Big Apple Diaries - Alyssa Bermudez 2021-08-17

In *Big Apple Diaries*, a heartfelt diary-style graphic memoir by Alyssa Bermudez, a young New Yorker doodles her way through middle school—until the September 11, 2001, terrorist attack leaves her wondering if she can ever be a kid again. It's the year 2000 in New York City. For 12-year old Alyssa, this means splitting time between her Puerto Rican dad's apartment in Manhattan and her white mom's new place in Queens, navigating the trials and tribulations of middle school, and an epic crush on a new classmate. The only way to make sense of it all is to capture the highs and lows in doodles and hilarious comics in a diary. Then life abruptly changes on September 11, 2001. After the Twin Towers fall and so many lives are lost, worries about gossip and boys feel distant and insignificant. Alyssa must find a new sense of self and purpose amidst all of the chaos, and find the strength to move forward with hope.

Crying in H Mart - Michelle Zauner 2021-04-20

NEW YORK TIMES BEST SELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—“in losing her mother and cooking to bring her back to life, Zauner became herself” (NPR) • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BEST SELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band—and meeting the man who would become her husband—her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.
