sexual life can be difficult and overwhelming but it is possible if you follow the steps outlined in this book. The Kama Sutra is historically known for being all encompassing and accurate in terms of what men and women want inside and outside of the bedroom; whether or not this still reflects modern day, American beliefs has yet to be confirmed, though a lot of its contents still ring true today. With this book, you should not only be able to begin your path toward sexual fulfillment but be able to create an outline or a guide to help you along the way and to keep track of the measures you have taken towards your change. Our sexuality is something appealed to in our everyday lives. Our eyes are filled with titillation and provocation and this omnipresent, communal sexual expression may be at the root of our discontent. Everywhere we look, it's in our faces. When you love, you release an energy into the universe, which multiplies the love that is its nature. You feed the cosmic truth with your own and you participate in its health by becoming part of it. When this love is realized physically, the vibrational power of couples who love one another with an intentional and mindful sexuality becomes a powerful agent of goodness, illuminating the universe with an even brighter light than can possibly be imagined. That's why your sexuality exists and why it's so important. Sexuality is a spiritual commission to human beings. It's what we're born for - love not only felt but physically incarnated. Kama Sutra serves to remind us that sex, while a natural human activity, is as much an art form as life itself, also demanding active participation and understanding and the engagement of the whole person. That engagement is physical, or visceral. That engagement is intellectual and spiritual. As a sexual being seeking a deeper and more fulfilling connection with your partner, you're also seeking a deeper and more fulfilling connection with the cosmos itself. Your part in the divine plan and in your divinely gifted sexuality is part of what makes the universe an integrated whole. By learning to give sexuality the exalted and holy position in your life it deserves, you are becoming more attuned to what it means to be human. By re-igniting the flame of desire between you, you will draw closer to one another than you'd ever believed possible, even at the beginning of your relationship. Sexuality is a

spiritual reality, not just a physical one. Acknowledging that truth and taking steps to live in it and glory in it is about to make your life a joyful journey of discovery and cosmic ecstasy. This book covers: Understanding the Importance of Sex in Relationships Amazing Oral Sex, Fresh Views, Sexual Fantasies, and Further Easy Sex Positions to Better Enjoy Sex Comfortable Lying Down Sex Positions Everything about the Vagina Philosophy of Kama Sutra Sex is Not Just Positions Challenging Kamasutra Positions to Try The Benefits of Kamasutra It's time for you to go an amazing journey with your partner! The techniques and ideas of the Kama Sutra will help build a foundation for your relationship as you cease to rely on things as fleeting as chemistry and good looks. [The Lover's Dictionary](#) - David Levithan 2011-01-21

basis, n. There has to be a moment at the beginning when you wonder whether you're in love with the person or in love with the feeling of love itself. If the moment doesn't pass, that's it—you're done. And if the moment does pass, it never goes that far. It stands in the distance, ready for whenever you want it back. Sometimes it's even there when you thought you were searching for something else, like an escape route, or your lover's face. How does one talk about love? Do we even have the right words to describe something that can be both utterly mundane and completely transcendent, pulling us out of our everyday lives and making us feel a part of something greater than ourselves? Taking a unique approach to this problem, the nameless narrator of David Levithan's *The Lover's Dictionary* has constructed the story of his relationship as a dictionary. Through these short entries, he provides an intimate window into the great events and quotidian trifles of being within a couple, giving us an indelible and deeply moving portrait of love in our time.
