more like a dream, Lorelei never fully realized who and what her father was, nor what her sisters were brought up to do for him. But one day, that all changed. Sergio's 'daughters' serve a very important purpose: they are all beautiful young ladies who can easily attract - and lure - men so Sergio can feed on their blood. And now Daddy expects Lorelei

to be the obedient daughter he needs and bring him new victims. But when Lorelei meets the shy but handsome Buddy in school, she quickly falls in love with him. He feels the same way, but wonders why she doesn't want to take him home to meet her father. Lorelei knows what will happen if she does and tries desperately to keep her two worlds apart, but she knows she can never truly escape her fate as a daughter of darkness.

For fans of Ruth Ware (*The Woman in Cabin 10*) and Emma Donoghue (*Room*). Alike in every single way.... with one dark exception. The twisted, beloved Dollanganger legend began two generations before Corrine Foxworth locked away her children in *Flowers in the Attic*. The second book in a new prequel story arc, *Out of the Attic* explores the Dollanganger family saga by traveling back decades to when the clan's wicked destiny first took root. Married to the handsome, wealthy Garland Foxworth following a wildfire romance and an unexpected pregnancy, young Corrine Dixon finds her life very different from how she imagined it. Often alone in the mansion of Foxworth Hall, she can practically feel the ancestors' judgment of her as insufficient—as not a Foxworth. Stern portraits glare at her

from the walls, and the servants treat her strangely. Nothing in the vast place is truly hers. Even her son, Malcolm Foxworth, born in the luxe Swan Room and instantly whisked away to a wet nurse, feels alien to her. With a husband alternately absent and possessively close, Corrine doesn't yet realize that she's barely scratched the surface of what lies beneath Foxworth Hall's dark facade and the family that guards its legacies. With the fortieth anniversary celebration of *Flowers in the Attic*, and ten new Lifetime movies in the past five years, there has never been a better time to experience the forbidden world of V.C. Andrews.

Denton Little's Deathdate -

Lance Rubin 2015-04-14

The Snapchat Original series, Denton's Deathdate, is here—check it out! Get ready to die laughing: this is an outrageously funny ride through the last hours of a teenager's life as he searches for love, meaning, answers, and (just maybe) a way to live on. Denton Little's Deathdate takes place in a world exactly like our own except that everyone knows the day on which they will die. For Denton, that's in just two days—the day of his senior prom. Despite his early deathdate, Denton has always wanted to live a normal life, but his final days are filled with dramatic firsts. First hangover. First sex. First love triangle—as the first sex seems to have happened not with his adoring girlfriend, but with his best friend's hostile sister. (Though he's not totally sure—see, first hangover.) His anxiety builds when he discovers a strange purple rash making its way up his body. Is this what will kill him? And

then a strange man shows up at his funeral, claiming to have known Denton's long-deceased mother, and warning him to beware of suspicious government characters. . . . Suddenly Denton's life is filled with mysterious questions and precious little time to find the answers. Fall in love with Denton Little! "Rubin is really funny but like John Green, he manages to be poignant at the same time. You'll laugh out loud while you read this, but you're probably going to tear up a bit too." --Bustle "The dialogue is witty and raunchy, the plot is uniquely twisted, and the ending is to die for. This book will fly off the shelves."--VOYA "Lance Rubin creates a world in which (almost) everyone can answer the question, 'What would you do if you knew when you were going to die?' and holy s*#! the answers are hilarious. I don't think I've laughed at death so much in a long, long time. Read this book, it'll have you dying." —Isabel Quintero, Morris Award-winning author of *Gabi, A Girl in Pieces* "Hilarious,

thought-provoking, irreverent, unforgettable. . . . Live your own death, Dent. We love you." --Catherine Gilbert Murdock, author of *Dairy Queen* "If *Six Feet Under* had been created by John Hughes: that's Denton Little's *Deathdate*." —Tim Federle, author of *The Great American Whatever* "Wildly funny, brilliantly weird, and achingly heartfelt." —Becky Albertalli, Morris Award-winning author of *Simon vs. the Homo Sapiens Agenda* "Highly original, fantastically entertaining, and laugh-out-loud funny, Denton Little's *Deathdate* is a wild romp through a night like no other." --Jennifer E.
