Hitler's Headquarters - Blaine Taylor 2007

Blaine Taylor has written and assembled a fascinating photographic history of Adolf Hitler's many headquarters, both before and during World War II. Taylor includes all of the private residences, offices, command posts, and even mobile headquarters from which the Nazi dictator

planned his rise to power and the conquest of Europe. Taylor recounts the background and physical description of each headquarters while also relating these locations' importance to the larger story of Nazi Germany and World War II. Restless, Hitler rarely worked at a desk and was almost always on the move during the war, with headquarters scattered throughout Germany and across the continent from the Ukraine to Belgium. Taylor describes the best-known headquarters, such as Wolf's Lair, the Berchtesgaden complex, and the Berlin bunker, but he also includes many lesser-known ones such as Hitler's armored train Amerika, Felsenest near the Belgian border, and the compound codenamed Tannenberg in the Black Forest. Hitler spent a fortune on these varied sites, some of which he never used. Ultimately, and perhaps fittingly, he spent his final days before committing suicide holed up in his extensive

bunker deep beneath Berlin. **The Price of Grace** - Diana Munoz Stewart 2019-09-24 "Witty, dangerous, fun, and smoking hot." --CINDY DEES, New York Times and USA Today bestselling author for I Am Justice Who can you trust When family, truth, and love are all on the line? Gracie Parish knows the true cost of trust. Rescued as a child by the infamous Parish family, she became a member of their covert sisterhood of vigilantes. Gracie saw her most precious relationships destroyed by secrecy. She learned long ago to protect her heart as well as her family's secrets. Special Agent Leif "Dusty" McAllister will do anything to uncover the truth about the Parish family's covert operations. Dusty knows Gracie is his ticket in. He'll use everything he's got--fair, unfair, and just plain wrong--to break through her defenses. But the more he gets to know Gracie and her family's mission, the harder he starts to fall. Neither one is sure they'll get out of this with their lives--or their hearts--intact. Black

The Peasants of Ottobeuren, 1487-1726 - Govind P. Sreenivasan 2004-06-24
The Peasants of Ottobeuren offers an interesting perspective on one of the enduring problems of early modern European history: the possibilities for economic growth and social change in rural society. Based on the voluminous records of the

Swabian Benedictine monastery of Ottobeuren, this study underscores the limitations of the traditional narrative of a sixteenth-century boom which foundered on the productive rigidities of the peasant economy and then degenerated into social crisis in the seventeenth century. Population growth did strain resources at Ottobeuren, but the peasantry continued to produce substantial agricultural surplus. More importantly, peasants reacted to demographic pressure by deepening their involvement in land and credit markets, and more widely and aggressively marketing the fruits of their labour. Marriage and inheritance underwent a similar process of commercialization which made heavy demands on the peasantry, but which maintained a degree of social stability through the devastations of war, plague and famine.

100 Marcas valencianas con las que aprender - Pablo Adán
2016-07-20

"100 marcas valencianas con las que aprender" es un libro que recopila casos prácticos de éxito en la gestión de marcas y en la toma de decisiones empresariales. El libro, fruto del trabajo de 10 profesionales valencianos de diferentes áreas de la formación y la consultoría de empresas, ha sido coordinado por Pablo Adán, valenciano, consultor de marketing en Equipo B12, docente en diferentes escuelas de negocio y universidades en España, además de conferenciante en países

latinoamericanos, como Chile o México. Pablo Adán es también autor de varios libros sobre marketing (Rock Marketing, Los Pasos de Camper), marketing digital (Business To Social) y emprendimiento (Emprender con Éxito), así como de habilidades personales y sociales bajo el concepto marca personal (Cómo ser una persona influyente, Mejora y Gana o Soy Un Crack, entre otros), todos ellos publicados en España y Latinoamérica. Este libro representa uno de sus mayores retos al entrar a valorar marcas valencianas entre los casos de éxito conocidos y trabajados personalmente tanto por él mismo como por el equipo de colaboradores. "100 marcas valencianas con las que aprender" pretende ser un legado de reconocimiento a tantas empresas valencianas que son ejemplo en España y en el mundo por su buen hacer, y también de grandes profesionales, empresarios y emprendedores que son orgullo para el pueblo valenciano.
