Black Cultural Traffic - Harry J. Elam 2010-02-11

"A shrewdly designed, generously expansive, timely contribution to our understanding of how 'black' expression continues to define and defy the contours of global (post)modernity. The essays argue persuasively for a transnational ethos binding disparate African and diasporic enactments, and together provide a robust conversation about the nature, history, future, and even possibility of 'blackness' as a distinctive mode of cultural practice." --Kimberly Benston, author of *Performing Blackness*

"Black Cultural Traffic is nothing less than our generation's manifesto on black performance and popular culture. With a distinguished roster of contributors and topics ranging across academic disciplines and the arts (including commentary on film, music, literature, theater, television, and visual cultures), this volume is not only required reading for scholars serious about the various dimensions of black performance, it is also a timely and necessary teaching tool. It captures the excitement and intellectual innovation of a field that has come of age. Kudos!" --Dwight A. McBride, author of *Why I Hate Abercrombie & Fitch*

"The explosion of interest in black popular culture studies in the past fifteen years has left a significant need for a reader that reflects this new scholarly energy. Black Cultural Traffic answers that need." --Mark Anthony Neal, author of *Songs in the Key of Black Life*

"A revolutionary anthology that will be widely read and taught. It crisscrosses continents and cultures and examines confluences and influences of black popular culture -- music, dance, theatre, television, fashion and film. It also adds a new dimension to current discussions of racial, ethnic, and national identity." --Horace Porter, author of *The Making of a Black Scholar*

Into the Wild - Jon Krakauer 2009-09-22

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged

bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times
In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality.

Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.
