Hot Rod Pin-ups - David Perry  
David Perry, Foreword by Robt.  
Williams. For as long as young  
men have been channeling,  
chopping, and hopping up rods  
and customs, women - whether  
loyal girlfriends or trouble-  
seeking "bad girls" - have been  
an integral to their scene. In  
this unique portfolio evoking  
great 1950s pin-up artists like  
Vargas and Elvgren, talented

photographer David Perry depicts models in and out of cherry-picked rods and customs wearing painstakingly chosen period dress and hairstyles. More than 100 photos present these modern-day pin-ups under three themes: Garage, Cruising, and Race. In addition, essays explore each topic and are also accompanied by pulp novel covers, period mags, and ads that place the photography in a historical context. Captions identify the car owners, photo location, and, where appropriate, interesting car specs and histories.
