Enlightening Encounters traces the impact of photography on Italian literature from the medium's invention in 1839 to the present day. Investigating the ways in which Italian literature has responded to photographic practice and aesthetics, the contributors use a wide range of theoretical perspectives to examine a variety of

canonical and non-canonical authors and a broad selection of literary genres, including fiction, autobiography, photo-texts, and migration literature. The first collection in English to focus on photography's reciprocal relationship to Italian literature, *Enlightening Encounters* represents an important resource for a number of fields, including Italian studies, literary studies, visual studies, and cultural studies.

*Due di due* - Andrea De Carlo 2005

Mario e Guido sono compagni di liceo, così diversi da essere speculari. Nonostante queste differenze, o proprio grazie a esse, l'amicizia tra i due si sviluppa come un fuoco negli anni sessanta e continua attraverso i settanta e gli ottanta, tra manifestazioni studentesche e amori,

viaggi di scoperta e lavori, successi e delusioni, fino alle soglie di una maturità difficile da conquistare. Un romanzo di culto, in cui sempre nuove generazioni di lettori si riconoscono con le proprie inquietudini, i propri sogni, la propria capacità di immaginare il mondo diverso da quello che è.

*2 Out of 2* - Andrea De Carlo 2010

The two protagonists who are as different as chalk from cheese. The charismatic dare-devil Guido, though endowed with immense personal charm, and innate abilities as a leader of men (as well as being the darling of all the girls), is subtly flawed, and unable to match his own significant aspirations. Guido's prophetic idealism, and his frustrated attempts to escape his lower-class origins and change the world, nevertheless seem doomed to failure. He eventually writes a best-selling book, highly acclaimed by the critics, in which he condemns

the social mores of the Italian seventies—corruption, terrorism, bombs and anarchy. Although, through his novel, he is initially acclaimed as a prophet of sorts, he predictably falls victim to vitriolic, self-serving critics who enjoy demolishing him. Eventually, despite his enormous talent, Guido will remain an eternal dreamer; whereas his closest friend who has always depended on him—the insecure narrator, Mario, always the more practical and circumspect of the two—will finally learn to actualize his own dreams, helping to change the world through actualizing his own dream of authenticity. Meanwhile, the alienated Guido will succumb to his own inevitable destiny.

**Imperfect Delight** - Andrea De Carlo

2018-06-05

For fans of *The Hundred-Foot Journey* and *The Altogether Unexpected Disappearance of Atticus Craftsman*, a moving and charming novel from

the beloved international author of *Two Out of Two* that follows two entirely different people struggling to make sense of their futures amid the beauty of Provence, France. It's fall in Provence, a season that combines the first chill of winter with a final stretch of warmth that is a last taste of summer. To mark the end of the season, at the local airfield a famous British rock band, the Bebonkers, will hold a concert that is both for charity and to celebrate charismatic lead singer Nick Cruickshank's third marriage. Preparations are in high gear, everything coming smoothly together under the tight supervision of Aileen, Nick's bride-to-be. In town, there is also a gelateria run by Milena Migliari, who creates, develops, and produces one-of-a-kind ice cream with artistic precision. Milena, who has bid adieu to men, now lives with Viviane. Milena's relationship with Viviane is solid and unwavering, in stark contrast to the delicacy of her ice cream. In a few days Milena will undergo fertility treatments, but she is not

entirely convinced. She hesitates to confess her thoughts, however, as does Nick, who wonders when his relationship with Aileen lost its original spark. And so, a British rocker and an Italian artisan find their fates on a collision course and in the space of three days, the chaos intensifies resulting in an inevitable and exhilarating final encore.

*Due di due* - Andrea De Carlo 1991

"Due di due" narra l'amicizia fra Mario, l'io narrante, e Guido, un suo compagno di scuola. Sono così diversi da essere speculari, Mario e Guido: il primo è un adolescente come tanti, impaurito e attratto dalla vita, indeciso nelle scelte e appena abbozzato nella personalità, succube dell'autorevolezza e del carisma altrui; il secondo ne ha da vendere di autorevolezza e carisma, ha entusiasmo per la vita, e è diverso, diverso da tutti gli altri, abbastanza per attrarli, troppo per non spaventarli, per non restare, alla fin fine, sempre isolato. Nonostante le

differenze, l'amicizia di Mario e Guido prosegue lungo gli anni Settanta e Ottanta: a scuola e fuori scuola, fino all'età adulta.

**The Mirage of America in Contemporary Italian Literature and Film** - Barbara Alfano  
2013-07-15

The Mirage of America in Contemporary Italian Literature and Film explores the use of images associated with the United States in Italian novels and films released between the 1980s and the 2000s. In this study, Barbara Alfano looks at the ways in which the individuals portrayed in these works – and the intellectuals who created them – confront the cultural construct of the American myth. As Alfano demonstrates, this myth is an integral part of Italians' discourse to define themselves culturally – in essence, Italian

intellectuals talk about America often for the purpose of talking about Italy. The book draws attention to the importance of Italian literature and film as explorations of an individual's ethics, and to how these productions allow for functioning across cultures. It thus differentiates itself from other studies on the subject that aim at establishing the relevance and influence of American culture on Italian twentieth-century artistic representations.

"frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

**Judges** - Andrea Camillieri 2015-10-06

Incorporating distinct traditions and styles of crime writing, the three novellas in *Judges* are united by a theme of idealistic judges in an often futile struggle against crime and corruption. Andrea Camillieri's novella recounts the charming Judge Surra. Leaving his family behind, Surra arrives in the 19th-century Sicilian town of Montelusa from Turin and is given

quirky gifts from the locals, but is oblivious to the veiled threats accompanying them. Finally forced to contend with a hostile community and an imminent attempt on his life, Surra proves he is relentless in his quest for justice. Carlo Lucarelli's novella presents a darkly hued Bologna in the 1980s, where judges are frequent targets of assassination attempts. The protagonist, Judge Valentina Lorenzi--"La Bambina"--stumbles upon an extensive money laundering operation involving prominent public officials. Determined to nip Valentina's investigations in the bud, the criminals attack the judge and leave her clinging to life. Ultimately, Valentina is faced with a troubling question: will she break her vow to uphold the letter of the law in order to bring those responsible to justice? The final novella, *The Triple Dream of the Prosecutor*, by judge and novelist Giancarlo De Cataldo, teeters between dream and reality. Prosecutor Mandati is engaged in a life-long feud with the corrupt

mayor of Novere, and his efforts finally pay off on the night before the trial of his life.

Kafkaesque, tumultuous, and thoroughly gripping.

*Voicing the Word* - Marina Spunta 2004

Drawing on the recent renewal of interest in the debate on orality and literacy this book investigates the varying perceptions and representations of orality in contemporary Italian fiction, providing a fresh perspective on this rich and fast-developing debate and on the study of the Italian literary language. The book brings together a number of complementary approaches to orality from the fields of linguistics, literary and media studies and offers a detailed analysis of a broad variety of authors and texts that appeared over the last three decades - ranging from internationally acclaimed writers such as Celati, Duranti and Tabucchi, through De Luca and Baricco, to the latest generation of writers, such as Campo, Ballestra and Nove. By exploring the complementary

facets of Italian orality, and its diachronical developments since the seventies, this study questions the traditionally dichotomic approach to the study of orality and literacy and posits a more flexible, cross-modal approach that accounts for the increasing hybridisation of text forms and media and for the greater interaction between the spoken and the written as well as their representations.
