**The ADHD Empowerment Guide** - James W. Forgan 2021-11-05  
Rated one of the "Best ADHD Books of All Time" by Book Authority The ADHD Empowerment Guide is different from other parenting ADHD books because it helps parents identify and build upon their child's strengths and natural talents in order to develop a specific plan to unlock their child's potential. Parents are invited to complete two easy-to-follow questionnaires to identify their child's natural abilities, as well as determine key characteristics in their child that research has shown to help children with ADHD succeed in life. These characteristics include emotional control, integrity, grit, resiliency, resourcefulness, organization, motivation, school fit, support systems, and productive use of technology. Using the practical strategies presented, strength-building activities, and the information learned from the questionnaires, parents can develop a success plan that will unlock their child's potential and build a positive outlook on the journey of raising a child with ADHD. The

authors, two professionals who have "been there and done that" with their own children with ADHD, illustrate their strategies and content by highlighting successful people with ADHD who excelled in various areas and share some of their success secrets to raising a successful child with ADHD.

**Character Building Activities for Kids** - Darlene Mannix 2001-12-15  
This straight-forward resource gives teachers, counselors, and parents over 140 common-sense lessons with reproducible activities for developing traits selected as representative of good character, such as honesty, generosity and fairness. This guide is organized into three sections focusing on respect for self, respect for others, and a positive outlook on life. Each lesson defines a specific character trait, shows children how to recognize the trait, and provides opportunities for children to apply the trait in their own daily lives.

**The Everything Parent's Guide to Raising a Successful Child** -

Denise D Witmer 2011-12-15

As parents struggle with these questions on a daily basis, The Everything Parent's Guide to Raising a Successful Child helps put their fears to rest, providing them with professional, reassuring advice on how to raise a "successful" child according to their own standards. The Everything Parent's Guide to Raising a Successful Child walks parents through all emotional, intellectual, and physical aspects of development. It's the first step in establishing realistic expectations, setting boundaries, and helping shape the mind of a responsible, well-rounded, happy young adult.

**Character Building Day by Day** - Anne D. Mather 2006-03-15

In elementary schools across the country, teachers are expected to provide at least five minutes of character education each day. This book makes it easy to meet that requirement in a meaningful way. It includes 180 character vignettes—five for each of the 36 weeks in the school year—grouped by trait. Each features kids in real-life situations making decisions that reflect their character. Each is short enough to be read aloud; all can be used as starting points for discussion, to support an existing character education program, or as the basis for an independent program. An excellent tool for the classroom or the character-conscious home.

**Core 52** - Mark E. Moore 2019-07-16

ECPA BESTSELLER • FINALIST FOR THE CHRISTIAN BOOK AWARD®

• Build your Bible IQ and Christian worldview in just fifteen minutes a day! Over the course of a year, Core 52 will help you master the 52 most important passages in the Bible. "You will gain the tools you need for living the life God has called you to."—Kyle Idleman, pastor and author of Not a Fan "For physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come."—1 Timothy 4:8 Most of us want to know the Bible better, but few reach our goal, often because we're too busy or we don't know where to start. Core 52 removes both barriers, offering a common-sense solution that fits into our busy lives. Respected Bible professor and teaching pastor Mark E. Moore developed this proven process from thirty-five years of helping people grow deeper in God's Word. Each week features a brief essay, memory verse, Bible story, trajectory verses, and practical ways to put what you've learned into practice. An optional "Overachiever Challenge" offers the chance to memorize the top 100 Bible verses by

year's end. This simple approach allows you to become familiar with the big ideas of the Bible in less time and with less effort than other reading plans. In one year, you can master the core of the Bible—focusing on topics from God's will to worry, happiness to holiness, and leadership to love. These fifty-two core passages are lenses through which you can read the rest of the Bible with clarity and confidence.

Bibliographic Guide to Womens Studies 1998 - New York Public Library Staff 1999-08

*E Is for Ethics* - Ian James Corlett 2009-12-08

Now in paperback, *E Is for Ethics*—an indispensable parenting tool to help instill a sense of morality and fair play in young children. At one time, schools in America offered instructions on character development and ethics. Today that's no longer the case, and many parents often feel at a loss over the seemingly daunting task of teaching their children to be good, moral citizens. Astonishingly, there has never been a book meant for parents to read with their children with the goal of teaching basic morals—until *E Is for Ethics*. Corlett's twenty-six simple, clear, fun and original stories have been carefully crafted for parents to read to their child, aged four to ten. Each insightful story features one of two children, Elliott or his sister Lucy, centering on a different positive ethic, such as tact, empathy, and understanding. At the end of each story there are several questions that will help children and parents discuss the implications of each tale. R. A. Holt's charming illustrations add to the fun. Boasting years of children's television experience, a seasoned knowledge of how children and parents interact, and a knack for lively storytelling, Corlett offers an inventive, whimsical book to help parents navigate important issues of ethics and morality that all kids are sure to enjoy as they learn.

Teaching Life Skills to Children and Teens With ADHD - Vincent J. Monastra 2015-11-16

Teaching Life Skills to Children and Teens with ADHD describes the Life Skills Program created by author Vincent J. Monastra at his ADHD clinic. When children have attention deficit/hyperactivity disorder (ADHD), even if their medication smoothes out the worst of the bumps, they still may have a lot of trouble in social situations like school. Teaching Life Skills to Children and Teens with ADHD features practical strategies for helping children and teens develop essential life skills at home, school, or in a support group setting. Some of these skills include:

- Engaging others in conversations
- Seeking out confidence-building experiences
- Responding appropriately to teasing
- Establishing friendships and social networks
- Trying group activities to avoid isolation
- Developing healthy eating, sleeping and exercise habits
- Solving problems and getting organized
- Showing sensitivity to others' emotions

Each chapter includes exercises to help you teach, model, and guide your child in trying out these skills. Interactive checklists, quizzes, and guided journal entries are provided as tools for reflection and for engaging children and teens in ways that are interesting and fun.

Homeschooling: The Early Years - Linda Dobson 2012-01-11

Discover the Rewards of Homeschooling Your Young Child Young children are full of curiosity, imagination, and a sense of wonder. They're willing to try new things and possess a natural joy of discovery. Yet in a traditional school, these natural behavior traits are too often squelched. That's why more and more parents just like you are choosing to teach their children at home during these critical years—the years that lay the foundation for developing learning skills that last a lifetime. Inside, respected homeschooling author Linda Dobson shows you how homeschooling can work for you and your young child. You'll discover how to:

- Tailor homeschooling to fit your family's unique needs
- Know when your child is ready to learn to read
- Teach your child arithmetic without fear—even if you're math-challenged
- Give your child unlimited learning on a limited budget
- And much more!

"Brings dazzling clarity to the otherwise nerve-wracking confusion of early learning—and the adventure of becoming fully human. Highly recommended."—John Taylor Gatto, former New York State Teacher of the Year and author of *Dumbing Us Down* "Provides a much-needed introduction to living and learning with young children. Open the book to any page and you'll find inspiring anecdotes and approaches to learning that leave the reader thinking, 'That just makes so much sense!' Highly recommended for anyone who lives, works, or plays with young children."—Helen Hegener, managing editor of *Home Education Magazine* "An information-packed delight; I only wish it had been around when our three boys were three to eight years old."—Rebecca Rupp, author of *The Complete Home Learning Sourcebook* "This book brings together the experience and wisdom of a great variety of homeschooling families—tied together with warm

encouragement and wonderful simplification of processes that can seem so mysterious and daunting to the beginner. A very solid resource!"—Lillian Jones, homeschooling activist, writer, and reviewer

*The Day You Begin* - Jacqueline Woodson 2018-08-28

A #1 NEW YORK TIMES BESTSELLER! Featured in its own episode in the Netflix original show Bookmarks: Celebrating Black Voices! National Book Award winner Jacqueline Woodson and two-time Pura Belpré Illustrator Award winner Rafael López have teamed up to create a poignant, yet heartening book about finding courage to connect, even when you feel scared and alone. There will be times when you walk into a room and no one there is quite like you. There are many reasons to feel different. Maybe it's how you look or talk, or where you're from; maybe it's what you eat, or something just as random. It's not easy to take those first steps into a place where nobody really knows you yet, but somehow you do it. Jacqueline Woodson's lyrical text and Rafael López's dazzling art reminds us that we all feel like outsiders sometimes-and how brave it is that we go forth anyway. And that sometimes, when we reach out and begin to share our stories, others will be happy to meet us halfway. (This book is also available in Spanish, as *El Día En Que Descubres Quién Eres!*)

*10-Minute Life Lessons for Kids* - Jamie C. Miller 2010-08-31

52 playful and easy to understand activities to help parents teach children moral lessons that they won't forget. A child says, "I hear and I forget, I see and I remember, I do and I understand." *10-Minute Life Lessons for Kids* is a book about seeing and doing--a book that gives parents the ability to teach the powerful principles of honesty, trust, generosity, love, and other values. Children will discover the objectives

themselves as they actively participate in fun games and activities. The games can be done in any order, with very little planning and with very few supplies--just common objects most people have around the house like toothpicks, string, pennies, or an apple. Some can be done while riding in the car, and others can be expanded to fill a whole evening with family fun. The activities in *10-Minute Life Lessons for Kids* will not only create cozy and enjoyable moments of family togetherness, they will have a lasting impact on your growing child.
