Mr Masters - T. L. Swan 2018-05-28

He is powerful, older and my boss, a lethal combination. Job satisfaction has taken on a whole new meaning. When I lied on my resume, I didn't expect it to matter. I mean any child would love me; I was born to be a nanny. I applied for a position working for a woman, or so I thought. But Julian Masters is definitely

all man...the kind you dream of licking chocolate from. The first day was bad. The kids were the spawn of the devil and I spied through a window and caught him doing something obscene.... and equally fascinating. The second day was worse, he caught me snooping in his bathroom cabinet in my skimpy pyjamas and all hell broke loose. On the third day, I ran over him in a golf cart. And by day four I had decided that I wanted that chocolate...all of it. Melted....on me. But intelligent, widowed Judges don't fall for ditzy nannies. Or do they?

My Favourite Half-Night Stand - Christina Lauren 2019-11-21

Sincerely, Carter - Whitney Gracia-Williams 2015-05-24

Just friends. We're just friends. No, really. She's just my best friend... Arizona Turner has been my best friend since fourth grade, even when we "hated" each other. We've been there for one another through first kisses, first "times," and we've been each other's constant when good relationships turned bad. (We even went to colleges that were minutes away from each other...) Throughout the years, and despite what anyone says, we've never crossed the line. Never thought about it. Never wanted to. Until one night changed everything. At least, it should've ... Just friends. We're just friends. I'm only saying this until I figure out if she's still "just" my best friend...
