle Award. Her new collection of poems—intrepid, obsessive, and erotic—tell the story of a woman's attempt to reconcile herself to her own despair. Drawing on voices from Jane Eyre to Lady MacBeth, Rankine welds the cerebral and the spiritual, the sensual and the grotesque. Whether writing

about intimacy or alienation, what remains long after is her singular voice—its beguiling cadence and vivid physicality. There is an unprotected quality to this writing, as if each word has been pushed out along the precipice, daring us to go with it. Rankine's power lies in the intoxicating pull of that dare. From one of contemporary poetry's most powerful and provocative authors, *The End of the Alphabet* is a work where "wits at once keen and tenacious match themselves against grief's genius" (Boston Review).

Please Hear What I'm Not Saying - Charles C. Finn 2011-11-22

Standing at that magical place where sand meets sea, you likely have imagined putting a message in a bottle, consigning it to the waves, hoping it might some day reach another shore, and then not only be read but, incredibly across space and time, make a difference in other lives now connected to your own. It has happened to me, and I must sing of it. In the autumn of 1966 I let the waves carry off a poem passed around to students, family and friends, no need for even my name on it. Its message was simple: Keep heart, you are not alone; love, stronger than strong walls, will come, helping your heart in hiding grow wings, feeble perhaps at first, but wings! Word astoundingly began to come back in 1969, and has continued since, that *Please Hear What I'm Not Saying* was indeed reaching other shores, across space and time was indeed making a difference in other lives. What follows attests to the power of words from the heart to touch other hearts, sometimes even to change other lives. Read on. You, too, will sing of it.

Times Book Prize * Winner of the PEN Open Book Award * ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker, Boston Globe, The Atlantic, BuzzFeed, NPR, Los Angeles Times, Publishers Weekly, Slate, Time Out New York, Vulture, Refinery 29, and many more . . . A provocative meditation on race, Claudia Rankine's long-awaited follow up to her

groundbreaking book *Don't Let Me Be Lonely: An American Lyric*. Claudia Rankine's bold new book recounts mounting racial aggressions in ongoing encounters in twenty-first-century daily life and in the media. Some of these encounters are slights, seeming slips of the tongue, and some are intentional offensives in the classroom, at the supermarket, at home, on the tennis court with Serena Williams and the soccer field with Zinedine Zidane, online, on TV—everywhere, all the time. The accumulative stresses come to bear on a person's ability to speak, perform, and stay alive. Our addressability is tied to the state of our belonging, Rankine argues, as are our assumptions and expectations of citizenship. In essay, image, and poetry, *Citizen* is a powerful testament to the individual and collective effects of racism in our contemporary, often named "post-race" society.

Social Isolation and Loneliness in Older Adults - National Academies of Sciences, Engineering, and Medicine 2020-05-14

Social isolation and loneliness are serious yet underappreciated public health risks that affect a significant portion of the older adult population. Approximately one-quarter of community-dwelling Americans aged 65 and older are considered to be socially isolated, and a significant proportion of adults in the United States report feeling lonely. People who are 50 years of age or older are more likely to experience many of the risk factors that can cause or exacerbate social isolation or loneliness, such as living alone, the loss of family

or friends, chronic illness, and sensory impairments. Over a life course, social isolation and loneliness may be episodic or chronic, depending upon an individual's circumstances and perceptions. A substantial body of evidence demonstrates that social isolation presents a major risk for premature mortality, comparable to other risk factors such as high blood pressure, smoking, or obesity. As older adults are particularly high-volume and high-frequency users of the health care system, there is an opportunity for health care professionals to identify, prevent, and mitigate the adverse health impacts of social isolation and loneliness in older adults. *Social Isolation and Loneliness in Older Adults* summarizes the evidence base and explores how social isolation and loneliness affect health and quality of life in adults aged 50 and older, particularly among low income, underserved, and vulnerable populations. This report makes recommendations specifically for clinical settings of health care to identify those who suffer the resultant negative health impacts of social isolation and loneliness and target interventions to improve their social conditions. *Social Isolation and Loneliness in Older Adults* considers clinical tools and methodologies, better education and training for the health care workforce, and dissemination and implementation that will be important for translating research into practice, especially as the evidence base for effective interventions continues to flourish.
