The Brief Wondrous Life of Oscar Wao - Junot Díaz 2008-09-02

Winner of: The Pulitzer Prize The National Book Critics Circle Award The Anisfield-Wolf Book Award The Jon Sargent, Sr. First Novel Prize A Time Magazine #1 Fiction Book of the Year One of the best books of 2007 according to: The New York Times, San Francisco Chronicle, New York Magazine, Entertainment Weekly, The Boston Globe, Los Angeles Times, The Washington Post, People, The Village Voice, Time Out New York, Salon, Baltimore City Paper, The Christian Science Monitor, Booklist, Library Journal, Publishers Weekly, New York Public Library, and many more... Nominated as one of America's best-loved novels by PBS's The Great American Read Oscar is a sweet but disastrously overweight ghetto nerd who—from the New Jersey home he shares with his old world mother and rebellious sister—dreams of becoming the Dominican J.R.R. Tolkien and, most of all, finding love. But Oscar may never get what he wants. Blame the fukú—a curse that has haunted Oscar's family for generations, following them on their epic journey from Santo Domingo to the USA. Encapsulating Dominican-American history, The Brief Wondrous Life of Oscar Wao opens our eyes to an astonishing vision of the contemporary American experience and explores the endless human capacity to persevere—and risk it all—in the name of love.

Milo and Marcos at the End of the World - Kevin Christopher Snipes 2022-05-24

As natural disasters begin to befall them the closer they become, Milo and Marcos soon begin to wonder if the universe itself is plotting against them in this young adult debut by the playwright and creator of The Two Princes podcast, Kevin Christopher Snipes. Milo Connolly has managed to survive most of high school without any major disasters, so by his calculations, he's well past due for some sort of Epic Teenage Catastrophe. Even so, all he wants his senior year is to fly under the radar. Everything is going exactly as planned until the dreamy and charismatic Marcos Price saunters back into his life after a three-year absence and turns his world upside down. Suddenly Milo is forced to confront the long-buried feelings that he's kept hidden not only from himself but also from his deeply religious parents and community. To make matters worse, strange things have been happening around his sleepy Florida town ever since Marcos's return—sinkholes, blackouts, hailstorms. Mother Nature is out of control, and the closer Milo and Marcos get, the more disasters seem to befall them. In fact, as more and more bizarre occurrences pile up, Milo and Marcos find themselves faced with the unthinkable: Is there a larger, unseen force at play, trying to keep them apart? And if so, is their love worth risking the end of the world?

Believers - Lisa Wells 2021-07-20

"An essential document of our time." —Charles D'Ambrosio, author of *Loitering* In search of answers and action, the award-winning poet and essayist Lisa Wells brings us *Believers*, introducing trailblazers and outliers from across the globe who have found radically new ways to live and reconnect to the Earth in the face of climate change We find ourselves at the end of the world. How, then, shall we live? Like most of us, Lisa Wells has spent years overwhelmed by increasingly urgent news of climate change on an apocalyptic scale. She did not need to be convinced of the stakes, but she could not find practical answers. She embarked on a pilgrimage, seeking wisdom and paths to action from outliers and visionaries, pragmatists and iconoclasts. *Believers* tracks through the lives of these people who are dedicated to repairing the earth and seemingly undaunted by the task ahead. Wells meets an itinerant gardener and misanthrope leading a group of nomadic activists in rewilding the American desert. She finds a group of environmentalist Christians practicing "watershed discipleship" in New Mexico and another group in Philadelphia turning the tools of violence into tools of farming—guns into ploughshares. She watches the world's greatest

tracker teach others how to read a trail, and visits botanists who are restoring land overrun by invasive species and destructive humans. She talks with survivors of catastrophic wildfires in California as they try to rebuild in ways that acknowledge the fires will come again. Through empathic, critical portraits, Wells shows that these trailblazers are not so far beyond the rest of us. They have had the same realization, have accepted that we are living through a global catastrophe, but are trying to answer the next question: How do you make a life at the end of the world? Through this miraculous commingling of acceptance and activism, this focus on seeing clearly and moving forward, Wells is able to take the devastating news facing us all, every day, and inject a possibility of real hope. *Believers* demands transformation. It will change how you think about your own actions, about how you can still make an impact, and about how we might yet reckon with our inheritance.

Clouds - Laura Sobiech 2014-05-13

Laura Sobiech tells the amazing story of how God used her son's battle with cancer to touch the lives of millions. "Okay, Lord, you can have him. But if he must die, I want it to be for something big. I want someone's life to be changed forever." This is what Laura Sobiech prayed when she found out her seventeen-year-old son had only one year to live. With this desperate prayer, she released her son to God's will. At that point, Zach Sobiech was just another teenager battling cancer. When his mother told him to think about writing good-bye letters to family and friends, he decided instead to write songs. One of them, "Clouds," captured hearts and changed not one life but millions, making him an international sensation. But Zach's story is not just about music. It's a testament to what can happen when you live as if each day might be your last. It's a story about the human spirit. It's about how God used a dying boy from a small town in Minnesota to touch the hearts of millions—including top executives in the music industry, major music artists, news anchors, talk show hosts, actors, priests and pastors, and school children across the globe. Zach once said, "I want to be known as the kid who went down fighting, and didn't really lose." *Fly a Little Higher* is about how God used Zach to do something big.

One Door Away from Heaven - Dean Koontz 2012-05-29

#1 NEW YORK TIMES BESTSELLER Michelina Bellsong is on a mission. She is following a missing family to the edge of America . . . to a place she never knew existed—a place of terror, wonder, and shattering revelation. What awaits her there will change her life and the life of everyone she knows—if she can find the key to survival. At stake are a young girl of extraordinary goodness, a young boy with killers on his trail, and Micky's own wounded soul. Ahead lie incredible peril, startling discoveries, and paths that lead through terrible darkness to unexpected light.

Followers - Megan Angelo 2020-01-14

"If anyone is going to explore a future version of our high-tech, internet-obsessed culture, please let it be Megan Angelo. *Followers* is pure gold." —Abbi Jacobson, bestselling author and cocreator of *Broad City* "An intricate and brave story of friendship, ambition, and love and the lengths people will go to protect it all." —Booklist, *starred review* "Spectacular... the tale skillfully builds to a terrifyingly believable climax...Angelo delivers a strong, consistently fascinating debut." —Publishers Weekly, *starred review* "Endless clever details and suspenseful plotting make this speculative-fiction debut an addictive treat." —Kirkus Reviews, *starred review* An electrifying story of two ambitious friends, the dark choices they make and the stunning moment that changes the world as we know it forever Orla Cadden is a budding novelist stuck in a dead-end job, writing clickbait about movie-star hookups and influencer yoga moves. Then Orla meets Floss—a striving, wannabe A-lister—who comes up with a plan for launching them both into the high-profile lives they dream about. So what if Orla and Floss's methods are a little shady—and sometimes people get hurt? Their legions

of followers can't be wrong. Thirty-five years later, in a closed California village where government-appointed celebrities live every moment of the day on camera, a woman named Marlow discovers a shattering secret about her past. Despite her massive popularity—twelve million loyal followers—Marlow dreams of fleeing the corporate sponsors who would do anything to keep her on-screen. When she learns that her whole family history is based on a lie, Marlow finally summons the courage to run in search of the truth, no matter the risks. Followers traces the paths of Orla, Floss and Marlow as they wind through time toward each other, and toward a cataclysmic event that sends America into lasting upheaval. At turns wry and tender, bleak and hopeful, this darkly funny story reminds us that even if we obsess over famous people we'll never meet, what we really crave is genuine human connection.

Slasher GN - Charles Forsman 2018-01-02

Meet Christine, a data-entry specialist discovering her sexuality and her penchant for blood. What is this monster brewing inside her?

Jack Addison Vs. a Whole World of Hot Trouble - The Complete Series - K. A. Merikan 2019-08-31

This collection contains a series of nine books about Jack Addison's adventures. "Any monster is a lover if you're brave enough." Jack Addison. Son of a world famous monster hunter. Irresistible jerk. Monster-curious. Roux Chat-Bonnes. Ginger. Furry. Claws like razors and a tongue to match! At just nineteen, Jack's fresh out of a prestigious academy, set to make a name for himself as a monster hunter in a world where people need protection from strange and dangerous creatures. Raised to see nonhumans as monsters to be eradicated, or at the very least inferior beings, he soon finds out that he's been taught lies, and his initial distrust of creatures turns into fascination that goes beyond anything his father could imagine. After an encounter with a giant spider, Jack falls down a rabbit hole of affairs with werewolves, kitsune, a centaur, a merman, a tentacle creature called Nessie, and even a vampire! But all of those dalliances fade in comparison to his one true heart throb—Roux Chat-Bonnes, a cat-like being, and his most vicious rival. As brave as he is infuriating, and as furry as he is sexy, Roux is the moral compass Jack wishes he didn't have. If he ever wants to win Roux's heart, he needs to prove that he's more than just a handsome jerk sneaking around with any monster he can get his hands on, but a man brave enough to do what's right, even if it makes him unpopular. Even if that means standing up to his famous father. POSSIBLE SPOILERS: Themes: living up to expectations, pride, dreams, self-discovery, tolerance, fame, monster hunting, inter-species relations, enemies to lovers, opposites attract, prejudice, tentacles, centaur, merman, mermaid, kitsune, Siberia, trust, vampire, Transylvania, werewolf, drugs, Paris, deception, secrets Genre: M/M romantic erotica, horror-comedy Contains scorching hot, explicit scenes Length: 115,000 words In this serial, each episode encompasses a single event from Jack Addison's career, but while they are partially self-contained, the romantic arc and Jack's personal journey, develop over time, so it's best to not read the stories out of turn.

The World Keeps Ending, and the World Goes On - Franny Choi 2022-11-01

Named A Most Anticipated Book by: LitHub * Vulture * Time * A PW 2022 Holiday Gift Pick One of: Time's "100 Must-Read Books of 2022" * NPR's 2022 "Books We Love" Vulture's "10 Best Books of 2022" A Goodreads Readers Choice Award Semifinalist From acclaimed poet Franny Choi comes a poetry collection for the ends of worlds—past, present, and future. Choi's third book features poems about historical and impending apocalypses, alongside musings on our responsibilities to each other and visions for our collective survival. Many have called our time dystopian. But *The World Keeps Ending, and the World Goes On* reminds us that apocalypse has already come in myriad ways for marginalized peoples. With lyric and tonal dexterity, these poems spin backwards and forwards in time—from Korean comfort women during World War II, to the precipice of climate crisis, to children wandering a museum in the future. These poems explore narrative distances and queer linearity, investigating on microscopic scales before soaring towards the universal. As she wrestles with the daily griefs and distances of this apocalyptic world, Choi also imagines what togetherness—between Black and Asian and other marginalized communities, between living organisms, between children of calamity and conquest—could look like. Bringing together Choi's signature speculative imagination with even greater musicality than her previous work, *The World Keeps Ending, and the World Goes On* ultimately charts new paths toward hope in the aftermaths, and visions for our collective survival.

The Weight of this World - David Joy 2018-06-05

Critically acclaimed author David Joy, whose debut, *Where All Light*

Tends to Go, was hailed as "a savagely moving novel that will likely become an important addition to the great body of Southern literature" (The Huffington Post), returns to the mountains of North Carolina with a powerful story about the inescapable weight of the past. A combat veteran returned from war, Thad Broom can't leave the hardened world of Afghanistan behind, nor can he forgive himself for what he saw there. His mother, April, is haunted by her own demons, a secret trauma she has carried for years. Between them is Aiden McCall, loyal to both but unable to hold them together. Connected by bonds of circumstance and duty, friendship and love, these three lives are blown apart when Aiden and Thad witness the accidental death of their drug dealer and a riot of dope and cash drops in their laps. On a meth-fueled journey to nowhere, they will either find the grit to overcome the darkness or be consumed by it.

Laziness Does Not Exist - Devon Price 2022-01-04

A social psychologist uncovers the psychological basis of the "laziness lie," which originated with the Puritans and has ultimately created blurred boundaries between work and life with modern technologies and offers advice for not succumbing to societal pressure to "do more."

The Book of M - Peng Shepherd 2018-06-05

Brad Thor's Summer 2018 Fiction Pick for THE TODAY SHOW! "Eerie, dark, and compelling, [The Book of M] will not disappoint lovers of *The Passage* (2010) and *Station Eleven* (2014)." --Booklist WHAT WOULD YOU GIVE UP TO REMEMBER? Set in a dangerous near future world, *The Book of M* tells the captivating story of a group of ordinary people caught in an extraordinary catastrophe who risk everything to save the ones they love. It is a sweeping debut that illuminates the power that memories have not only on the heart, but on the world itself. One afternoon at an outdoor market in India, a man's shadow disappears—an occurrence science cannot explain. He is only the first. The phenomenon spreads like a plague, and while those afflicted gain a strange new power, it comes at a horrible price: the loss of all their memories. Ory and his wife Max have escaped the forgetting so far by hiding in an abandoned hotel deep in the woods. Their new life feels almost normal, until one day Max's shadow disappears too. Knowing that the more she forgets, the more dangerous she will become to Ory, Max runs away. But Ory refuses to give up the time they have left together. Desperate to find Max before her memory disappears completely, he follows her trail across a perilous, unrecognizable world, braving the threat of roaming bandits, the call to a new war being waged on the ruins of the capital, and the rise of a sinister cult that worships the shadowless. As they journey, each searches for answers: for Ory, about love, about survival, about hope; and for Max, about a new force growing in the south that may hold the cure. Like *The Passage* and *Station Eleven*, this haunting, thought-provoking, and beautiful novel explores fundamental questions of memory, connection, and what it means to be human in a world turned upside down.

*The End Of The F***ing World* - Charles Forsman 2021-10

End of the Fucking World - Charles Forsman 2018-03-15

'At 16, I pretended to fall in love with Alyssa.' Meet James and Alyssa, two teenagers facing the fears of coming adulthood. As their story is told through chapters which alternate between each character's perspective, however, this somewhat familiar teenage experience takes a more nihilistic turn. With James's character becoming rapidly more sociopathic, they are forced to take a road trip that owes as much to *Badlands* as *The Catcher in the Rye*, and which threatens both their futures forever. One of the most talked about graphic novels of recent years, *The End of The Fucking World* marks Charles Forsman's UK debut.

The End of the Fucking World - Charles Forsman 2017-08-02

Fantagraphics is proud to publish this edition of *TeotFW* in conjunction with the 2017 television drama on UK's Channel 4 (with distribution via Netflix in the U.S.). Originally released to critical and public acclaim in 2013, Charles Forsman's graphic novel debut follows James and Alyssa, two teenagers living a seemingly typical teen experience as they face the fear of coming adulthood. Forsman tells their story through each character's perspective, jumping between points of view with each chapter. But quickly, this somewhat familiar teenage experience takes a more nihilistic turn as James's character exhibits a rapidly forming sociopathy that threatens both of their futures. He harbors violent fantasies and begins to act on them, while Alyssa remains as willfully ignorant for as long as she can, blinded by young love.

The Left Bank Gang - Jason 2006-08-17

F. Scott Fitzgerald, Ernest Hemingway, Ezra Pound, and James Joyce

walk into a Parisian bar... no, it's not the beginning of a joke, but the premise of Jason's unique new graphic novel. Set in 1920s Paris, *The Left Bank Gang* is a deliciously inventive re-imagining of these four literary figures as not only typical Jason anthropomorphics, but... graphic novelists! Yes, in Jason's warped world, cartooning is the dominant form of fiction, and not only do these four literary giants work in the comics medium but they get together to discuss pen vs. brush, chat about the latest graphic novels from Dostoevsky ("I can't tell any of his characters apart!") to Faulkner ("Hasn't he heard of white space? His panels are too crowded!"), and bemoan their erratic careers. Add in a hilarious sequence where Hemingway is lectured by an overbearing Gertrude Stein ("What kind of pencil are you using? You should be using a blue pencil, that way you don't have to erase, all right? Avoid captions. Don't ever write 'A little later.' You don't need that. The reader will figure it out."), guest appearances by Zelda Fitzgerald and Jean-Paul Sartre, and a few remarkable twists and turns along the way, and you've got one of the funniest and most playful graphic novels of the year.

Celebrated Summer - Charles Forsman 2014-01-04

Two disaffected teens take a spontaneous summer road trip after dropping acid. But instead of escapism, the LSD exacerbates their ennui, fear, and doubts about the world. A funny and moving story of escalating humor and tension.

South Park Conservatives - Brian C. Anderson 2013-02-05

For the better part of 30 years, liberal bias has dominated mainstream media. But author and political journalist Brian Anderson reveals in his new book that the era of liberal dominance is going the way of the dodo bird.

The Handmaid's Tale - Margaret Atwood 2010-12-10

An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion.

Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

Don't Get Too Comfortable - David Rakoff 2005-09-20

A biting funny grand tour of our culture of excess from an award-winning humorist. Whether David Rakoff is contrasting the elegance of one of the last flights of the supersonic Concorde with the good-times-and-chicken-wings populism of Hooters Air; working as a cabana boy at a South Beach hotel; or traveling to a private island off the coast of Belize to watch a soft-core video shoot—where he is provided with his very own personal manservant—rarely have greed, vanity, selfishness, and vapidness been so mercilessly skewered. Somewhere along the line, our healthy self-regard has exploded into obliterating narcissism; our manic getting and spending have now become celebrated as moral virtues.

Simultaneously a Wildean satire and a plea for a little human decency, *Don't Get Too Comfortable* shows that far from being bobos in paradise, we're in a special circle of gilded-age hell. This edition includes an excerpt from David Rakoff's *Love, Dishonor, Marry, Die, Cherish, Perish*.

John Dies at the End - David Wong 2009-09-29

"[Jason Pargin] has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." —Joe Garden, Features Editor, *The Onion* "[Pargin] is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement." —Don Coscarelli, director, *Phantasm I-V*, *Bubba Ho-tep* "That rarest of things—a genuinely scary story." —David Wellington, author of *Monster Island*, *Vampire Zero* "JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most entertaining and addictive novels I've ever read." —Jacob Kier, Publisher, *Permuted Press STOP*. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is

knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.

Dancing at the Edge of the World - Ursula K. Le Guin 1989

The celebrated author offers her thoughts on a broad range of subjects, including literary criticism, the state of science fiction writing today, and government and governmental policies

Horace Dorlan - Andrzej Klimowski 2007

Preparing to deliver a lecture in Pisa, Professor Horace Dorlan plans to incorporate music and performance into his scientific presentation. On the eve of his big event, however, strange things start to happen. Consciousness and reality start to shift, divergent voices speak of confusing things and questions start to mount up. Where, for instance, is his wife, and why is there a miniature musical quintet in his room, and what of the accident that afflicted him?

Putting the Rabbit in the Hat - Brian Cox 2022-01-18

The incredible rags-to-riches story of acclaimed actor Brian Cox, best known as *Succession's* Logan Roy, from a troubled, working-class upbringing in Scotland to a prolific career across theatre, film and television. From Hannibal Lecter in *Manhunter* to media magnate Logan Roy in HBO's *Succession*, Brian Cox has made his name as an actor of unparalleled distinction and versatility. We are familiar with him on screen, but few know of his extraordinary life story. Growing up in Dundee, Scotland, Cox lost his father when he was just eight years old and was brought up by his three elder sisters in the aftermath of his mother's nervous breakdowns and ultimate hospitalization. After joining the Dundee Repertory Theatre at the age of fifteen, you could say the rest is history — but that is to overlook the enormous effort that has gone into the making of the legend we know today. Rich in emotion and meaning, with plenty of laughs along the way, this seminal autobiography captures both Cox's distinctive voice and his very soul.

I Am Not Okay With This - Charles Forsman 2017-11-22

Sydney seems like a normal 15-year-old freshman. She hangs out underneath the bleachers, listens to music in her friend's car, and gets into arguments with her annoying little brother — but she also has a few secrets she's only shared in her diary. Like how she's in love with her best friend Dina, the bizarreness of her father's death, and those painful telekinetic powers that keep popping up at the most inopportune times. In this collection of the self-published minicomic series, Forsman expertly channels the teenage ethos in a style that evokes classic comic strips while telling a powerful story about the intense, and sometimes violent, tug of war between trauma and control.

Welcome to Hell World - Luke O'Neil 2019-10-01

When Luke O'Neil isn't angry, he's asleep. When he's awake, he gives vent to some of the most heartfelt, political and anger-fueled prose to power its way to the public sphere since Hunter S. Thompson smashed a typewriter's keys. *Welcome to Hell World* is an unexpurgated selection of Luke O'Neil's finest rants, near-poetic rhapsodies, and investigatory journalism. Racism, sexism, immigration, unemployment, Marcus Aurelius, opioid addiction, Iraq: all are processed through the O'Neil grinder. He details failings in his own life and in those he observes around him: and the result is a book that is at once intensely confessional and an energetic, unforgettable condemnation of American mores. *Welcome to Hell World* is, in the author's words, a "fever dream nightmare of reporting and personal essays from one of the lowest periods in our country in recent memory." It is also a burning example of some of the best writing you're likely to read anywhere.

Taken by Fire - Sydney Croft 2011-06-28

HIS MISSION WAS TO DESTROY HER. BUT DESIRE GOT IN THE WAY. A product of genetic manipulation, Melanie Milan shares a body with her malevolent sister, Phoebe. A sleek, blond predator with a heart of pure darkness, Phoebe puts their body through the wicked underbelly of sex for thrills—when she's not igniting her pyrokinetic skills for an evil organization bent on taking over the world. Melanie rarely gets out to play—much less fall in love. But that changes when rival ACRO agent Stryker Wills shows up, with a mission to terminate the woman who torched his partner. An operative with rare abilities, Stryker soon realizes that the woman he's about to kill isn't the murderous fire starter he's been hunting. But he does want her. Melanie, with the power to ice anything in her path, is heating things up in ways that are setting fire to

his blood. As long as Melanie stays in control, she is his best ally to bring down her sister and stop hellish havoc from being unleashed. Walking a tightrope of longing and hate, Stryker and Melanie begin to understand that true power lies in sweet surrender to each other, to the flames between them, to the erotic adventure that's joined their hearts and abilities to become their salvation—and perhaps the world's.

The Fellowship Of The Ring - J.R.R. Tolkien 2012-02-15

Begin your journey into Middle-earth... The inspiration for the upcoming original series on Prime Video, *The Lord of the Rings: The Rings of Power*. The Fellowship of the Ring is the first part of J.R.R. Tolkien's epic adventure *The Lord of the Rings*. One Ring to rule them all, One Ring to find them, One Ring to bring them all and in the darkness bind them. Sauron, the Dark Lord, has gathered to him all the Rings of Power—the means by which he intends to rule Middle-earth. All he lacks in his plans for dominion is the One Ring—the ring that rules them all—which has fallen into the hands of the hobbit, Bilbo Baggins. In a sleepy village in the Shire, young Frodo Baggins finds himself faced with an immense task, as his elderly cousin Bilbo entrusts the Ring to his care. Frodo must leave his home and make a perilous journey across Middle-earth to the Cracks of Doom, there to destroy the Ring and foil the Dark Lord in his evil purpose.

*The Subtle Art of Not Giving a F**k* - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Let the Great World Spin - Colum McCann 2010

In 1974 Manhattan, a radical young Irish monk struggles with personal demons while making his home among Bronx prostitutes, a group of mothers shares grief over their lost Vietnam soldier sons, and a young grandmother attempts to prove her worth.

Submarine - Joe Dunthorne 2008-03-25

NOW A MAJOR MOTION PICTURE • "[Dunthorne's] precocious talent and cheerful fondness for the teenage male are showcased in *Submarine*. . . . Oliver's voice is funny and dead-on."—The New York Times Book Review (Editors' Choice) At once a self-styled social scientist, a spy in the baffling adult world, and a budding, hormone-driven emotional explorer, Oliver Tate is stealthily nosing his way forward through the murky and uniquely perilous waters of adolescence. His objectives? Uncovering the secrets behind his parents' teetering marriage, unraveling the mystery that is his alluring and equally quirky classmate Jordana Bevan, and understanding where he fits in among the mystifying beings in his orbit. Struggling to buoy his parents' wedded bliss, deep-six his own virginity, and sound the depths of heartache, happiness, and the business of being human, what's a lad to do? Poised precariously on the cusp of innocence and experience, Oliver Tate aims to damn the torpedoes and take the plunge. BONUS: This edition contains an excerpt from Joe Dunthorne's *Wild Abandon*. Praise for *Submarine* "[Joe Dunthorne is] probably destined to be compared with Mark Haddon and Roddy Doyle."—The Miami Herald "This absolutely winning debut novel isn't so much a coming-of-age tale as it is a reflection on what it means to be a certain

age and of an uncertain mind."—Los Angeles Times "A brilliant first novel by a young man of ferocious comic talent."—The Times (London) "Preternaturally wise, slightly devious and highly entertaining."—USA Today

Black Metal Rainbows - Daniel Lukes 2021-07

Black Metal Rainbows is a radical collection of writers, artists, activists, and visionaries, including Drew Daniel, Kim Kelly, Laina Dawes, Espi Kvlit, Hunter Hunt-Hendrix, Svein Egil Hatlevik, Eugene S. Robinson, Margaret Killjoy, and many more. Across essays and theory-fictions, artworks and comics, we say out loud: Long live black metal's true rainbow!

REVENGER TRAVELS A BROKEN UNITED STATES HELPING THE WEAK AND EXPLOITED THROUGH THE USE OF EXTREME VIOLENCE. WHEN ALL ELSE FAILS, REVENGER EVENS THE SCORE.

Be Here to Love Me at the End of the World - Sasha Fletcher 2022-02-08

A love story set in a bad dream about America, concerning permanent debt, secret police, making dinner, and unpaid invoices—right up until the end of the world. It's Brooklyn. It's winter. It's so cold outside you could execute billionaires in the street about it. Sam lives with Eleanor and they are in love. He has three or four outstanding invoices that would each cover rent for a month. At some point, the President is going to make some absolutely wild announcements that will only end in doom. In a surreal, funny, and heart-breaking version of reality, Sasha Fletcher's highly anticipated first novel occupies that rare register that manages to speak to an increasingly incomprehensible world. Through scenes that poetically transform the mundane into the sublime and the absurd into the tragic, *Be Here to Love Me at the End of the World* is about the exquisite beauty of being in love in a world that is falling apart.

The End of the Fucking World - Charles Forsman 2018-03-13

ORIGINAL SERIES NOW STREAMING ON NETFLIX At 16, I pretended to fall in love with Alyssa. Meet James and Alyssa, two typical-seeming teenagers facing the fears of coming adulthood. As their story unfolds, the chapters alternating between each character's perspective, this somewhat familiar teenage experience takes a more nihilistic turn. With James becoming rapidly more sociopathic, and Alyssa willfully ignoring his violent fantasies, they are forced to take a road trip that owes as much to *Badlands* as *The Catcher in the Rye* -- and threatens both their futures forever. One of the most talked about graphic novels of recent years, *The End of The Fucking World* marks Charles Forsman's UK debut.

This Is Where the World Ends - Amy Zhang 2016-03-22

A heart-wrenching novel about best friends on a collision course with the real world from Amy Zhang, the critically acclaimed Indies Introduce and Indie Next author of *Falling into Place*. Janie and Micah, Micah and Janie. That's how it's been ever since elementary school, when Janie Vivien moved next door. Janie says Micah is everything she is not. Where Micah is shy, Janie is outgoing. Where Micah loves music, Janie loves art. It's the perfect friendship—as long as no one finds out about it. But then Janie goes missing and everything Micah thought he knew about his best friend is colored with doubt. Using a nonlinear writing style and dual narrators, Amy Zhang masterfully reveals the circumstances surrounding Janie's disappearance in an astonishing second novel that will appeal to fans of Lauren Oliver.

The Beginning After The End - TurtleMe 2021-03-19

I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further. After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily. Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.

The Cabin at the End of the World - Paul Tremblay 2018-06-26

Paul Tremblay's terrifying twist to the home invasion novel—inspiration for the upcoming major motion picture from Universal Pictures "Tremblay's personal best. It's that good." — Stephen King Seven-year-old Wen and her parents, Eric and Andrew, are vacationing at a remote

cabin on a quiet New Hampshire lake. Their closest neighbors are more than two miles in either direction along a rutted dirt road. One afternoon, as Wen catches grasshoppers in the front yard, a stranger unexpectedly appears in the driveway. Leonard is the largest man Wen has ever seen, but he is young, friendly, and he wins her over almost instantly. Leonard and Wen talk and play until Leonard abruptly apologizes and tells Wen, "None of what's going to happen is your fault." Three more strangers then arrive at the cabin carrying unidentifiable, menacing objects. As Wen sprints inside to warn her parents, Leonard calls out: "Your dads won't want to let us in, Wen. But they have to. We need your help to save the world." Thus begins an unbearably tense, gripping tale of paranoia, sacrifice, apocalypse, and survival that escalates to a shattering conclusion, one in which the fate of a loving family and quite possibly all of humanity are entwined. *The Cabin at the End of the World* is a masterpiece of terror and suspense from the fantastically fertile imagination of Paul Tremblay.

What You Hide - Natalie D. Richards 2018-12-04

From Natalie D. Richards, the New York Times bestselling author of mystery books for teens, comes a pulse-pounding thriller about two teens who uncover something sinister, perfect for fans of Natasha Preston and Karen McManus. Mallory didn't want to leave home, but it wasn't safe to stay. So she sleeps at her best friend's house and spends the rest of her time at the library, doing her online schoolwork and figuring out what comes next. Because she's not going live in fear like her mother. Spencer volunteers at the library. Sure, it's community service for a stunt he pulled, but he likes the work. And it's the perfect escape from his parents' pressure to excel at school, at ice hockey, at everything. Especially after he meets Mallory. Then there is a tragic death at the library. Suddenly, what was once a sanctuary turns sinister. Ghostly footprints, strange scratching sounds, scrawled messages on bulletin boards and walls... Mallory and Spencer don't know who or what is responsible, but one thing is for sure: They are not as alone—or as safe—as they thought. Perfect for readers looking for: Detective stories for teens Creepy books for teens Edge-of-your-seat chills and thrills Praise for Natalie D. Richards: "As addictive as it is unpredictable. Natalie will keep you second guessing until the nail-biting

end."—NATASHA PRESTON, New York Times bestselling author of *The Cabin on My Secret to Tell* "Brimming with suspense and intrigue."—MEGAN MIRANDA, New York Times bestselling author of *All the Missing Girls on My Secret to Tell* Also by Natalie D. Richards: *Five Total Strangers Six Months Later Gone Too Far My Secret to Tell One Was Lost We All Fall Down*

The Mental Load - Emma 2018-12-18

A new voice in comics is incisive, funny, and fiercely feminist. "The mental load. It's incessant, gnawing, exhausting, and disproportionately falls to women. You know the scene--you're making dinner, calling the plumber/doctor/mechanic, checking homework and answering work emails--at the same time. All the while, you are being peppered with questions by your nearest and dearest 'where are my shoes?', 'do we have any cheese?...'" --Australian Broadcasting Corp on Emma's comic In her first book of comic strips, Emma reflects on social and feminist issues by means of simple line drawings, dissecting the mental load, ie all that invisible and unpaid organizing, list-making and planning women do to manage their lives, and the lives of their family members. Most of us carry some form of mental load--about our work, household responsibilities, financial obligations and personal life; but what makes up that burden and how it's distributed within households and understood in offices is not always equal or fair. In her strips Emma deals with themes ranging from maternity leave (it is not a vacation!), domestic violence, the clitoris, the violence of the medical world on women during childbirth, and other feminist issues, and she does so in a straightforward way that is both hilarious and deadly serious.. If you're not laughing, you're probably crying in recognition. Emma's comics also address the everyday outrages and absurdities of immigrant rights, income equality, and police violence. Emma has over 300,000 followers on Facebook, her comics have been shared 215,000 times, and have elicited comments from 21,000 internet users. An article about her in the French magazine *L'Express* drew 1.8 million views--a record since the site was created. And her comic has just been picked up by *The Guardian*. Many women will recognize themselves in *THE MENTAL LOAD*, which is sure to stir a wide ranging, important debate on what it really means to be a woman today.
