Clarissa, the History of a Young Lady, Volume 1, 2, 3, 4 and 5 - Samuel Richardson 2014-06-25

Clarissa, or, the History of a Young Lady is an epistolary novel by Samuel Richardson, published in 1748. It tells the tragic story of a heroine whose quest for virtue is continually thwarted by her family, and is one of the longest novels in the English language. Samuel Richardson (1689 - 1761) was an 18th-century English writer and printer. He is best known for his *Clarissa: Or the History of a Young Lady* (1748). Clarissa Harlowe, the tragic heroine of *Clarissa*, is a beautiful and virtuous young lady whose family has become wealthy only recently and now desires to become part of the aristocracy. Their original plan was to concentrate the wealth and lands of the Harlowes into the possession of Clarissa's brother James Harlowe, whose wealth and political power will lead to his being granted a title. Clarissa's grandfather leaves her a substantial piece of property upon his death, and a new route to the nobility opens through Clarissa marrying Robert Lovelace, heir to an earldom. James's response is to provoke a duel with Lovelace, who is seen thereafter as the family's enemy. James also proposes that Clarissa marry Roger Solmes, who is willing to trade properties with James to concentrate James's holdings and speed his becoming Lord Harlowe. The family agrees and attempts to force Clarissa to marry Solmes, whom she finds physically disgusting as well as boorish. In this book: *Clarissa, the History of a Young Lady Volume 1, 2, 3, 4 and 5*

**Clarissa Harlowe : or The history of a young lady ; in nine volumes. 8** - Samuel Richardson 1902

*Clarissa Harlowe (Volume IX)* - Samuel Richardson 2019-07-08

This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

Clarissa, Volume 3 - Samuel Richardson 2020-09-15

Book Excerpt: ...my mother, I know not. Yet if she hear it first from any other, and find I knew it before, she will believe it to be my connivance!--Yet, as I hope to live, I know not how to break it to her. But this is teasing you.--I am sure, without intention. Let me now repeat my former advice--If you are not married by this time, be sure delay not the ceremony. Since things are as they are, I wish it were thought that you were privately married before you went away. If these men plead AUTHORITY to our pain, when we are theirs-- Why should we not, in such a case as this, make some good out of the hated word, for our reputation, when we are induced to violate a more natural one? Your brother and sister [that vexes me almost as much as any thing!] have now their ends. Now, I suppose, will go forward alterations of wills, and such-like spiteful doings.\*\*\*Miss Lloyd and Miss Biddulph this moment send up their names. They are out of breath, Kitty says, to speak to me--easy to guess their erClose...

**Clarissa Harlowe** - Samuel Richardson 2020-02-23

I am extremely concerned, my dearest friend, for the disturbance that have happened in your family. I know how it must hurt you to become the subject of the public talk: and yet, upon an occasion so generally known, it is impossible but that whatever relates to a young lady, whose distinguished merits have made her the public care, should engage every body's attention. I long to have the particulars from yourself; and of the usage I am told you receive upon an accident you could not help; and in which, as far as I can learn, the sufferer was the aggressor.
