Written by eleven biblical scholars, this study explores the theology of the suffering servant in Isaiah 53 and answers a number of important questions: What is a Christian interpretation of Isaiah 53? What is a Jewish interpretation of Isaiah 53? How did the New Testament writers understand Isaiah 53? How should forgiveness and salvation be understood in Isaiah 53? How can Isaiah 53 be used in Jewish evangelism? How do we preach Isaiah 53?

The Gospel of Matthew - Craig S. Keener 2009-07-24

This commentary on Matthew offers a unique interpretive approach that focuses on the socio-historical context of the Gospel and the nature of Matthew's exhortation to his first-century Christian audience. / By merging a careful study of Matthew's Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first-century Jewish-Christian relations, Craig Keener uncovers significant insights into the Gospel not found in any other Matthew commentary. / In addition, Keener's commentary is a useful discipleship manual for the church. His approach recaptures the full shock effect of Jesus' teachings in their original context and allows Matthew to make his point with greater narrative artistry. Keener also brings home the total impact of Matthew's message, including its clear portrait of Jesus and its call for discipleship, both to the Gospel's ancient readers and to believers today. / Thoroughly researched, the book includes a 150-page bibliography of secondary sources, and more than 150 pages of indexes.

[The Gospel of Matthew](#) - Edward Hindson 2007-08-01

The Gospel of Matthew is all about the King. The King of the Jews, the King who came to die to save His subjects, the King who is coming again to establish His Millennial kingdom, the King of Kings. That King is Jesus Christ. Matthew focuses on both the first and second coming of Christ, with the assurance that in both cases, indeed the King is coming! Matthew, the tax collector turned disciple, writes to Jewish believers and unbelievers alike. For the believers, he emphasizes the legitimacy of Jesus as the long-awaited Jewish Messiah. For the unbelievers, he portrays the One who is the Savior of all people everywhere. His arguments are cogent, his style is vibrant, and his portrayal of Christ is magnificent. Charles Spurgeon said it best when he proclaimed. "Come just as you are, all guilty, empty, meritless and fall before the great King. And see if He will cast you away. Jesus is ready to pardon you... never tolerate low thoughts of Him. You may study, look and meditate, but Jesus is a greater Savior than you think. Him to be, even when your thoughts are at their highest." Throughout Matthew's gospel, he draws our attention to the One who is the rightful King of Israel. Jesus is portrayed as being born a King, living and dying as a King and coming again as the ultimate King of Kings. As you read this gospel and study this commentary, you will be challenged to become His disciple and follow Him wherever He leads you.

Tom Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.

Divine Government - R. T. France 2003-03

R.T. France believes that much of today's popular use of "kingdom" language runs the risk of distorting Jesus' words, and trivializing the depth and richness of his teaching. This book will help many Christians avoid that risk, while also providing helpful and persuasive answers to a range of questions thrown up by modern scholarship. What would "the Kingdom of God" have meant to Mark's first readers? Is "kingdom" the best translation? What did Jesus mean when he said the kingdom would come "with power"? And what are we to make of those passages which seem to predict the coming of the "Son of Man" within the lifetime of the first disciples? R. T. France has taught at London Bible College and was principal of Wycliffe Hall, Oxford, from 1989 to 1995. He is the author of Matthew in the Tyndale New Testament Commentary series, The Evidence for Jesus, The Living God, and Jesus and the Old Testament.

Healing in the Gospel of Matthew - Walter T. Wilson 2014

Walter Wilson adopts an interdisciplinary approach to the healing narratives in the Gospel of Matthew, combining the familiar methods of form, redaction, and narrative criticisms with insights culled from medical anthropology, feminist theory, disability studies, and ancient archaeology to understand the New Testament's longest and most systematic account of healing, Matthew chapters 8 and 9. Close exegetical readings culminate in a final synthesis of Matthew's understanding of healing, how Matthew's narratives of healing expose the distinctive priorities of the evangelist, and how these priorities relate to the theology of the Gospel.

The New Isaac - Leroy Andrew Huizenga 2009

Gospel scholarship has long recognized that Matthean Christology is a rich, multifaceted tapestry weaving multifold Old Testament figures together in the person of Jesus. It is somewhat strange, therefore, that scholarship has found little role for the figure of Isaac in the Gospel of Matthew. Employing Umberto Eco's theory of the Model Reader as a theoretical basis to ground the phenomenon of Matthean intertextuality, this work contends that when read rightly as a coherent narrative in its first-century setting, with proper attention to both biblical texts and extrabiblical traditions about Isaac, the Gospel of Matthew evinces a significant Isaac typology in service of presenting Jesus as new temple and decisive sacrifice.

The Gospel of the Kingdom - Charles Haddon Spurgeon 1893

This book gives an exposition of the Gospel of Matthew, written for the general reader.

The Gospel According to Mark - 1999-01-01

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Brown and Roberts also offer constructive theological engagement with a number of contemporary viewpoints, including feminist, global, political, and ethical (post-Holocaust) perspectives. The Evidence for Jesus - R. T. France 2006-01-01

Was Jesus a magical cult leader? Was he a revolutionary that failed? Or did the apostle Paul invent him out of a mystical experience? And even if he was a historical figure, how much can we really know about someone who lived two thousand years ago in an obscure corner of the Roman Empire? R. T. France explores these issues by examining in detail the whole range of historical data—from archaeological evidence to other non-Christian sources to Christian writings both inside and outside of the New Testament. With candor and rigor he analyzes modern New Testament scholarship that challenges the biblical record, and sets out a clear and solid case for what the New Testament says about Jesus. This book is valuable resource for those who question or seek to defend the reliability of the Gospels. "It is difficult to praise this work too highly . . . It achieves its purpose of presenting the evidence for Jesus with complete success." Christian Arena R. T. FRANCE has taught at London Bible College and was principal of Wycliffe Hall, Oxford, from 1989-1995. His many books include *The Living God*, *Jesus the Radical* and *Jesus and the Old Testament*. He is also the author of *Matthew in the Tyndale New Testament Commentary* series.

Built Upon the Rock - Daniel M. Gurtner 2008-02-02

France, David Wenham, and others -- are featured, complemented by the contributions of a number of scholars lesser known to the English-speaking world. Together these essays provide a valuable entry in the field by an international team of evangelical scholars addressing critical questions in Matthean studies. Contributors: Armin D. Baum Stephanie L. Black Jeannine K. Brown Roland Deines Mervyn Eloff R. T. France Daniel M. Gurtner Donald A. Hagner James M. Hamilton Jr. David Instone-Brewer John Nolland David Wenham

Robinson "This volume is a joy to read."-- Schuyler Brown "It is an outstanding commentary, the first to use the *Wirkungsge-schichte*, the understanding of the text throughout the centuries, to interpret the text itself."--Eduard Schweizer

Each volume provides thorough exegesis on the text that is sensitive to theological themes as well as to the details of the historical, linguistic, and textual context.

Matthew - R. T. France 2004-10-08

This work by R.T. France is not intended to be a guide to all that has been written in recent years about Matthew. Rather, it is an extended introduction to Matthew designed for a non-specialist readership. France concentrates on those areas he finds most interesting and important for the appreciation of Matthew, but he does touch on most major areas of discussion in Matthean studies. Among other things, France covers Matthew's place in the life of the church, the order of the Gospels, Matthew in the post-apostolic church, reasons for Matthew's preeminence, Matthew in the modern church, and literary relationships and the order of composition of the Gospels.

The Gospel According To Matthew - LEON MORRIS 2020-05-21

This work is vintage Morris and provides valuable insights to those studying the gospel from a scholar who has lived with the Greek New Testament for decades.

Matthew - W. D. Davies 2005-01-01

This work is an abbreviated version of the monumental, three-volume 'Matthew, A Critical and Exegetical Commentary' in the *International Critical Commentary* series (ICC). Davies and Allison's magisterial work is considered to be the standard work on Matthew and is still a best-selling title. Retaining all the important features of the ICC volumes, this *Shorter Commentary* includes the new translation of the Gospel as well as a condensed introduction and a summary of the main exegetical points in a non-technical verse-by-verse commentary. For those who lack the linguistic and historical grounding, or the time, to deal with the ICC volume, this shorter volume is an accessible, affordable and practical alternative.

Jesus and the Old Testament - R. T. France 2000-02

The Gospel of John - J. Ramsey Michaels 2010-09-16

This new commentary — part of Eerdmans's acclaimed NICNT series — gives primary attention to John's gospel in its present form rather than the sources or traditions behind it. J. Ramsey Michaels assumes that the John who authored the book is someone very close to Jesus and, therefore, that the gospel is a testimony to events that actually happened in the life of Jesus. Yet Michaels does not ignore the literary character of the gospel of John or its theological contribution to the larger Christian community from its own time to the present day. Through a detailed verse-by-verse commentary, Michaels reveals how the gospel of "the disciple whom Jesus loved" is a unified composition, intertwined with the synoptics, yet drawing on material none of them cover.

The Gospel According to Matthew - 1999

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Matthew and the Margins - Warren Carter 2004

This verse by verse commentary presents the Gospel of Matthew as a counter-narrative that shapes the group of Jesus' followers as an alternative community able to resist the dominant authorities both in Rome and in the synagogue. The Gospel anticipates the time when Jesus will return and establish God's reign over all, including the powers in

Rome. Breaking Matthew into five narrative blocks, Carter carefully considers historical, literary, cultural, and ecclesial factors as he explores the themes of marginality and power. A masterful introduction outlines these approaches and surveys other studies on Matthew.

Matthew - Stanley Hauerwas 2007

Matthew is the third volume in the forty-volume Brazos Theological Commentary on the Bible. This commentary, like each in the series, is designed to serve the church--through aid in preaching, teaching, study groups, and so forth--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

Matthew - Craig S. Keener 1997-08-08

Matthew was the most popular gospel in the early church, widely read for its clear emphasis on Jesus' teaching. Craig Keener expounds the text as a discipleship manual for believers today.

The Gospel of Matthew - R.T. France 2007-07-11

"The English translation at the beginning of each section is France's own, designed to provide the basis for the commentary. This adept translation uses contemporary idioms and, where necessary, gives priority to clarity over literary elegance." -- BOOK JACKET.

Matthew - Warren Carter 1968-02-01

For ten years, the well-received first edition of this introduction offered readers a way to look at scriptural texts that combines historical, narrative, and contemporary interests. Carter explores Matthew by approaching it from the perspective of the "authorial audience"--by identifying with and reading along with the audience imagined by the author. Now an updated second edition is available as part of a series focusing on each of the gospel writers as storyteller, interpreter, and evangelist. This edition preserves the essential identity of the original material, while adding new insights from Carter's more recent readings of Matthew's gospel in relation to the Roman Imperial world. Four of the seventeen chapters have been significantly revised, and most have had minor changes. There are also new endnotes directing readers to Carter's more recent published work on Matthew. Scholars and pastors will use the full bibliography and appendix on redaction and narrative approaches, while lay readers will appreciate the clear and straightforward text.

The Gospel of Mark - R. T. France 2002

This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical, linguistic, and textual context. Such thorough exegetical work lies at the heart of these volumes, which contain detailed verse-by-verse commentary preceded by general comments on each section and subsection of the text. An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs. In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text.

The Epistles of John - I. Howard Marshall 1978-07-14

Marshall's study on the Epistles of John constitute a single volume in The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God.
