Authors And Creating Ebooks - Jonathan Drane

Think Like a Publisher The truth is that if you think like a writer you may never see your manuscript as publishers would see it. If you think like a publisher you may never have written the manuscript in the first place. How do you act out both these parts? It's easy, by thinking like a property developer!! Award winning author Jonathan Drane reveals his adventure into the world of writing from a thirty year background in property development and multi-million dollar corporate deals. He finds the way to publish his works is not to think like a publisher and certainly not like a writer. Learn Jonathan's secrets in a process he calls 'book development' which will help you to self publish your own books, become the master of your own destiny and attract attention to your book and your brand. Jonathan has created a thriving e-business which has built a

reader base from scratch, and now sells his books 24/7 across the planet (while he sleeps). Through his e-book 'Think Like a Publisher', Jonathan introduces you to the key principles he uses in his business model, as well as an introduction to his on-line knowledge base 'The Author's Friend' which helps you to build your own model step by step, at a minimal cost.

Demystifying Fundraising Funnels - David Higgins 2022-01-25

"Every non-profit organization should follow the principles in this book, especially in today's current climate where fundraising has become trickier. The book shows you step-by-step how to successfully run online fundraising campaigns so you can grow your organization faster and help more people."—Corinna Essa, Author of Money on Demand and Reach The legacy methods of fundraising have either exhausted their efficacy or undergone total extinction. With a brave new economic landscape near at hand, nonprofits are faced with one last ultimatum; level up or evaporate forever! The prior landscape of fundraising has been razed by pandemic, political, and cultural shifts. As a result, nonprofits must adapt their approach to suit the modern paradigm so that they may flourish like never before. Demystifying Fundraising Funnels presents nonprofits with ideas, strategy, and, most importantly, hope. Demystifying Fundraising Funnels is not merely a book that laments the new e-commerce world's challenges to nonprofits. Instead, it is the paragon guide for tactics, tools, and real-world answers that nonprofits can enact to thrive in our new online economy. With a honed-in online strategy, nonprofits can unlock a literal world of new possibilities. You'll be ignited with inspiration from the possibilities as well as empowered with the confidence of a step-by-step approach that brings real, rewarding growth to your team, volunteers, and nonprofit as a whole. Demystifying Fundraising Funnels gives you the legs to run headlong toward the opportunities of dynamic online fundraising and dive deep into relationships with thousands of undiscovered donor connections. Have you been seeking a blueprint that doesn't just make a lasting impact on

your organization's financial picture but also interlaces your team as one powerful, unified mind? Then you're poised and ready to have your fundraising funnels demystified.

As an added benefit... Ecommerce evolved is also the key that will unlock access to my private ecommerce community. This is an up till now secret group of ecommerce professionals where we talk shop, strategize and grow our businesses through the collective genius of the group. This book is literally the step-by-step blueprint to building a successful and highly profitable ecommerce business and the private

community is the support group that will help you along the way.

Profitable Ecommerce Blueprint - Michael Walding 2021-01-12

Growth and advancements in technology and the internet have made it possible for a number of business models to spring up and new industries created. One of these is the e-commerce industry which as of 2019 was valued at about 9.09 trillion dollars and is estimated to grow at a constant annual growth rate of 14.7 percent over the next seven years from 2020 to 2027. That's massive, isn't it? The e-commerce industry has created multimillion-dollar companies, as well as made more multimillionaires and billionaires than any other sector outside of ICT itself. The likes of Jeff Bezos, Jack Ma, Richard Liu, and many others are billionaires through e-commerce. And not just that, ecommerce has turned thousands of small-scale e-commerce entrepreneurs into millionaires and multi-thousand-dollar businesses. And this trend is not about to stop anytime soon. As more technology and improvements in value delivery systems are made. More billionaires and millionaires would emerge from e-commerce... And this is the reason why you need to put on your entrepreneur spectacles and look closely at the e-commerce space, find opportunities you can take advantage of, and start milking your own dollars from the lucrative e-commerce industry. In this book, I am going to show you how to start and grow a multimillion-dollar e-commerce business even if you are a complete beginner. This book will point you in the right direction and with adequate planning, execution, and luck on your side, you will start turning in sales and massive profits in no time. Let's dive in. It's getting even more exciting.

The Blueprint - Douglas R. Conant 2020-02-26

A Wall Street Journal and Publishers Weekly Bestseller Lift your leadership to new heights Doug Conant, Founder of ConantLeadership, former CEO of Campbell Soup Company, and former President of Nabisco Foods, shares transformational insights in his new book, The Blueprint. Conant is the only former Fortune 500 CEO who is a New York Times bestselling author, a top 50 Leadership Innovator, a Top 100 Leadership Speaker, and a Top 100 Most Influential Author in the World. Get Unstuck In 1984, Doug Conant was fired without warning and with barely an explanation. He felt hopeless and stuck but, surprisingly, this defeating turn of events turned out to be the best thing that ever happened to him. Doug began to consider what might be holding him back from realizing his potential, fulfilling his dreams, and making a bigger impact on the world around him. Embarking on a journey of self-reflection and discovery, he forged a path to revolutionize his leadership and transform his career trajectory. Ultimately, Doug was able to condense his remarkable leadership story into six practical steps. It wasn't until Doug worked through these six steps that he was able to lift his leadership to heights that ultimately brought him career success, joy, and fulfillment. Reach High - Envision Dig Deep - Reflect Lay the Groundwork - Study Design - Plan Build - Practice Reinforce - Improve In The Blueprint, part leadership manifesto, part practical manual, Doug teaches leaders how to work through the same six steps that he used to transform his journey. The six steps are manageable and incremental, designed to fit practically within the pace of busy modern life. Knowing how daunting the prospect of change can be, Doug arms readers with exercises and practices to realistically bring their foundation to life in every situation. Now, today's leaders who feel stuck and overwhelmed

finally have a blueprint for lifting their leadership to make meaningful change in their organizations and in the world.

The Advanced Amazon Selling Guide - A. M. Z. Advisers 2017-04-06
The step-by-step blueprint for selling on Amazon from AMZ Advisers The Amazon Marketplace in 2017 The Amazon marketplace continued to set new records in 2016, and its upward trend is not likely to abate in 2017. Amazon continues to grow its shopper base by unprecedented rates and create incredible, new opportunities for businesses. The eCommerce retail giant has become the go-to starting point for customers searching to buy products online. Businesses of all sizes stand to benefit massively from being on Amazon. However, many are being left behind from not understanding how the platform works, not using the most cost-effective and efficient ways to grow on Amazon, or not having a presence on the platform at all. Our Amazon blueprint can help any business increase their sales and realize their full potential on this incredible platform. Businesses can no longer afford to not be selling on Amazon. The opportunity costs of not reaching potential customers on the largest eCommerce platform are too great. Creating and optimizing your Amazon sales channel with long-term growth strategies will position your business to enjoy a powerful revenue stream for years to come. The Two Amazon Selling Platforms The two main Amazon selling platforms, Seller Central and Vendor Central, provide opportunities for first time sellers, small businesses and large brands to create a powerful sales channel. Optimizing each platform will lead to a robust sales channel for you, however each is fraught with their own challenges. The Advanced Amazon Selling Guide will teach you how to optimize your accounts on either platform through powerful growth hacking strategies that sellers on Amazon are taking advantage of everyday. What You Will Learn We've designed this book to be the ultimate reference guide for everyone interested in growing their eCommerce sales. The book can be read section by section, but is designed to provide valuable advice and insight into specific topics on how to sell on Amazon. Feel free to read the entire book, or flip to sections that are relevant for the platform and stage that your business is at. These strategies work best for established businesses looking to scale, but implementing any of these strategies will take your business to the next level no matter where you currently are. Whether

you are utilizing Amazon FBA to sell items on Amazon for the first time or have been using Amazon for years, this book will teach you how to increase your sales. Who We Are AMZ Advisers is a full-service eCommerce & digital marketing consultancy with extensive experience in creating high-growth strategies for brands and manufacturers on the Amazon platform. We partner with companies looking to realize their full eCommerce potential. We believe that developing a robust eCommerce presence is integral for a business looking to maximize growth in the 21st century. Our custom strategies aim to make Amazon a powerful sales channel and the centerpiece of every company's eCommerce presence. Long-term growth requires developing alternative sales channels, and we compliment every client's eCommerce strategy by bringing them to additional eCommerce platforms, developing powerful sales funnels and creating websites designed to convert shoppers into customers. Our Clients' Results In 2016, our clients broke the \$20,000,000 mark for total sales on the Amazon platform. Winning Strategies - Shehan Wijetilaka 2016-11-01

Want to grow your business but don't know where to start? The 9 Step Blueprint outlined in this book provides an easy method to use "strategy" to build and execute a Growth Plan to increase your sales. This book is useful if you are facing any of these issues: 1. Are your customers delaying their purchases? 2. Are they more price sensitive? 3. Are they buying elsewhere? The research shows that you are probably being impacted by digital disruption without even realising it. Most businesses are fast approaching a point where they need to combat disruption and start winning sustainable new revenue to bolster profits. But there is a sense that the business world has changed, perhaps forever. The purpose

of this book is to help small to medium (SMB) businesses manage the transition to a new business model using a Growth Plan as the foundation. This book provides a step-by-step guide for both planning and execution of sound strategies to grow sales in a sustainable manner. It is aimed at business owners, business leaders and managers. This book simplifies concepts on applying proven business strategy, in bite sized chunks, to drive closer engagement with target customers. The methods used will lead to a Growth Plan to keep you on track to continuously create value for customers and grow sales revenue.

Passive Income Online - Robert Hill 2020-11-03

Are you looking for the most effective passive income online strategies, that can give you a "Fastlane" to achieve your financial freedom? Time is precious. It's sacred. Just 24 hours in a day. That's all we get. Not one person on this earth has more time than that. No matter their age, occupation, religion, color of their skin or where they live. Time is the greatest equalizer because not a single person can have more of it. It can never be recreated or re-spent. It exists once, then it's gone. So, why passive income is so important? Because time is more valuable than money. Passive income is where you get paid multiple times, over and over again for work you only did once. But creating the multiple income sources isn't a short-term money making strategy. You need to think long term. You need to choose the right passive income sources for you without making killer mistakes, as you will be investing your time and effort initially to get your income source flowing. Book Business Blueprint - Arlene Gale 2018-04-02

Want to write a sellable book? Do it the right way! Because it's not how you finish that matters. It's how you start! Many people write books that never sell-or worse-damage credibility. Key reason: Authors don't develop a clear, complete marketing plan beforehand. If this step is skipped, there's no road map to keep writers out of the ditches.

The Lean Startup - Eric Ries 2011-09-13

Most startups fail. But many of those failures are preventable. The Lean Startup is a new approach being adopted across the globe, changing the way companies are built and new products are launched. Eric Ries defines a startup as an organization dedicated to creating something new under conditions of extreme uncertainty. This is just as true for one person in a garage or a group of seasoned professionals in a Fortune 500 boardroom. What they have in common is a mission to penetrate that fog of uncertainty to discover a successful path to a sustainable business.

The Lean Startup approach fosters companies that are both more capital efficient and that leverage human creativity more effectively. Inspired by lessons from lean manufacturing, it relies on “validated learning,” rapid scientific experimentation, as well as a number of counter-intuitive practices that shorten product development cycles, measure actual progress without resorting to vanity metrics, and learn what customers really want. It enables a company to shift directions with agility, altering plans inch by inch, minute by minute. Rather than wasting time creating elaborate business plans, The Lean Startup offers entrepreneurs—in companies of all sizes—a way to test their vision continuously, to adapt

and adjust before it's too late. Ries provides a scientific approach to creating and managing successful startups in a age when companies need to innovate more than ever.

WordPress to Go - Sarah McHarry 2013-05-07

Do you want to build your own website but don't know where to start? Have you been put off by all the jargon and gobbledegook of other Internet guides? If so then this plain, easy WordPress tutorial is the ideal place to start. Now a #1 Amazon Best Seller on Kindle Books, this popular, up-to-date, step-by-step guide by expert Sarah McHarry will walk you through the essential first steps to building your own website or blog using WordPress. In eight easy lessons you will have your own website up and running - without needing to know any geeky computer code! And, in the remaining 12 lessons, you'll learn all you need to know about creating a website and making it into your own, unique, web presence. What you'll learn in this book: How to register your own domain and get the right WordPress hosting How to install WordPress with a few clicks of the mouse How to design a professional-looking website How to add and format your content How to use graphics and images All about themes, plugins, widgets and other WordPress tools ... and lots more.. If you want to make a website that looks like it was designed by a pro then WordPress is the ideal tool to use. Designing a website need not be difficult or expensive if you have the right guidance. Sarah's WordPress tutorial walks you through creating a website yourself using step-by-step lessons that are easy to follow. Making a website as a beginner has never been easier! Why should you build your own website on your own domain instead of using a free service? The answer is that, with your own privately registered domain and hosting account, YOU own and control the website, not anybody else. You can put whatever you like on your site and no-one can tell you otherwise. You can make your site look and behave how you like. You're the boss. And, with your own website, you can build your own distinctive 'brand', whether you are a business or a community group, an individual, or whatever... Your domain becomes your own exclusive web address, your own piece of online virtual 'real estate' that plays its part in publicizing your mission

or message. Creating a website on your own domain gives you identity, visibility and, indeed, status. But don't you need a professional web designer to make a good job building a website? No, definitely not! This was the case in the early days of the Internet because only a few tech-savvy geeks knew and understood the computer language (HTML) required. But as the technology has advanced, so have the tools to build websites become more accessible. WordPress is one of these tools and WordPress is the subject of this e-book. But how much does it cost to make a website? The answer is just a few bucks per month for hosting. If you create your own website using WordPress, you don't have to spend another cent. And what if you're looking to start a blog? Well, the same instructions apply. WordPress was originally designed as a blogging platform and this ebook shows you just how to build a blog using the same techniques as designing a website. Whether you want to create a simple WordPress blog or design a full-blown ecommerce site, Sarah's 'WordPress To Go' will start you off on the right foot.

You Are The Brand - Mike Kim 2021-06-08

Yes, It's Possible to Build a Business around Your Expertise, Ideas, Message, and Personality. But First You Need to Realize — YOU ARE THE BRAND. It's no secret that more people than ever before are building thriving businesses around their personal brands. But why do some create six- or even seven-figure businesses while so many others strive to make a consistent income? Much of the personal brand space plays out in two ways. The first group of people sells a false version of themselves, thinking that image or perception alone will get them the results they seek. These folks don't realize that attention isn't owed, it's earned. The flip side of presenting a false version of yourself is

oversharing in the name of authenticity. They talk nonstop about their issues, sometimes revealing way more than what is even comfortable to read about. It's as if these people are trying to sell their struggles, and it doesn't work in the long run. Like a car wreck, these folks garner attention, but it's short-lived. Here's a simple question that can serve as a litmus test for you: "Can I build a campfire around what I'm sharing?" Is there warmth? Are you building something that is attractive and inviting to others? Can you build a community around it? Are you someone whom others want to invite onto their stages, in front of their employees, or into their lives? In *You Are the Brand*, Mike Kim shares his proven 8-step blueprint that has helped build the brands for some of today's most influential thought leaders — as well as his own personal brand. In this practical and inspiring book, you will learn: How to identify and showcase your unique expertise How to gain clarity on your message, market, and business model Why the most effective marketing strategy is to simply tell the truth How-To-Preneur vs. Ideapreneur — Which one are you? The three kinds of personal stories that ensure you stand out in your market The simple "9-Box Grid" that shows you how to price your products and services How to cultivate "rocket ship relationships" that skyrocket your revenue, and influence
