Feng Shui Guide with Auspicious Directions Calculator - MobileReference 2007

Plan your home, improve your relationships, and achieve career success with this easy to follow Feng Shui

Guide. Feng Shui is an ancient Chinese practice of placement and arrangement objects in space to achieve harmony with the environment. The practice is estimated to be more than 3,000 years old. Feng Shui literally means "wind and water" in Chinese. Feng Shui is based on the premise that people, places and things have energy. Positive energy is called chi and negative energy is called sha. According to an ancient Chinese teaching every person is born with four favorable and four harmful directions. To fulfill his/her potential a person should utilize the auspicious directions and avoid "unlucky" ones. Each of the auspicious directions attracts a slightly different kind of good fortune. For example sleeping in your SHENG CHI direction will bring you money and career luck. It is also the direction that you should face when negotiating or giving an important presentation. If you want to get married or conceive a child you should focus on your NIEN YEN direction. Your auspicious direction can be calculated based on your gender and the year you were born. This software uses the Eight Mansions formula to identify your auspicious directions and explain the meaning of each direction. Table of Contents Home Planning: Landscape | Environment | Front Entrance Inside the House: Entrance Door | Bedroom | Office | Chinese Traditional Methods to Enhance Chi Energy | Color Guide Auspicious Directions: Auspicious Directions Calculator | Sleeping Directions | Doors | Office

The Cleaning Encyclopedia - Don Aslett 2009-10-14

This book will provide you with deeper information on the Chinese cultural traditions of Feng Shui and Astrology.

Secular Beats Spiritual - Steve Bruce 2017-10-20

The decline of the Christian churches in the West is undeniable but commentators differ in their understanding of what this represents. For some it shows a decline in interest in religion as such; for others, religion has not declined, it has only changed its shape. Possible candidates for Christianity's replacement are the new religious movements of the late 1960s and what is variously called New Age, alternative or contemporary spirituality. *Secular Beats Spiritual* offers a detailed study of the religious and spiritual innovations of the last 50 years. It assesses their popularity in the UK and concludes that the 'not decline-just change' view cannot be sustained. Serious interest in spirituality has grown far less quickly than has the number of us who have no religious or spiritual interest. The most popular and enduring movements have been the least religious ones and those that have survived have done so by becoming more 'this-worldly' and less patently religious or spiritual. Yoga is popular but as a secular exercise programme; Transcendental Meditation now markets its meditational technique as a purely secular therapy; British Buddhists now offer the secular Mindfulness; and the Findhorn Foundation (Europe's oldest New Age centre) is no longer the germ of a counter-cultural communalism but sells its expertise to major corporations. Steve Bruce also demonstrates that, although eastern religious themes (such as reincarnation and karma) have become more popular as the power of the Christian churches to stigmatise them has declined, such themes have also been significantly altered so that what superficially looks like the easternization of the West might better be described as the westernization of the easternization of the West.

Feng Shui Made Easy, Revised Edition - William Spear 2011-03-08

The first edition, released in 1995, was lauded by seasoned practitioners and beginners alike. And no wonder. While most of the early English-language books on feng shui were dauntingly mystical or relied on complex calculations or culturally specific design practices, *Feng Shui Made Easy* took a more holistic approach, clearly explaining the fundamentals while guiding readers on an inner journey of understanding. Thoughtfully written and beautifully illustrated, the book is structured around an "architecture of consciousness" that is really the inner landscape. The book explores each "house" of the bagua—the chart representing one's journey through life; relationships with parents, loved ones, and community; creativity; spirituality; and connectedness to the source of life—and the symbolism of the corresponding I Ching trigram. *Feng Shui Made Easy* helps readers discover the nature of these connections, as well as learn what

obstructions must be removed to change fixed patterns of behavior and restore balance, harmony, and inner peace—a process that, when combined with external adjustments, results in increased success and lasting change in all areas of life. This revised edition expands on the author's intuitive approach with new sections on health, children's environments, and ecological concerns and sustainable practices. The author also corrects misconceptions about feng shui and uses fascinating case studies to share valuable insights he gained from interactions with his clients and readers. From the Trade Paperback edition.

Formulas for Success - Lillian Too 2000

In this lavishly illustrated and practical guide Lillian Too takes Feng Shui to a higher level of practice as she explains the applications of authentic Compass School formulas in an accessible, easy to follow style.

The Illustrated Encyclopedia of Feng Shui - Lillian Too 1999

The Encyclopedia of Religious Phenomena - J Gordon Melton 2007-09-01

From sacred mountains and places of pilgrimage to visions and out-of-body travel, this reference explores unusual and unexplained physical events, apparitions, and other phenomena rooted in religious beliefs.

Each entry features a balanced presentation and includes a description of the phenomenon, the religious claims surrounding the occurrence, and a scientific response. Touring the world and history, this comprehensive reference includes entries on angels, comets, Marian apparitions, and religious figures such as Jesus, Mohammad, and Lao Tzu.

Feng Shui (Illustrated Encyclopedia) - Lillian Too 2013-08-01

The definitive encyclopedia of Feng Shui: bestselling author Lillian Too's vibrant, comprehensive and pertinent guide to understanding and implementing an ancient practice for the new millennium.

The Feng Shui Diaries - Richard Ashworth 2007

The author shows how feng shui works for ordinary people in ordinary situations. There is nothing intimidating or inexplicable about it. And even if you don't follow the practice, it's a good laugh.

P'ungsu - Hong-key Yoon 2017-12-04

The first scholarly book to address Korean geomancy through an interdisciplinary lens. This book is a milestone in the history of academic research on the development and role of geomancy (fengshui in Chinese and p'ungsu in Korean) in Korean culture and society. As the first interdisciplinary work of its kind, it investigates many topics in geomancy studies that have never been previously explored, and contains contributions from a number of disciplines including geography, historical studies, environmental science, architecture, landscape architecture, religious studies, and psychoanalysis. While almost all books in English about geomancy are addressed to general readers as practical guides for divining auspicious locations, P'ungsu is a work of rigorous scholarship that documents, analyzes, and explains past and current practices of geomancy. Its readers will better understand the impact of geomancy on the Korean cultural landscape and appreciate the significant ecological principles embedded in the geomantic traditions of Korea; while researchers will discover new insights and inspirations for future research on geomancy not only in Korea, but in China and elsewhere.

High Vibe Home - Kirsten Yadouga 2021-08-24

From an interior designer and modern feng shui expert, *High Vibe Home* is a luxe handbook for creating restorative spaces that feel as good as they look. Create a home that feels as good as it looks. From an interior designer and energy practitioner, *High Vibe Home* teaches readers how to design harmonious spaces that invite free-flowing, positive energy into their homes and lives. By decluttering and cleaning, arranging furniture, decorating with crystals or houseplants, incorporating new colors, textures, and more, anyone, on any budget, can design a home with high vibes. The book outlines key design principles and energy rules that contribute to a nourishing home, and then, room-by-room, offers achievable ways to put those practices into place. In a luxe package, this handbook is woven through with atmospheric photography, evocative shots of styled decor elements, and helpful diagrams. *High Vibe Home* is a must-have for design aficionados, wellness enthusiasts, and anyone interested in crystals, feng shui, or energy

work. Alongside smudge sticks or a cozy throw, it's a thoughtful gift for a girlfriend's birthday or a housewarming party. ACCESSIBLE PRACTICES: High Vibe Home offers achievable, affordable practices to make spaces feel more Zen. Anyone, on any budget, can make these small adjustments to improve their home and in turn, channel that newfound positive energy into other areas of their life. MORE THAN JUST HOME DECOR: This book is not simply a collection of design tips; it also teaches how to foster specific types of energy in your space—calming, invigorating, healing, etc. These choices can have an outsize impact on not just your mood but also your relationships, career, and health. ON TREND: The wellness trend is still going strong, and holistic interior design is an extension of that. There are sections throughout the book on crystals, chakras, feng shui, and other types of energy work, which will appeal to those interested in these on-trend wellness topics. Perfect for: • Anyone looking for ways to make their home lovelier or more Zen • People interested in energy work, crystals, or feng shui • Shoppers looking for a Mother's Day, hostess, or housewarming gift

Total Feng Shui - Lillian Too 2004-12-07

Accompanied by a definitive reference on feng shui vocabulary and concepts, a thorough, accessible guide introduces the fundamental principles of feng shui and explains how to apply them at home, outdoors, and in the workplace. Original.

Soul Searching - Sarah Stillman 2012-01-03

An updated, indispensable guide to empowerment and self-discovery for teens. While fashion magazines, television programs, and websites emphasize the superficial and foster insecurities, Sarah Stillman directs teen girls to a healthy place where a strong sense of self and direction take center stage. Originally written when the author was just sixteen, Soul Searching has been fully updated and expanded to address the concerns of today's teens, bringing girl power to the printed page by offering young women a clear path to self-discovery and empowerment. Through fun quizzes, insightful exercises, and provocative statistics, Stillman guides young women through the complex maze between adolescence and adulthood. Featuring updated sections on safe cell-phone use, social media, health, and gender, as well as including updated resources throughout, Soul Searching is a must-read for teenage girls.

The Simplicity Connection - C. B. Davis 2009-08-12

This practical and comprehensive guide will help us rethink how we treat our bodies, our spirits, and our environment. It shows how even our smallest actions can lead to a simpler, better life.
