Shirley - Susan Scarf Merrell 2015-07-07
NOW A MAJOR MOTION PICTURE STARRING ELIZABETH MOSS AND MICHAEL STUHLBARG! "Susan Scarf Merrell brilliantly weaves events from Shirley Jackson's life into a hypnotic story line" * in this darkly thrilling novel about the author of *The Haunting of Hill House* and *The Lottery*. Two imposing literary figures are at the heart of this captivating novel: celebrated author Shirley Jackson and her husband, Stanley Edgar Hyman, a literary critic and professor at Bennington College. When a young graduate student and his pregnant wife—Fred and Rose Nemser—move into Shirley and Stanley's home in the fall of 1964, they

quickly fall under the magnetic spell of their brilliant and unconventional hosts. While Fred becomes preoccupied with his teaching schedule, Rose forms an unlikely, turbulent friendship with the troubled and unpredictable Shirley. Fascinated by the Hymans' volatile marriage and inexplicably drawn to the darkly enigmatic author, Rose nonetheless senses something amiss—something to do with nightly unanswered phone calls and inscrutable accounts of a long-missing female student. Chillingly atmospheric and evocative of Jackson's own classic stories, Shirley is an elegant thriller with one of America's greatest horror writers at its heart. *The Washington Post

Desirable Body - Hubert Haddad 2018-08-21
A medical mystery/fantasy/love story that delves deeply into the nature of consciousness while raising many of the ethical and existential issues facing scientists today A contemporary

Frankenstein that defies expectations, this is a thrilling novel, couched in luminous, captivating prose about a journalist, Cédric Allyn-Weberson, who suffers a horrific accident, paralyzing him from the neck down. An ideal candidate for a body transplant, Cédric survives the surgery but has both physical and existential trouble with his recovery and adaptation: encountering his lover with a new body, discovering the life history of his donor, and attempting to understand the mind-body relationship as he lives it. Haddad explores the confusion and insignificance of a single consciousness before experience and identity: What is a head without a body? What or who is a lover with another's body? The gruesome transplant (detailed in a manner that highlights the author's own diligent research and comprehension) parallels other ways humanity mutates nature globally; the novel is a provocative and timely allegory—a work of dystopian fantasy.

The Roads to Sata - Alan Booth 2020-10-29

'A memorable, oddly beautiful book' Wall Street Journal 'A marvellous glimpse of the Japan that rarely peeks through the country's public image' Washington Post One sunny spring morning in the 1970s, an unlikely Englishman set out on a pilgrimage that would take him across the entire length of Japan. Travelling only along small back roads, Alan Booth travelled on foot from Soya, the country's northernmost tip, to Sata in the extreme south, traversing three islands and some 2,000 miles of rural Japan. His mission: 'to come to grips with the business of living here,' after having spent most of his adult life in Tokyo. The Roads to Sata is a wry, witty, inimitable account of that prodigious trek, vividly revealing the reality of life in off-the-tourist-track Japan. Journeying alongside Booth, we encounter the

wide variety of people who inhabit the Japanese countryside - from fishermen and soldiers, to bar hostesses and school teachers, to hermits, drunks and the homeless. We glimpse vast stretches of coastline and rambling townscapes, mountains and motorways; watch baseball games and sunrises; sample trout and Kilimanjaro beer, hear folklore, poems and smutty jokes. Throughout, we enjoy the wit and insight of a uniquely perceptive guide, and more importantly, discover a new face of an often-misunderstood nation.

Khayelitsha - Steven Otter 2012-09-21
Ignoring advice from his white friends, and to the bemusement of his black friends, Steven Otter throws caution to the wind and moves into Khayelitsha, a black township outside Cape Town. The story of his experiences in the uneven

spread of shacks and informal housing that are home to more than a million people provides an unusual perspective on, and insight into, a predominantly Xhosa community and their reaction to an umlungu in their midst. Steven comes to understand his identity as a South African, the true meaning of community and brotherhood, and that some tsotsis are not what they seem. He finds that his preconceived notions of culture and race are called into question and that ubuntu, community and a sense of humour may still thrive alongside poverty and crime.

Dandelions - Yasunari Kawabata 2017-12-15
A fascinating discovery, Kawabata's unfinished final novel Dandelions is a great master's last word A fascinating discovery, Dandelions is Kawabata's final novel, left incomplete when he committed suicide in 1972. Beautifully spare and deeply strange, Dandelions explores love and madness and consists almost entirely conversations between a woman identified only as Ineko's mother, and Kuno, a young man who loves Ineko and wants to marry her. The two have left Ineko at the Ikuta Clinic, a mental hospital, which she has entered for treatment of somagnosia, a condition that might be called "seizures of body blindness." Although her vision as a whole is unaffected, she periodically becomes unable to see her lover Kuno. Whether this condition actually constitutes madness is a topic of heated discussion between Kuno and Ineko's mother: Kuno believes Ineko's blindness

is actually an expression of her love for him, as it is only he, the beloved, she cannot see. In this tantalizing book, Kawabata explores the incommunicability of desire and carries the art of the novel, where he always suggested more than he stated, into mysterious and strange new realms. Dandelions is the final word of a truly great master, the first Japanese winner of the Nobel Prize.

Margaret the First - Danielle Dutton 2016-03-15
A Lit Hub Best Book of 2016 • One of Electric Literature's Best Novels of 2016 • An Entropy Best Book of 2016 "The duchess herself would be delighted at her resurrection in Margaret the First...Dutton expertly captures the pathos of a woman whose happiness is furrowed with the

anxiety of underacknowledgment.” —Katharine Grant, *The New York Times Book Review*

Margaret the First dramatizes the life of Margaret Cavendish, the shy, gifted, and wildly unconventional 17th-century Duchess. The eccentric Margaret wrote and published volumes of poems, philosophy, feminist plays, and utopian science fiction at a time when "being a writer" was not an option open to women. As one of the Queen's attendants and the daughter of prominent Royalists, she was exiled to France when King Charles I was overthrown. As the English Civil War raged on, Margaret met and married William Cavendish, who encouraged her writing and her desire for a career. After the War, her work earned her both fame and infamy in England: at the dawn of daily newspapers, she was "Mad Madge," an original tabloid celebrity. Yet Margaret was also the first woman to be invited to the Royal Society of London—a mainstay of the Scientific Revolution—and the last for another two hundred years. Margaret

the First is very much a contemporary novel set in the past. Written with lucid precision and sharp cuts through narrative time, it is a gorgeous and wholly new approach to imagining the life of a historical woman. "In *Margaret the First*, there is plenty of room for play. Dutton's work serves to emphasize the ambiguities of archival proof, restoring historical narratives to what they have perhaps always already been: provoking and serious fantasies, convincing reconstructions, true fictions." —Lucy Ives, *The New Yorker*

"Danielle Dutton engagingly embellishes the life of Margaret the First, the infamous Duchess of Newcastle-upon-Tyne." —*Vanity Fair*

The Pursuit of Happiness - Douglas Kennedy

2010-06-15

Manhattan, Thanksgiving eve, 1945. The war is over, and Eric Smythe's party was in full swing. All his clever Greenwich Village friends were there. So too was his sister Sara, an independent, outspoken young woman, starting to make her way in the big city. And then in walked Jack Malone, a U.S. Army journalist just back from a defeated Germany, a man whose world view was vastly different than that of Eric and his friends. This chance meeting between

Sara and Jack and the choices they both made in the wake of it would eventually have profound consequences, both for themselves and for those closest to them for decades afterwards. Set amidst the dynamic optimism of postwar New York and the subsequent nightmare of the McCarthy era, *The Pursuit of Happiness* is a great, tragic love story; a tale of divided loyalties, decisive moral choices and the random workings of destiny.

The Guest Cat - Takashi Hiraide 2014-01-28

A wonderful sui generis novel about a visiting cat who brings joy into a couple's life in Tokyo A

bestseller in France and winner of Japan's Kiyama Shohei Literary Award, *The Guest Cat*, by the acclaimed poet Takashi Hiraide, is a subtly moving and exceptionally beautiful novel about the transient nature of life and idiosyncratic but deeply felt ways of living. A couple in their thirties live in a small rented cottage in a quiet part of Tokyo; they work at home, freelance copy-editing; they no longer have very much to say to one another. But one day a cat invites itself into their small kitchen. It leaves, but the next day comes again, and then again and again. Soon they are buying treats for the cat and enjoying talks about the animal and all its little ways. Life suddenly seems to have more promise for the husband and wife — the days have more light and color. The novel brims with new small joys and many moments of staggering poetic beauty, but then something happens.... As Kenzaburo Oe has remarked, Takashi Hiraide's work "really shines." His poetry, which is remarkably cross-hatched with

beauty, has been acclaimed here for "its seemingly endless string of shape-shifting

objects and experiences, whose splintering effect is enacted via a unique combination of speed and minutiae."
