Dyeing to Spin & Knit - Felicia Lo 2017-01-12

Inspire and unleash a passion for hand-crafted color! "Unapologetic" is how Felicia Lo always describes her obsession with color and craft. In *Dyeing to Spin and Knit*, Felicia, founder and creative director of SweetGeorgia Yarns and highly sought after teacher and lecturer, provides clear and accessible guidance for creating gorgeous hand-dyed yarns and spinning fibers and an understanding of how dyeing affects knitted yarn and handspun yarn. Fiber artists will learn the fundamentals of how color works, how to combine and coordinate colors, and how to control the results when dyeing wool and silk yarns and fibers. Spinners will learn how to subdue intense and bright colorways or prevent muddiness in handspun. Knitters will gain the knowledge to avoid or maximize the effects of pooling. And finally, this book will include 10 patterns that use hand-dyed and handspun yarns and fibers to their most exciting advantage in knitting projects. Complete with detailed photographs from Felicia's own dyeing studio, *Dyeing to Spin and Knit* offers a master class in preparing hand-dyed yarns and fibers. Ignite your love of color--unapologetically!

Stomp Rockets, Catapults, and Kaleidoscopes - Curt Gabrielson 2008-02-01

Kids will learn how things they encounter every day operate by building their own models with this hands-on activity book. Projects include building a working model of the human hand's muscles, bones, and

tendons using drinking straws, tape, and string; using a pair of two-liter bottles and a length of rubber tubing to learn how a toilet flushes; and discovering how musical instruments make sounds by fashioning a harmonica, saxophone, drum, flute, or oboe. All devices are designed to use recycled or nearly free materials and common tools. Kids are encouraged to modify and improve the designs, or create an entirely new device using the concepts explored. Each project includes materials and tools lists, step-by-step instructions with photographs, a summary of the science concept demonstrated, and follow-up questions to gauge student understanding for use in the classroom.

The Granny Square Book, Second Edition - Margaret Hubert 2017-05

This updated second edition of The Granny Square Book features 25 brand new squares, and 25 all-new projects to make. Beginners welcome! Margaret Hubert makes learning to crochet easy. Since it was first published in 2011, The Granny Square Book has instructed and inspired more than 70,000 crocheters to make and create beautiful, stylish projects with these classic motifs. Now designer and author Margaret Hubert has updated her bestselling and beloved book to include 25 additional crochet squares (for a total of

100!) and 25 all-new projects to make, wear, and give. Margaret shows the evolution of the granny square, how it can be used and interpreted in different ways with different yarns, and how today's crocheter can design her own projects using the granny squares of her choice with the yarn choices of today. Among the designs are accessories (headbands, bags, and jewelry); garments (vests, jackets, and tops); and decorative items and gifts (afghans, pillows, and a sweater set for baby). The Granny Square Book, Second Edition, offers crocheters at all skill levels more, and more to love about, this timeless motif.
