The Grapes of Wrath - John Steinbeck 2011

'To the red country and part of the gray country of Oklahoma, the last rains came gently, and they did not cut the scarred earth.' Drought and economic depression are driving thousands from Oklahoma. As their land becomes just another strip in the dust bowl, the Joads, a family of sharecroppers, decide they have no choice but to follow. They head west, towards California, where they hope to find work and a future for their family. But while the journey to this promised land will take its inevitable toll, there remains uncertainty about what awaits their arrival . . .

Winner of the Pulitzer Prize, The Grapes of Wrath is an epic human drama. Of this novel, Steinbeck himself said: 'I've done my damndest to rip a reader's nerves to rags, I don't want him satisfied.'

[Metamorphoses](#) - Ovid 2021-01-12

"It is the single most important work of poetry in ancient history" - M. L. Andres, author of 'A Simple but Effective Strategy for Success' & founder of The Block Bard. Ovid's 15-book epic, written in exquisite Latin hexameter, is a rollercoaster of a read. Beginning with the creation of the world, and ending with Rome in his own lifetime, the *Metamorphoses* drags the reader through time and space, from beginnings to endings, from life to death, from moments of delicious joy to episodes of depravity and abjection. The madness and chaos of some 250 stories, spanning around 700 lines of poetry per book, are woven together by the theme of metamorphosis or transformation. The artistic dexterity involved in pulling off this literary feat is testimony to Ovid's skill and ambition as a poet. This accomplishment also goes a long way in explaining the rightful place the *Metamorphoses* holds within the canon of classical literature, placed as it is beside other great epics of Mediterranean antiquity such as the *Iliad*, *Odyssey* and *Aeneid*.

Santa-Tizing - Robin Main 2008-12

Throw away the template for Christmas books and come walk on the kingdom side in an examination of America's most loved holiday. Critical thinking is a must while looking through this lens of history and Scripture. You will be intrigued and enlightened. What's wrong with Christmas? Plenty. This book shines light on various troubling issues involved in celebrating a Christian Christmas. How to clean it up? This will be determined by you and your family. Since we have an abundance

of traditions, memories, and reasons to stay just the way we are, Santa-tizing will primarily explore the opposite. Know that in God's kingdom no person is forced to do anything against their will. From the depths of her heart, Robin Main declared, "Here I am, Lord. Do what You will" and thus began a prophetic journey into the intensity of God's heart. Robin has been sequestered with the Lord for the past ten years. Like an archeologist, she has been led to sift through the sands of time to discover various mysteries in relation to some divine messages she received during three epiphanous appearances. Robin's life ambition is to love the Lord with all her heart, all her soul and all her strength; and her neighbor as herself. Check out www.santa-tizing.com for more information.

Technologies, Artificial Intelligence and the Future of Learning Post-COVID-19 - Allam Hamdan 2022-02-19

This book aims to assess the experience of education during COVID-19 pandemic and explore the future of application of technologies and artificial intelligence in education. Education delivery requires the

support of new technologies such as artificial intelligence (AI), the Internet of Things (IoT), big data, and machine learning to fight and aspire to new diseases. The academic community and those interested in education agree that education after the corona pandemic will not be the same as before. The book also questions the role of accreditation bodies (e.g., AACSB, etc.) to ensure the effectiveness and efficiency of technology tools in achieving distinguished education in times of crisis.

Latin for Gardeners - Lorraine Harrison 2012-09-21

Since Latin became the standard language for plant naming in the eighteenth century, it has been intrinsically linked with botany. And while mastery of the classical language may not be a prerequisite for tending perennials, all gardeners stand to benefit from learning a bit of Latin and its conventions in the field. Without it, they might buy a *Hellebores foetidus* and be unprepared for its fetid smell, or a *Potentilla reptans* with the expectation that it will stand straight as a sentinel rather than creep along the ground. An essential addition to the gardener's library, this colorful, fully illustrated book details the history of naming plants, provides an overview of Latin naming conventions, and offers guidelines for pronunciation. Readers will learn to identify Latin terms that indicate the provenance of a given plant and provide clues to its color, shape, fragrance, taste, behavior, functions, and more. Full of expert instruction and practical guidance, *Latin for Gardeners* will allow novices and green thumbs alike to better appreciate the seemingly esoteric names behind the plants they work with, and to expertly converse with fellow enthusiasts. Soon they will realize that having a basic understanding of Latin before trips to the nursery or botanic garden is like possessing some knowledge of French before traveling to Paris; it enriches the whole experience.

The Resurrection of the Messiah - Christopher Bryan 2011-03-21

In *The Resurrection of the Messiah*, Christopher Bryan combines literary, historical, and theological approaches in a study of the doctrine of the Resurrection. The book is divided into three parts. The first section provides a careful and sympathetic description of first-century Jewish and pagan opinions and beliefs about death and what might follow. This

is followed by a presentation of a general account of early Christian claims about the death and resurrection of Jesus of Nazareth. The second part of the book offers a detailed, full-length commentary on and exegesis of the main New Testament texts that speak of Jesus' death and resurrection: 1 Corinthians 15 and the narratives in the four canonical gospels. As a framework for this commentary, Bryan utilizes the pattern of apostolic preaching presented by Paul and then echoed by each of the four evangelists, namely the formula "Christ died, Christ was buried, Christ has been raised, Christ appeared." The final section of the book is spent discussing and evaluating various proposals that have been made by those attempting to explain the data in ways that differ from the traditional Christian explanation. Bryan also considers various theological and ethical implications of accepting the claim "Jesus Christ has been raised from the dead." Throughout his study, Bryan exhibits a willingness to face hard questions as well as an appropriate reverence for a faith that for almost two thousand years has enabled millions of people to lead lives of meaning and grace.

Teaching English as a Foreign Language - Carola Surkamp 2018-03-24
Diese Einführung in englischer Sprache präsentiert in 14 Kapiteln die grundlegenden Themen und Gegenstandsbereiche der Englischdidaktik. Gleichermaßen praxisnah wie theoretisch fundiert, behandelt der Band zentrale Prinzipien und Kompetenzbereiche eines modernen Fremdsprachenunterrichts. Ausgehend von den zentralen Akteur/innen (Lehrende und Lernende) und mit Blick auf die Teilbereiche der Sprach-, Literatur- und Kulturdidaktik werden zudem Vorschläge für den Einsatz unterschiedlicher Materialien und Medien diskutiert. Weitere Kapitel widmen sich den institutionellen Organisationsstrukturen und dem Bereich Assessment/Diagnose. Der Band erscheint in zweifarbiger Gestaltung, mit Definitionen und Beispielen sowie mit zahlreichen Abbildungen. This comprehensive introduction presents the fundamental topics and issues of TEFL (Teaching English as a Foreign Language) in 14 chapters. Integrating both profound theoretical and creative practical considerations, the central principles and competence domains of modern foreign language teaching are discussed. Starting with the main

classroom agents (teachers and learners), the chapters outline a variety of content areas (language, literature, cultural issues) and thoroughly review materials, media and methods. Additional chapters are concerned with the historical development of English language teaching, its current institutional organisation as well as assessment and evaluation.

Bless Me, Ultima - Rudolfo Anaya 2012-06-01

From "one of the nation's foremost Chicano literary artists" comes a coming-of-age classic and the bestselling Chicano novel of all time that follows a young boy as he questions his faith and beliefs -- now one of PBS's "100 Great American Reads" (Denver Post). Antonio Marez is six years old when Ultima comes to stay with his family in New Mexico. She is a curandera, one who cures with herbs and magic. Under her wise wing, Tony will probe the family ties that bind and rend him, and he will discover himself in the magical secrets of the pagan past--a mythic legacy as palpable as the Catholicism of Latin America. And at each life turn there is Ultima, who delivered Tony into the world... and will nurture the birth of his soul.

Spiritual Interpretation of Scripture - Joel S. Goldsmith 2010-08
2010 Reprint of 1947 Edition. According to Goldsmith, those who find god, who attain even a small measure of understanding, have wealth that neither time nor circumstance can affect. These have no concern for their material or physical well-being, because they have found that their permanent and unchanging good, their invariable life and substance are all included in god."--From Introduction.

World in the Making - Bonnie G. Smith 2018-08-31

"A World in the Making is a kind of anthropological journey taken by four historians that assumes all societies are "hot," and all people make history and always have. We argue in our emphasis on lives and livelihoods for a world constructed, altered, renovated, remade by ordinary people even as we acknowledge the genius of individual innovators, disruptors who broke the mold or struck out in some new direction."--Provided by publisher.
