**Defeated** - R. L. Thorne Cramer 2017-01-31

This book is part of my journey to understand Satan's influence, what the Word teaches and our response to all of it. Scripture is my starting point. This handbook will be driven by Scripture alone. If I cannot find a scriptural basis for my statements, I won't comment. I want the discussion to be moderated by His Word alone. I am using the KISS model: Keep It Simple Saint. I take spiritual warfare seriously, but I do not need to recoil in fear or put on a big display to drive Satan out. Jesus spoke and it was enough. Jesus did not, in His encounter with Satan, engage in debate. He quoted the truth and the

father of lies had to leave. Why should we try to do any more or any less? You will also see "in Christ" a lot in this handbook. "In Christ" is the only way to do this life. We all know He came and died for us. We equally need to know He wants to live His life in and through us.

**Air-To-Ground Warfare** - Benjamin J. Phillips

2013-04-09

The Prophet Daniel and his friends were held captive in the land of Babylon. Frustrated at his current condition and removed from his homeland, he began to pray and confess to God. While in prayer, an angel visited him and revealed God's plan for his life and the future of Israel. Today, many Christians feel captive like Daniel. They wonder why their prayers are not as effective as the men and women of the Bible. In our current times of a struggling economy, global war, and broken homes, Christians need resources that teach us how to overcome the world, our flesh, demonic deception. Air-To-Ground Warfare is a manual on spiritual warfare that explains how our prayers travel, remove doubt, restore joy, and establish ministries. This book goes in-depth and reveals the one thing the enemy has tried to hide from God's people: how to receive the plan of victory and use it while in battle. While reading these revealed truths, you will discover that anyone can enter the

supernatural and fight battles through the power that God has given. The tools provided on fasting will strike deep in your heart and will cause your prayer life to instantly change. If you are ready to apply the principles that have supernaturally transformed the lives of millions, then you are ready to engage in Air-To-Ground Warfare.

Warfare Prayer provides a toolbox and an operator's manual for those who take seriously the Apostle Paul's statement that we wrestle not against flesh and blood but against principalities

and powers. The demonic world around us is a reality, but all too few believers understand that realm of darkness to say nothing of having the skills to use effectively the weapons of warfare that God has given us. Based on a combination of sound biblical theology and real life experiences, this book is a user-friendly guide for those committed enough to join the army of God.

Overcoming the Strongman: A Handbook on Spiritual Warfare - Ravindra Shiwnandan

2019-03-27

OVERCOMING THE STRONGMAN - A Handbook On Spiritual Warfare has covered almost every area which had been previously hidden, though

in plain sight. It shed light on some areas that have been overlooked by the church to her disadvantage. It lays the foundation which exposes that this conflict is not localized to denominations or geography, but it is a universal human spiritual conflict. Many topics covered in this work highlight events not generally referenced. The author's discipline as a medical doctor informs his exposition of the book's theme, particularly in the chapters on Warfare Realities. The spirit world can be seen, so he calls on the development of spiritual sensitivity. Truth wins, so we should embrace a Biblical worldview to be successful. Since vision affects the outcome of the war we fight, enhancing our perceptive abilities will make us victorious. Unlike many works written on the same theme; the writer considers the physiological and psychological dimensions as also being important in determining one's perspective which is vital in overcoming the Strongman. The natural and psychological perceptions are

aspects that are rarely ever addressed in works on spiritual warfare. Our understanding of Satan and the strongholds he sets up will expose the secrets of the war, thus enabling us to overcome the Strongman. Wherever or at whatever level you are in the conflict, **OVERCOMING THE STRONGMAN** will significantly benefit you since it touches every aspect of spiritual warfare. I consider Dr. Shiwnandan's book and knowledge on this aspect of spiritual warfare unparalleled. I strongly recommend this book as a resource not only for pastors or church leaders or workers but also for the serious students of the Bible and for the individual Christian who is seeking to live victoriously.

Over the decades, some of our leaders have twisted this teaching into something that's not even biblical. This book is all about addressing some of the errors and traditions that have been passed down over the

years, which have gone unchecked and unscrutinised. There are so many things that we have been taught about spiritual warfare which neither Jesus nor the apostles did. The body of Christ needs a major paradigm shift so that we can wage a good warfare. It's time to relook at this subject with fresh eyes so that we can be more effective.
